Videotape Machine Cuts Cost of Mass Education

Leevinw.

ills, he said

STAMFORD, Com. (AP) -A group of U.S. community colleges, including the North Carolina community college system, is courting adult minds with a new teaching device that may help shape the way the nution thinks and

The device is a portable videstapic machine that can do the job of eight teachers.

An attendant drives the \$30, 600 device to any building equipped with a special televi-num set for each class. Hooked up, it can deliver up to eight hour or half-bour tessons chosen from as many as 60 femans recorded on the single

The annealally large number of lessons can be grouped on the conventional one-inch magnetic tape because still metures, not moving ones, ac Initial Lessons for the teaching system include health telences, child care, consumer problems, introduction to business, world cultures and mathematics. Teaching centers could be set up in schoon's libraries, firehouses

or other public places. Dr. Pieter C. Goldmark, who Dr. Prier 6. Goldmark, who also invented the long-slaving record, said his Rapid Tran-urnission and Store (RTS) system has two revolutionary. sholls allotts

Find, because it should pay for itself through small fulfion charges. It could have great impact in mass education.

Property tailored by experts in the warrows fields of environment eventually could still today's poorly informed public to demand government.

Motsinger Indifferent

By MIKE GOODMAN

The Surry Knights broke a 36game string of homecourt victories Thursday night by dropping a 78-72 decision Louisburg College. The end of that illustrious record, however, has left Knight coach Wayne Motsinger undaunted. Thurnday's deleat was the first loss for Surry in Dobson Wingate Junior College on a last second shot, 72-70. "I hadn't given it a great

umount of thought." Motsinger discussed,"

to preserve the home court win points, 74-72 in the last minute. players had, streak. It was a late three and a half Melvin Pr

Veteran Enrollment **High At Surry College**

Jan

Monday.

GAZETTE,

AX.

DOBSON, N.C. -- More than 300 veterans enrolled at Surry Community College for the Winter Quarter which began November 23. While this figure is loss than the total of one year ago if is considerably higher than the total of four years ago. "We are about 100 veterans fewer thun ayear crive the Same benefits as a

ago," stated Veterans Affairs ceive the same benefits as a Coordinator Byron Lawson, veteran taking regular college "Most of this is due to the courses," said Lawson, "A The set of this is due to the courses, such Lawson. A fact that any veteran that got bonus is the fact that it does out of service between 1955 not count as a program nor and 1966 lost their entitlement does it count against his basic on May 31, 1976. This was 36 months of entitlement. We a lot of veterans. However, have about 25 vets working to we are extremely pleased that the number has stayed as high of these will move directly be the set. The setting avec into college work as more the the number has stayed as high as it has. The national aver-age is a drop of about 35 per cent." Surry Community College Congress passed new legt-station concerning vecterant during the last session. In chaded in the new provisions are an 8 per cent pay increase in basic entitlement from 36 to 45 months, and new guidelines concerning Voca-tional Rehabilitation training Currently a single veteranat-tioned in way receive to see the benefits to the see to basic entitlement from 36 to 45 months, and new guidelines concerning Voca-tional Rehabilitation training Currently a single veteranat-tion and the benefits to the offer the benefits to the see the benefits to Currently a single veteranat- Lawson, "'Il usually taken 6 tending school may receive to 8 weeks for the benefits to \$292 per month. The benefits begin so we need to complete will vary according to the the work as soon as possible." number of dependents and the Those veterana desiring to number of hours a person is complete high school may be-taking in school. "All of our gin at any time. They too programs at Surry Community should contact Mr. Lawson at the college.

Success Breeds Success: Surry On Verge Of 3rd Title

By MIKE GOODMAN

With about a month of basketball yet to play in the Western Tar Heel Conference, it appears that Surry, for the third straight year, will reign as regular season champion A victory in last night's game with Wilkes Community College would clinch a tie for the regular season title. On more victory, or a loss by the other top contenders. Mitchell Community College and Davidson, would insure the cham-

Surry Dominates Conference

pionship

The Knights have owned the regular season and tournament championships in the Western Tar Heel Conference since it was formed three years ago. However, there were doubts as to whether Surry would be able to repeat this season as champions in the face of growing conference competition and the loss of four starters off the 1975/76 team which made it to the Region X finals

Head coach Wayne Motsinger attributes much of the success this year as well as that in the past to his being able to secure top pluyers.

We have been very fortunate to have had top players," he d. "We have had players who could play at several anid.

Motsinger said his recruiting program looked for players from Surry and the surrounding counties, however, winning seasons over the last five years has helped Motsinger in his recruiting efforts outside the area. "I think it trecord' helps," he said. "It makes a lot of dif

rence when you are recruiting whether you are winning or

losing." Motsinger also noted that the rigorous non-conference schedule Surry plays aided the school's prestige. "We play the top junior colleges in the three-state area (Virginia-North Camilina-South Carolina)," he said. "People look at that

Earlier Dave

Eurry's basketball program was not always so fortunate in the past, as Motsinger indicated.

'II was rough getting started the first year or two." he said. Eight seasons ago when the Knight cosch first came to Dobson, Surry Community College did not have a gym of its own. Surry had seasons of 6-11 and 8-11 in Motainger's first two years, 1969-70 and 1970-71

We practiced in the Dobson elementary school gym a played our home games at Surry Central High School," he said. "It makes a lot of difference having y air own gym." Surry got a new gym for the 1971-72 season and immediately

the Knights played their best season ever finishing with a 14-6 record. They also won their conference tournament cham-pionship that year

Surry has had only winning seasons since then

Suibling

Motsinger indicated Surry's record, overall program and facilities have attracted many prospective players. However, he indicates diere is another benefit which attracts players "A guy can come here and gethis first two years of college," "Our academic program is recognized by four year he said.

The Mount Airy News

JOLANAL OF A THENTH NAME DEPOTED TO THE REAT INTEREST OF THE COMMENTER

'A player can also come and get the opportunity to play high calibre basketball. He will be worked as hard as he would be anywhere else. He will have the opportunity to develop skills which could make him possible four year college material." According to the Surry head coach, many of the players he recruits should be able to go on to four year college backethall. He offered junior college all-American Tony Searcy as a case

When he (Searcy) got out of high school, he was not developed in basketball or academically. Motsinger said "We sold him on the idea he could get his academic ackground and basketball fundamentals here at Su Searcy went on to led Surry to the Region X finals last year and was selected as a junior college All-American candid He is a starting forward for Appalachian State College this

Local Talent

Surry has enjoyed the recruiting benefits which come as a result of winning. However, Motsinger still looks for local talent fiest

"I'm looking for local talent first if we can come up with it," he said. "The competition is going in take top grade players, however, and we recruit the best we can." According to Motsinger, many prospective players from this area would rather go away to school.

Airy:

Knights end with 20th win

DOBSON - The Surry usually have a lot more Community College Knights Guard play was one area scored their 20th basketball victory here Saturday night, ending their regular season with a 79-71 nonconference win over Sandhills Community College. Led by the improved guard play of Joey Blackburn and Jeff Conley and the continuing strong in-side play of James Hayes

with rallied to be 32-32

Farrington picked up his third foul with less than five minutes gone and McNair got his third about five minutes from halftime Sandhills is powered by the fourth-leading junior college scorer in the country, John Roberts, who was averaging over 30 points per

game entering the contest with Surry. But the Knights held him to 20 points

Guard play was one area I Surry's lapse in the second

Courses For Adults Planned

Over 100 different course and programs will be offered through the Continuing Education Division of Survy Community College this spring term, 1977. The courses include welding.

auto mechanics, typing, real estate, nursing aide, fiddle, firefighting, driver education, law enforcement, emergency medical training, and others Programs in adult basic education, job employment training and high school completion will also be offered

One of the most important tasks of the college is to inform the adults of Surry and Yadkin counties of the courses and programs available. To do this,

approximately 5,000 Continuing Education Bulletins prepared to be mailed to adults in the college service area each

Still a large number of builetins are requested by adults who are not on the mailing list. Adults may request a Con-

tinuing Education Bulletin by calling the college at 386-8121. extension 34. Those who call will be placed on the mailing lint for summer, 1977.

MAIL BROCHURES- Eileen Kidd sorts an estimated 5,900

Surry Knights Successful In Rebuilding Year

The Knights of Surry as a second team All-Region formulty College faced a player McNair was all-regioning of Conference us well as All-Conference as well as All-Tournament the 1976-77 basketball season. Surry was biesed with several surprises from its recruits.

Only one starter was refur ning and the team was coming off two consecutive 20 win Jess Conley was one of the most enlightening. He ration (Junior College) in developed into one of the quickest guards in the area. field goal percentage, finished second in Region X (North-Rick Robertson provided surprise strength at the Vivginia, and West Virginia). forward spot. McNair was a and had their first All American (Tony Searcy) in ton prospect who chose Surry. He is very talented with a 1975-76 However, recruiting difficulties pased several great deal of potential. And Sain Bailey and Gary Simnions proved more than But, the results were ex-

adequate in a reserve role at ellent: a 22-4 record against mand. The play of these freshmen alone with the very strang competition, a third strangle conference title winning tradition of Sarry helped make the "rehalding" (both resultar sensor) and tournament), a third place ranking in Region X. Duirng the year the Knights defeated monshipsour

nournament. He was selected

automaily ranked Ferrum Jenior College and won the Western Tarbeel Confirmence roppiar season table by four Only two starters return next year (Conley and McNair). But there are several very bright spots. McNair is definately a senior marnes. They also improved their three year conference college prospect possessing many talents at this stage of record to 39-1. development.

"We are very pleased with our season," atoled Coach Wayne, Motainger, "We are concerned that we didn't win Conley is very quick and wan the top defensive player thisyear. The recruiting has already

into another cham-

more games. I guess any time you try to improve on a 22-4 record in Toolish but we begun for next year. Couch Motsinger and Assistant Couch Bryon Lawson are on the road looking for players thought we should have won a couple more." The Knights were led by 6'4" James Hayes that will fit into the Surry program. We would like to and 6'5" Dock McNair, Hayes was a transfer from High tiring in about seven or eight College and McNair was a treshman from Fayetteville players," said Motumeer We are going for the tiest possible recruits. But the kids (South View High School). we really want are ones that These two young men led the will contribute to the total cornig and rebounding in progra. We feel that players almost every game. Hayes was Player of the Year in the conference and MVP of the that have a team concept are wanners and will keep us up an the top."

A course in small engine repair has been scheduled to begin Tuesday, March 29, on the Surry Community College campus. The course is scheduled to meet from 6:30 p.m. until 9:30 p.m. for 12 weeks The registration fee for the course is \$5.

For more information. call 386-8121, extension 34.

The Continuing Educa-tion Division of Surry Community College will spon sor a sewing class in Boonville. This class will begin on March 30 from 6-10 p.m. Norma Lowder will be the instructor.

To pre-register please cull 367-7562

college parallel.

Evening courses are also offered, including numerous mrichment classes such as sewing, drawing, painting, welding and photography. Reeves attributed the rapid increases in the last five years enrollments to a growing confidence in the school, and to the large number of local residents attending the less expensive community college eather than out-of-town two-and four-year schools

slowdown This nevitable, though, particularly with the decline in public school enmilment. Reeves added

Any noticeable growth in enrollment would be due to increased adult attendance to night classes, which would probably offset the decline caused by fewer high school

The enrollment plateau is attributed to a more stable economy, a larger number of job openings, and a decline in the number of veterans receiving government benefits. Despite the leveling-off, of-ficials are content since "most schools are experiencing a decline in enrollment," Reeves pointed out.

Enrollment over the past few years increased to such a degree that the school has had o expand tremendously handle the droves of students desiring admission to Surry The graduating class of 1974 was 30 per cent larger than the class of 1975, with 186 degrees awarded last year compared to the previous year's 144. The school has five buildings

including a vocational-technical building constructed in 1975. Among courses and programs offered are: nursing

business, auto-mechanics, horticulture, light construction. pachinists, law enforcement accounting, agriculture, and adult education, in addition to

March

Monday

Ż

Surry Community College officials hit a "leveling-off period" of record-breaking enrollment this year, according to Jim Reeves, dean of Student

students. Many of the high school graduates are attending Surry, though averaging 60 per high school in the area maily. The largest high school in the county, North Surry, graduated 200 in 1976, with more than 25 per cent of these attending Surry this year

This is one of the assets that Surry plays in the county: by offering a less expensive alternative to further education, many students can attend college that would not have been able to otherwise.

Reeves also pointed out that of those Surry graduates who transfer to four-year institutions, the drop-out rate is virtually zero, with most of them doing 'exceptionally modil.

> For older students, the milege also offers a re-entry program, for adults who have not attended school for some time. One does not have to be just out of high school to enter the college parallel program.

Dr. Swanson Richards, has served as president of SCC since 1972. This year he was named chairman of the North Carolina Community College and Technical Instituto Presidents Association

Surry CC offers Yadkin classes

The Continuing Education Division of Surry Com-munity College will begin classes in Yadkin County in the near future. These classes are held in different areas of the county. Any adult 18 years of age or older may register. Ceramics; March 15; 6:30-9:30 p.m., Hampton-ville, Veta Ireland, instruc-

Standouts

Coach Wayne Motsinger of Surry Community has an-nounced the signing of two recruits from McDowell High School of Marion. James Brown and Junior Conley have agreed to attend Surry next year. Brown, a 6'1" point guard, averaged 18.5 points per game and six rebounds per contest. Conley, a 5'2's", totaled 12 points and 11 rebounds a game. We really are pleased to have these two young men ." said Motsinger. "They will

make us exceptionally strong

for next season.

Classes which began in Yadkin County Tuesday sponsored by the Continuing Education Division of Surry Community College are as follows: Basic Quantity Cooking; May 31, North Carolina Department of Corrections in Yadkin County, Mr. James Hruska instructor. 3 Health & Related; May 31, S Corrections in Yadkin County, Mr. Tim Norman instructor. Also, Adult Basic Education niso, Auto Basic Education got under way this week -Monday thru Thrusday, 4:30 -9:30 p.m., Boonville Learning Lab And, High School Com-pletion: Monday thru Thur-sday, 8:30 a.m. - 9:30 p.m. and

8:30 a.m. to 4:00 p.m. on Friday, Boonville.

June 1, 1977

Surry Community Summer School Begins

Surry Community College work, will begin its summer session It

It is important that the public be informed that Surry Community College with registration scheduled to begin June 13. New and register from 10:00 - 12:00, 1:00 - 4:00 or 6:00 - 8:00 on this date. Classes are available for characteristics.

Special courses for studen-

regular Surry Community College students, both fullts entering Surry in the fall wish to continue their studies during the summer, New students may begin again be offered. These programs provide people with the opportunity to com-plete a full year of English, math Spanish, history, hology or chemistry. These

New students may begin summer quarter as a full-time or part-time student. Adults are especially en-couraged to begin a program at Surry Com-munity College. The sum-mer quarter is an excellent time to begin by taking only one or two courses. The popular concept of the typical community col-lege or technical courses are fully transferable Full Full programs are available in approximately twelve technical or vocational areas. These may be taken on a full-time basis lege or tech technical or be taken one or two courinstitute student as ses each quarter during the an 18 to 21 year old, recent day or evening. high school graduate who Counselors will be

an 18 to 21 year old, recent high school graduate who attends credit classes full time during the day, and who depends upon his patents for the majority of its financial support is a widely shared miscon ception about who is being served by community colleges and technical in-stitutes. In the first place, most of those students are not even enrolled in credit course; of those who are

many are necessarily working toward a degree. Second, even among credit students, the popularly held concept of a typical community college or technical institute student is inaccurate. Only among is inaccurate. Only among the seven percent who are enrolled in college transfer programs did the student prolle ap-proach the description which in the past was assumed to characterize most postsecondary studen-ts.

These "new" students tend to be older, represen-ting an age range from 26 to 49 years. Are married, work 49 years. Are married, work full time, and often earn more money than the younger, traditional students Attend classes part time in the cven-ing. Would not have continued their education had it not been for the presence of a community college of technical institute within seme doubt within easy driving distance of their home or place of
