LISTING FROM REUBEN GRANT ESTATE PAPERS

Reuben Grant lived in Rockford the county seat of Surry County and owned a tavern. At the time of his death ca 1810 there were quite a few outstanding debts owed to his estate.

Jesse Lester also lived in Rockford and was quite active in county affairs. He was the administrator of Reuben Grants estate and returned the following listing to the May court on the debts owed to Reuben Grants estate.

This listing was included in this work even though it was ten years later because of the information it contained. The estate paper was found at the N. C. Department of Archives in Raleigh call number C. R.092. 508.1 - 75 estates.

I have only listed the names and notations not the amounts owed the estate. Jesse Lester listed where the Surry County people went if they had left the county.
