Pageant Week Activities in Atlantic City...

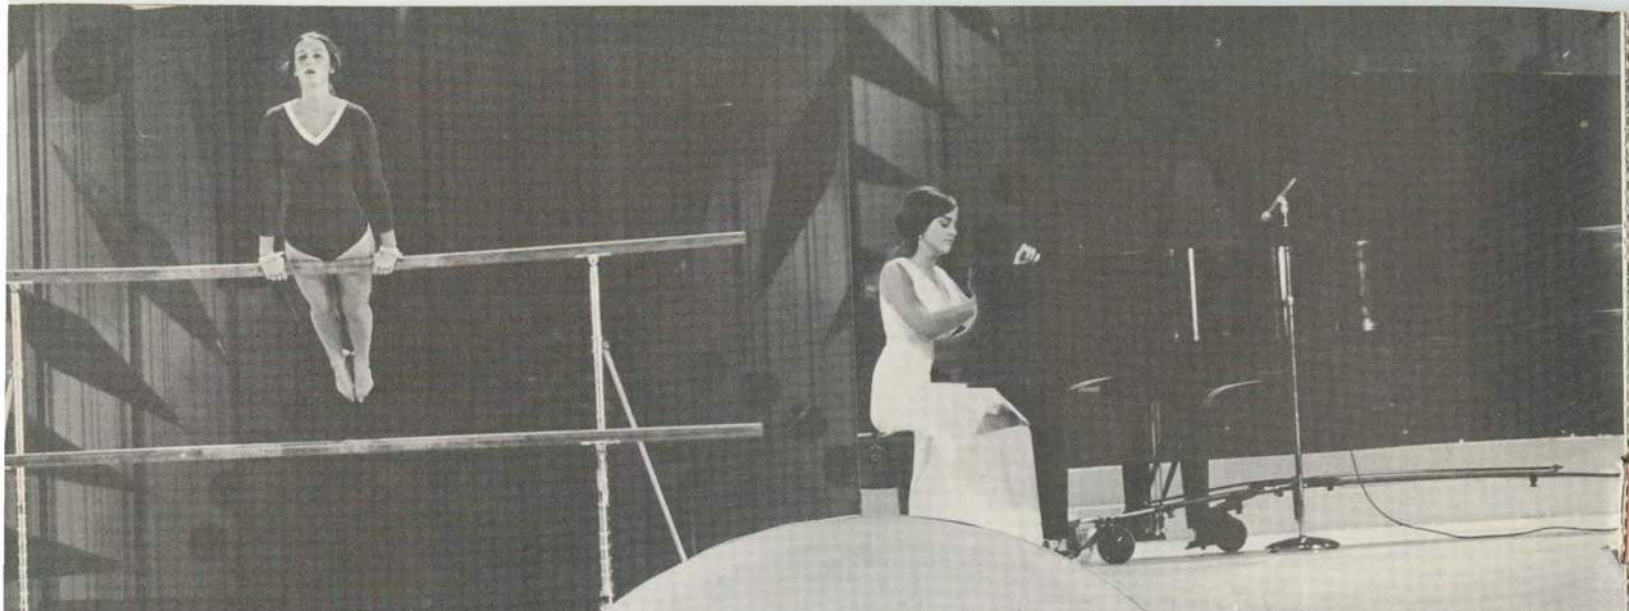

Labor Day has been official Registration Day of the Miss America Pageant National Finals in Atlantic City for the past 51 years. A majority of the State Representatives, however, arrive early to participate in pre-Pageant activities, to rest, relax, and enjoy the beach and Boardwalk.

The contestants and their State Chaperones are greeted at the airport or, if driving, at Control Center, by Atlantic City Hostesses. While activities are on a fairly informal basis prior to Labor Day, the contestants find themselves being photo-

graphed, interviewed for back-home television tapes (by actor Gary Collins in 1971) and invited to attend a Sunday evening get-acquainted Mix & Mingle Dinner with their State Chaperones and Atlantic City Hostesses.

These activities are a delightful preamble to the beginning of a busy week of Pageant rehearsals and Pageant events, concluding on Sunday morning with a lovely Awards Breakfast and the distribution of the National Pageant Scholarships to all fifty State Representatives.

Jaycee Presidents Comments

As every one knows the sum of two nights activity will produce Miss Mount Airy for 1972. This young lady will represent our city in the Miss North Carolina Pageant and numerous other activities. It is true that only one of the ten lovely contestants will wear the crown. However there are no losers. Each contestant will gain new friends and new experiences through her efforts, the sum of which will make her a richer individual.

This pageant with out the help of local merchants and professional people is not possible. On behalf of everyone connected with the pageant I would like to say thanks for your support.

The JAYCEES, JAYCEETTES and many wonderful people who have worked with the pageant in the past and are working on this program all share the same dream. To see our city recognized as the home of MISS AMERICA. To "Miss Mount Airy 1972", the best of luck.

THE PENNY STORE
BY ROBERTA NASH

More often than not, in a store's newspaper advertising, the emphasis is on the price of merchandise, for this is the news that the readers want to know.

But the Penney people want to be sure you understand that this emphasis on price in advertising does not represent the thinking within the Penney organization. The thing that makes Penneywheels go round is value, or what you get for that low price.

"We have to keep one eye on quality and the other on price," one of our buyers said to me. "Every sale we make today is designed to bring the customer back tomorrow."

BUD AND MARGUERITE KALLENBACK

The Kallenbacks are Northern transplants from Philadelphia, Pennsylvania, but are now true Southerners residing at 616 Knollwood Drive. Both are very active in civic affairs and community programs; in fact, The Mount Airy Chamber of Commerce in 1968 presented them the "Citizen of the Year Award".

Bud graduated from Temple University with a Teacher's Degree and an Engineering Degree. While attending Temple, he had special training in Pageantry.

He is employed by Quality Mills, Inc. His civic activities include the Rotary Club, Mount Airy Chamber of Commerce, and The Autumn Leaves Festival. Painting and associating with people are only a part of his noted talents, which earned him the fame of being a notorious joke teller.

Marguerite earned an English Degree from Cornell. She devotes a great deal of her time to organizations interested in community improvement, such as the Mount Airy Women's Club, The Red Cross, The Hospital Auxiliary, and the Surry Arts Council.

Besides their other activities, Bud and Marguerite have been associated with the Miss Mount Airy Pageant in directing and consulting roles for twelve years. During this period they have affectionally gained the alias of "Ma and Pa" Kallenback. For their faithful and unselfish service, they were made Honorary Members of the Mount Airy Jaycees in 1968.

Half Century Of Miss Americas—A Composite Portrait

The Miss America Pageant, recognizing a need for a logo-type portraiture of our Miss Americas, commissioned noted American artist Joe Bowler who has created a visual impression in oils as shown here.

We have adopted this painting as our universal depiction of all the Miss America Sisters and will use it as a standard rendering of their image.

As Miss America, Laurie Schaefer is more than just a very pretty face. She symbolizes the total concern and commitment of young America. Natural. Alive. Responsive. To everyone and everything. To people. To problems. To ideas. Things we believe in at Toni. That's why we are proud to be part of Laurie's everyday beauty program. And a part of her even greater self-development. Through the years Toni has awarded over a third of a million dollars in scholarships to Miss America aspirants throughout the country—contributing both to the self-development and beauty of young womanhood.
