Tribute to Mother

Lord, You gave us a priceless gift
We handled it with great care.
The golden gift of a mother
So wonderful and fair.
Mother, you taught us how to love each other,
Through the storm
and through the rain
Its worth is so immeasurable,
No words can explain.
The gentleness that's part of you
Is like the flowers
Because of you we're wiser,
And we know we're kinder too;
So many things in life we haven't missed,
Mom just because of you,
We never knew the glory that surrounds
God's earth and skies,
Until one day we learned to see
True beauty through your eyes
that grow,
And understanding, too;
Mother, We didn't make life more beautiful,
Through days that come and go.
You bring a warmth of deep content
And understanding, too;
Mother, We didn't know
What real love was,
Until Mother there was you!

Thank You

*We just want to thank you
for the kindness you have shown,
for being there to support us,
in ways that you've not known.*
