Jerry,

I've really enjoyed knowing you for the past 8 years. I've practically liked you all that time. I know that I've treated you kinda dirty at times, but I've been well paid back for it - Right? You can forget all those bad times but remember the good ones such as "Promises - Promises." I won't forget it and I don't think Sue & Tommy will either. We had a good time that day & night. Don't forget that night at the Valentine party over at Delorah's when you liked both and I liked Danny. What a night! Don't ever forget me and I know I'll never forget a wonderful person like you.

Love GA!

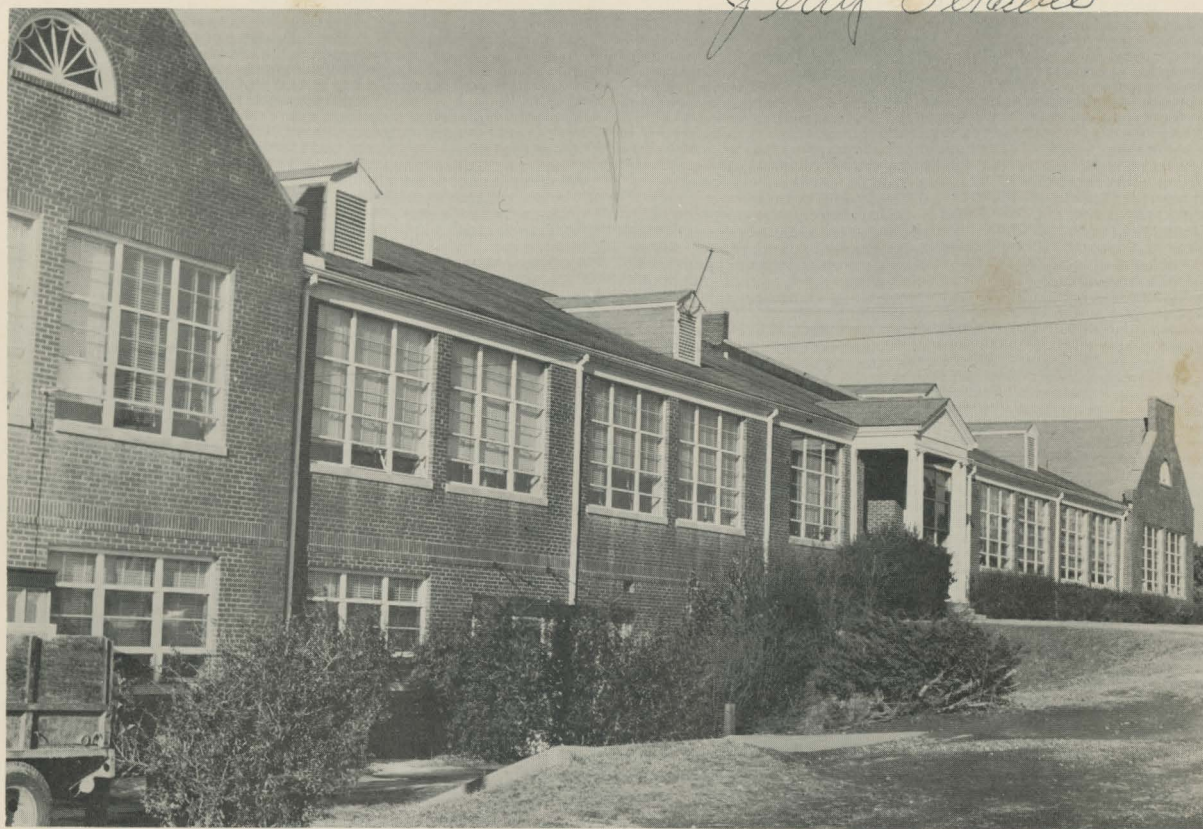

Sandra

Watch out or I'll bite your ear!

Remember  
that?

Dear Jerry

I have enjoyed  
knowing you for  
the past 10 years  
we have had our  
fall outs but we  
are still together.  
I have enjoyed them  
ten years on some  
occasions we have  
shared what we have  
and other times we are  
just like brothers.

Remember all those times  
when Lonnie would  
skin our heads but  
we have still been  
with Lonnie ~~to~~ a lot  
especially Promises  
Promises I enjoyed  
that night too. Ha! Ha!

A friend  
always  
Tommy
