Dear Betty,
Thanks loads for the Thos.
Brown & Ann Harris marriage
bond, when I requested marriage
bonds from the archives they miss-
ed it also.

In the year 1790, I'm not
too familiar with some of the
writing of the day.

Thanks again,
Diana

Dear Diana,

Only went into the Virginia books far enough to locate the Cass and Dubberly people and made only a few notes about the Moyes. I did not try and tie any of them together as had spent a great deal of time on the Moyes already this month and don't really know for sure if you would have approved.

With the other things listed on the next two pages, also checked the original tax lists for Craven. These are stained, tattered and torn and turned out to be a big disappointment. On one list I could see Cherry and the next several names were torn out. These lists were in the Secr'y of State papers.

Want to thank you for patience and suggest that if you want more material to make a list and am asking you to hold it for a few months while I get some of my other problems cleared out and have a chance to forget JOHN CASS MOYE for a little while.

(The only problems I have are clients with problems. My life is A - O.K.).
Thank you.

Sincerely,

Betty J. Camin

Virginia--

Read the Superior Ct. records looking for answers to the many problems
Cavaliers & Pioneers Pg. 60 Patent Book 9
Capt. Thomas Harrison and Jonathan Scott (Scott). 1700 acres
Southside of main Blackwater. 25 April 1702 - Westside of Acamosock Swamp.
Trans. of 34 persons including Susanna Brown, Francis Hill, Isabella Hodges,
Court John Brown, Elizabeth Duberly, Mary Brown, etc. etc. etc. Such an
miasma jury duty. (This list would include any able bodied men and
adult children. As I understand anyway.)

On page 96 or 320 Apr. 1811. The state vs. John Campbell - Stolen goods --

Cavaliers & Pioneers also shows John Moy in P. Anne Co. in 1711, 1713 etc.
Thomas Moye receives 100 acres in Isle of Wight Co, 1722.

1812, Dec. Appt's patrol in Capt. Campbells Dist. Shadrack Holloway, Ajax
Campbell, Leonard Loftin, Allen Doubberly & Zach. Barrat.
You may have seen these books and noted the Moye information. I was into
them because there has to be a reason for the Cass name. Also to prove the
Dobberlys were from Va. as per Sackers pension application in the Craven
Ct. records.

Book 2, 1724-1772

Don't know for sure, but, would bet that the Acamosock Swamp is later Accomack
Swamp. Feel that this area should be looked into for a Cass, Dubberley and /or
Moye connection.

If John Cass Moye is the son of George and E. Dubberly Moye, perhaps the
Cass came from the Dubberly line. Feel that this is where he belongs and
have tried my best to tie him into the proper line. There are just a few important
items that will not show in order to prove his parentage. Wish he had used the
Cass everytime he signed his name.

Alice Brown also leaves me with a great many questions unanswered. Thomas
takes out the marriage bond naming Ann Cummings. This usually meant that
they did get married. However, it is not proof. When Thomas dies, he is
married to Amy. It appears that Alice Brown Moye receives her share of the
Estate then and the other children receive theirs after their mother dies.

If you have anything special you want me to do about this search, please let
My guess would be that Ann may have died when or shortly after Alice was born
and that Alice may have been raised by the Greens. (Thomas & Alice). Possibly
Alice Green was a grandmother to Alice B. Moye. If this is so, then her grand-
patents were Brown, Cummings, Green and Campbell. But, then thinking
about the Greens and Campbells only mentioning Alice Brown and no other
children of Thos. Brown and where are we again. Perhaps Alices mother
was neither Ann C. or Amy.

Dear Betty,

I'm enclosing these family sheets and you can see the 10th child of Wyatt carries the Green name, it is a family name and I think the first child of J. C. Moyer, is Thomas Green Moyer.

Most of the info was gotten from Wyatt G. Moyer's family bible. I just got finished reading the 1900, Posey Co. Census and found George Washington Moyer, living with his son John Lamb Moyer, so the info on his death year was wrong, 1896.

But, you notice Jesse, Joel, same Christian names as recorded for the children of George Moyer and Elizabeth Gardner listed in The May, Lang, Joyner, Williams

Families of N.C. (Pitt Co.)

But I thought Wyatt
Gray's family sheet might
help.

You mentioned the William
Moye, my father's name was
William Henry Moye, it seem-
ed they carried that name
down thru the generations,
also.

Thank you for your
effort, just keep going if
you can,

Sincerely,

Nana

Dear Betty,

Got your letter, Dec. 13th and the wills; golly they are all mixed up, on one of the papers in Thomas Brown's 1812 estate papers, Sacker Hubberley is a court appointed subscriber.

Thomas Brown and John Moyer owed Jesse Gaskins, \$327.85, at the time of Thos. Brown's death, David Whitford was the attorney for the estate of Gaskins.

I was at the L.D.S. library Sat. and looked at the "International Genealogical Index" and have ordered some Patron's sheets, or something that is on film.

Catherine Moyer, married James Phillips 18 Sept. 1813, Graves Co.

III

John Gardner's will, Tyrrell
Co. 13 Apr. 1749.

Hopefully when I get
the film on these, I'll maybe
see where they got this
info, family sheets, etc.,
maybe I can correspond
with the person, bible records,
maybe, I just don't know,
they were filed 1969, 70, 71, 72, & 78.
Index is of Aug 1978.

I just hope we can
figure something out, I still
don't understand where the
name Cass came from. What
a mystery.

I believe they all descent-
ed from the John Moge who
came over in 1637 from London,
had 2 sons, John oldest
who stayed here, Richard
who went back to London,
to live with his grandfather
Richard Wheeler, he

later came ^{IV} back to this
country ~~in~~ prior to 1670 to
Maryland. Their father
was killed by Indians, 1645,
Lower Norfolk Co., Va.

Well, maybe we will
be lucky.

Sincerely,

Maxa

P.S. The John Lamb Mory's
wife, Nancy J. Randolph,
found out her family
came from Washington

Have checked the Orphans books as I told you last letter and the District Sup. Ct. records and found nothing. Think the only important thing there is left to do are the court records in relation to the cases I have on things like Annabell Doublerley 1803 mentioning children Fanny Moyes children and see if there is Don't feel that I have anything to report but, that could be because I don't have positive proof of John D. Moye parentage. Anyway, here are some odds and ends I have picked up in trying for it. --- unless there is a Case in Accomack Va.!!!! Have now added that to my list. In my Rev. War Project I have found the application for a pension for Sacker Bubberley and have had a copy made for you. This is not your direct line but it does show where the Dubberleys came from and when Sacker was born. All very wonderful as his sister can't be much younger than he..... Born in 1756 in Accomack Co., Va. and moved to N.C. prior to the war.

Bertie Co. Deed Abst. Vol. I 1720-25

In a John Bryan, Jr. to Boykin deed is mentioned MOYES BRANCH, and the wit. is Thos. Moye. MOYES BRANCH is in E. Pitt Co and runs SE into Broad Run which flows SE into the TAR River. (Am sending you a map from the book of Absts. - of Bertie Precinct.) . The deed was in 1723 and there is a Moyes Branch named for the family already.

**
There are Campbells showing very early in this area also. Need I say also Browns, Grays etc. Do you have the Bertie Absts by Hill and the ones by Marg. Hofmann available to you? They should be gone through very completely for all of the Moye names. It takes a good many hours to get through but, it is well worth the time if you can locate them. Marg. does a very fine book.
**Gardners also.

This is the report that should have gone out with the Will copies etc. mailed to you thursday.

Annabella 1803 (as per copy)
First will be the Beaufort Orphans Books. This set of books is the official record for almost anything. There are Wills, Estates, Deeds, Bonds etc. etc. within their bindings. The Wills are generally found in the loose Wills file, but not always. So we look up each and every reference.

Beaufort Orphans Book C. R. 009. 501. 2

Interesting that both names the Fillingim group went with the Moyes. This

Pg. 350 and 468. Dan. Campbells Estate and Will. should give you something to look about - I get back to the Moyes again.

Can hardly wait to read the 1796 and 1803 court records re: the Dubberleys.

As you can see, the clerks had a little trouble spelling Fillingim and Dubberley. Interesting that ~~both names~~ the Fillingim group went with the Moyes. This should give you something to think about until I get back to the Moyes again. Can hardly wait to read the 1796 and 1803 court records re: the Dubberleys. Hope there is something for us. I am so tired of John Cass Moye being without his parents.

See in the Journal that a Cass was secretary of war in 1830 or something like that.

Hope I can find where the Dubberleys came from. If they are related to our friend!!

Sincerely,

Betty J. Camin

Am enclosing a flyer on a new book that the Society has put out on Research. Dear Diana, is an excellent book for anyone doing N. C. Research and used with the Guide to County Records (available from Search Room, Archives approx. \$6). Have been picking away trying to prove John Cass Moye parentage since returning to work from my enforced absence. He haunts me, goes to lunch with me, attends meetings on genealogy and continues to avoid detection as to any of Alice's brother's and sisters. Why would only Alice be remembered? Think the most interesting thing I have found is recorded in the Craven At Deeds. Alice would be about 13 and the only children listed are under 10 years. Book 35 Page 81. Thomas Green to Alice Brown, Gift. 1801. reason? ---love and goodwill towards my step granddaughter Alice Brown after the death of me to Thomas Green and my wife Alice Green. With Ajax Campbell, Elizabeth Hay and Robert Campbell, grants etc. Very good.

Which is all very nice except that it opens a whole new Kettlen. A step granddaughter could mean almost anything. A dependent of the man's wife - by her former marriage, the wife of Green's grandson, etc. It (step) was sometimes used in place of in-law. This is before Alice B. marriage so it is her relation worked on this for two days and really have very little to report. Only the All that I can hope for is to find the Greens on the M. B. listing when I check.

Also yes, listed among the items given to Alice are "jewels". Wonder where they came from. If you want a copy of this, order from: Will not tell you how many hours I have spent on the Moyes the past weeks. Will bill you a flat fee of \$70. Reg. of Deeds each time and copies (only \$.25 per page. - would Craven County Court House send \$.50 plus SASE.) New Bern, N.C. 28560 Sincerely,

Checked the New Bern District Superior Court Estates and Wills for Moye, Green, Gray etc. Nothing in those records or in the Guardianship records. Time & Copies \$70.

Don't remember and haven't marked your request for a copy of Geo. M-Fanney Doubly Marriage Bond so picked that up for you - you may have two now!

The only thing that I can think of now to aid in pinning J. C. Moye is to pull the estates and wills for people like Doubly and Campbell and see if anything shows relating to him. Will pull the books on those grants that had empty envelopes. (3).

I keep looking at the family group sheet and seeing Louisa, b. 1925 and think that J. C. M. is bound to be the son of Geo. and bro of the other Louisa. Then I look at John's will in Craven and decide that he could be that man's son John just as easily.

DONE

Could the first son of J. C. M. have been Thomas Green for the Green who left Alice the items in the deed book.

Went through the Cummings, Brown and Green M. Bonds looking for a connection and found none.

Am enclosing a flyer on a new book that the Society has put out on Research in N. C. It is an excellent book for anyone doing N. C. Research and used with the Guide to County Records (available from Search Room, Archives approx. \$5) can help people like you with their N. C. search. A Moyer parentage since returning to work from my enforced absence. He haunts me, goes to lunch. There were no entries in the Craven Deed Book for any other gifts or deeds to any of Alice's brother's and sisters. Why would only Alice be remembered? Keep looking at the 1800 census sheet where you have noted the Browns. At this time Alice would be about 13 and the only children listed are under 10 years. Do you suppose she could be living with the Greens for some reason???

---love and goodwill towards my step-granddaughter Alice Brown after In the N. C. Research book mentioned above there is a section telling you how to plot out the land and how to try and fit it into the grants etc. Very good.

J. C. M. cannot be the son of the 1812 John Moyer will in Craven. That John is still young enough to be in need of a guardian. He is the son of the man's wife - by her former marriage, the wife of Green's grandson, etc. He (step) was sometimes started this yesterday and keep going back reading the info I have and now I have worked on this for two days and really have very little to report. Only the mystery of Alice's inheritance. The Greens on the M. B. listing when I check.

Also did the WPA Cemetery Records for Moyer and found nothing prior to 1830.

Dear Betty,

Got your letter today telling me about your surgery. Of course, whenever you are able to get back to my research is fine with me.

Take it easy and do what your doctor says.

I'm going up to L.D.S. library one evening here and make 2 sets of copies of everything you've sent me so far and send them to 2 people descended from John Gass.

I told you about the one from Hyatt Gray, the other is

this woman's husband descended
from number 5 child, Sida
Moye Sartwright. She sent
me a copy of a John Moye's
1812 war record, Pitt Co., we of
course don't know if this is
ours.

I hope everything turns
out fine for you, Take care,

yours truly
Nana

I

Dear Betty,

Noted the name of Harman Gaskins on Thomas Brown's state grant. I have the copy of the suit filed against Amey Brown for repayment of a loan of \$327.85 from Jesse Gaskins, 30 Dec. 1811. David Whitford filed claim.

Also Sacker? Dubberly (Doubley) with Leonard Laffin, Burton Allen, & Wm. Hargate signed a court paper in regard to Amey Brown.

I correspond with the gr. granddaughter of No. #6 on the family sheet, Nyath Gray Moyer, she lives in Omaha, Ill. ~~Ill.~~ Gallatin Co., the relatives

who have stayed right
there where John Cass Moyer
died, have his family bible.
Also is a family history
going from John Cass thru
Wyatt's line, she says John's
father was John, I think
George is just as likely.

I belong to the N.C. Gene-
society and in reading
all their journals, I haven't
come across the Cass
name, it is a mystery.

yes, do go ahead
and pull the Crown
Grants under Moyer & Moyer

Have underlined the
ones I want on the State
Grant List with Brown color.

Just copy the deeds for
Nancy, I guess.

III

I really don't know what to have copied & what not to copy. There certainly were a lot of them.

You go ahead, and lets see what else we can learn.

Oh! yes, listed in the "History of Posey Co." Goodspeed 1886 Ajaf & Abner Campbell settled in Centre Township 1818. Said Ajaf was a bachelor. Wonder if Abner was Hester Campbell Moye's father.

Well, you go ahead

P.S. The kin Thank you, in Gallatin Co., have no proof. Dear a John Cass Moye's father was John. Just heresay. Please get me a copy of George ^{marriage} Moye and Hanny Doubbley bond.

Sept. 17, 1980

Dear Diana,

Among the items I have collected for you is a copy of the 1743 marriage bond you mentioned. Didn't know if you had same or if you had read about it somewhere. Anyway, it was only \$.20.

Also copied John Moy, 1812 Will for you. Note that this is not the original, but a copy of the recorded will from a will book. Thus, the signatures are of no use to us. I was hoping that we might be able to tie John Cass Moye to a father through his sign., but the will books and the deeds have all been copied. (The buyer keeps the original deed, but, in some cases people have signed in the book also.).

Enclosed are the State Grants for all of the Moyes I could find. Especially interesting is the one for John Moye, Jr. Note that the chainbearers are sworn. This tells us that they are adults, not teenagers. Often young boys in the household or from neighbors were the chainbearers.

The surveyor is Jesse Moye. In his description of the land he mentions Luke Turnages line, John Moyes corner, said Moyes old line, George Moyes old line, & Richard Moyes line. When referring to an old line, we can be sure it was resurveyed to correct an earlier error.

The warrent reads for 200 acres and the survey shows 160 acres.

Also pulled the only Thomas Brown state grant. This time the chainbearers are not "sworn" and we can say that Harman Gaskins and Thomas Green were probably teenagers.

Sat and copied the book entry numbers for the Crown Grants. Crown Grants are those before the Rev. War. State Grants during and after and Granville Grants from Lord Granville cover both periods. There seem to be only about seven Crown Grants listed under Moy & Moye. Several for May and Mayo. Moye in Onslow, Bath, Bladen, George in Pitt, and Thomas in Chowan and Bladen. Do you wish to have these pulled?

Cass. I have yet to see the name used anywhere in any of the many things I have read. Perhaps it will show up somewhere eventually.

In the grants there is John Jr, Sr. and John. Perhaps this would account for the use of his middle name, but why doesn't he use it whenever there is a deed.

Am returning the State Grant list to you in case you want any others. Use another color pencil to underline with and that will keep me straight.

Craven Co. is difficult to do for Wills, Deeds, Estates etc. as everything was entered in one book. I have gone through all of the index lists and read everything I could. As George Stevenson says, Craven is overindexed. George is the head of the Search Room. I looked for Green, Gray, Brown, and Moye.

CRAVEN ESTATES

N.C. Estate records are rather unusual. It was the law that all persons would have an estate. Perhaps 1/4 of the people did. You could have a will and you would then have an Exor. and/or Extx. who settled your estate. If no will, then the court appointed an administrator. --for your estate.

Read through these and found nothing we did not have already from the Wills and Estates. Only difference noted was Eliz. Moye, guardian of Sarah Ann, Sally, Wm. Thomas, Elizabeth & John. Sally is usually used in place of Sarah so don't know for sure if one person or two. Guess is one.

The 1815 deed where Alice is examined at George Greens would be in the time of her pregnancy with John D. A good reason for not traveling.

Following are the years covered by the different Pitt deed books.

I have been wondering about the list you sent which you wanted copied/ Really wanted to talk to you about it. There are only two on the list where a Moy is the Grantee. Those for Nancy. The rest are where they are witnesses, former owners & adjoining property owners. Have the order ready to send if you still wish copies. Remember, the signatures are going to be copied into the book by a clerk --much to my distress.

The Campbells must be related to John Cass & Alice. Besides being their sons possible in-laws. Why else do they own property together in Craven. Hope more shows up on this.

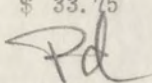

See on the marriage bonds that George Moy-Fanny Doubley bond is 1780.
The will is 1823-43 years later. Their son John could be your John Cass b.1783.
Do you have something that tells you that his father was a John?

Still have some Pitt Deeds to read and many , many other things to look into.
Do not want to go over your budget, but, can only suggest that we keep going
until we have read everything available. Will put aside until hearing from you.

In the Secr'y of State Wills as listed in Grimes book there are two Moyer Wills.

Currituck County John Moy 3 Jan. 1735 wife Annie, son, John Moy and daughter Jane Moy. Extx: Wife Annie. Wit. John Warden, Richard Bradley. Clerk Charles Craven.

Bertie County Thomas Moyer 26 March 1721, 1722. May Court 1723 Wife: Elizabeth and wifes sons, Thomas and John Phillips. Wit. Jno. Simpson & Thomas Boykin and Isabell Joiner (Joyner). Clerk Rbt. Forstar

The John Moyer - Quartermen deed is interesting. 7 pounds is nothing for that much land. And I wonder what the Wards did for George Moyer.

You may keep the Index pages. Did you know that I can read them here on film. Still think it is less expensive to order copies from the county. --will do either. Plan to look up one of Alice and John C.M. and see if he signs his name. It may help to sort out the Johns.

Have you read the other census years. I'd like copies if it is possible. Have read 1790, 1810 and 1820. Do you have 1783-5 N.C. ? 1800, 1830?

August 27, 1980 - Page 4 - Moye

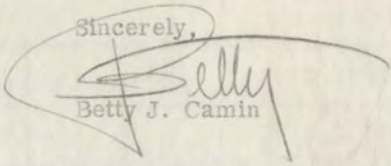

Don't know how far you want me to go trying to work this out. Have some Brown wills to read tomorrow and one for a John Moye in 1812 in Craven -- if I can find them. Have tried all possible short cuts and really feel that the only chance of proving the line is by reading the deeds and compiling from them. Please let me know if I have a limit on time or if I should go ahead.

There are a good many of the deeds listing such a small amount of money that they might possibly be to daughters.

Also note that there are deed books missing for the Rev. war period and until 1801. 16 years.

Shall go ahead and look at a few deeds tomorrow and try and find the Craven Wills. Then will wait to hear from you before working any further on the Moyes.

Sincerely,

Betty J. Camin

Dear Diana,

Went to Sec'y of State Office and did the land grants. For Pitt Co. that is. There should be more for other counties east of Pitt and if you decide you are interested let me know and I will go back and start pulling them.

In Beaufort Co., George Moy has six grants starting in 1732 and the others in 1738. John Moy and grants in 1756, 1751, and 1760. Geo. Moy again in 1760 and Geo. Jr. applied for one and never picked it up.

Mijah Moy in 1784 and 1793 and Marmduke Moye in 1793 in Craven Co.

Think the best thing to do is to send you my rough notes and then if you want me to pull any of them, merely give me the # or mark up the note sheet and send it. Note: Anytime a # begins with a O, it means that that particular grant was never picked up. On my list you have the acreage, the grant # and a word or two about location if it was mentioned on the card.

More importantly, I was browsing through the earliest Crown Grant Books and found the enclosed grant in Book 2, page 394 which puts some Moys in N.C. in 1714. I refer to the enclosed grant, but, that is not so. I copied the book entry as I couldn't find out where it should have been filed. (Co.). Will find same the first time the clerk is there and copy same.

Caused you unnecessary trouble with the Pitt Co. Deed Index. (W) is witness, (A) means adjoining property, (F) former owner, (M) means mentioned and (ee) is Grantee and (or) is Grantor. Am returning the list for you to consider and also because the deed copies have to be copied at the county. (New system). \$2.00 per typed page if they are in the old books. Order from:

Annie G. Holder, Deputy
Pitt Co Register of Deeds
P.O. Box 64
Greenville, N.C. 27834

Or, if you wish, I can read them here on the film, or I can order them for you. As you please.....OK?

In the 1714 Grant North River is mentioned. If you look on a map you will see it in the upper northeast corner of the state. Suspect that this would be in Albemarle County which was formed in 1663 and abolished in 1738. (There are 2 volumes and 1 box of miscellaneous records for Albe.).

Perhaps the Geo. Mer - Enoch Ward 1714 Craven Grantee Deed entry refers to the 1713 grant. The word used after the entry is assignment. In the Craven Precinct-Co. Ct. Minutes it reads "Enoch Ward assigns a patent for 220a. (pg. 79. on North River unto Geo. Moy. 14 Apr. 1714. Then in 1714 pg. 143 the same item with wit: George Bell, Joseph Bell. On pg. 33 Geo. Moy purchases items at the Lewis sale.

Moye- page 2

Have made note to check the Brown Deeds in Craven to see where the property comes from and who. Hoping the earliest deed for Thomas will say "from his father _____".

Think it would be best if you would make a list of priority - what you want first etc. I could spend a long time on just the Moye family checking the Sec'y of State records and all the original counties.

Wonder where Laura Foster Renard gets her birth dates. As for related people, remember that the idea used to be to keep the "good blood" in the family. The population was sparse and families did intermarry a great deal - unfortunately for a researcher.

Have finished work for this week - should be looking forward to the weekend but find myself looking towards Tues. when the Search Room is open and I can go and play. So nice Ed is willing to support me while I play !!!

Wonder where Geo. Moys Will has gone to -- Think that I will ask George Stevenson, our walking N.C. Archives Index. He never forgets a thing and just may have an answer.

Shall quit my wondering for now.

On the Pitt Deeds, - The \$2 per deed is a deposit - some of them may run more than 1 pg.

Enough - I keep going over the items we have and thinking of more that can be done.

Sincerely,

Betty J. Camin

These are the deeds I have read so far. Suggest that you look over the deed indexes and mark the ones you would like. There should be about two more books in this abstract series. Will watch for them and copy when found. These are the indexes I was working with so do return if you want me to continue. These deeds and the census records are about all you have to work with in Pitt Co.

Has anyone read the 1800 and 1810 census for Pitt ?

Planning on an outside temperature drop this week and will do Secry of State Grants then. Hot has finally worn down my output!!!

Dear Mrs. Harness -

Spent 2 hours this morning lining up the Maye families in order to line up which County John C. is records would show up in - I hope.

Am sending a formation map so that you can see what is happening. (Truly - only 25 of the 100 counties burned!)

John C. Maye of Pitt Co. appears to be yours. - Children at that time correct ages etc. (Copied all 1820 - will send later.). Gardner, Sideon + Wm. are 45+ in Pitt Co.

Have the indices for 1800-1810 also. Looked up the 1790. The John Maye of Pitt has 14 slaves + most of the others from 1 to 5. Think the only records I am apt to find will be the Deeds - which can be great BUT do take time.

If there are pages of Moge in 2
the index I would like to copy as
that is less expensive than my
writing them out. \$9.25 per pg.
Grantor + Grantee Index - then
I can pull the film from that +
read what appears to be related
Deeds. This for Pitt + Craven Co.
at least.

Are you interested in Rev. War
Records? - N.C. State Grants? -
Granville Grants - Crown Grants -
I need to know how much you
want + how much time I
may allow myself.

Will start with John C. + see
if he received the property from his
father or the state or —.

m/ol.

Dear Betty,

I guess this is all, we are trying to go back so far and there aren't enough records left or ones you can read.

I think the moye who came out of Va. was John moye, who was taken care of by Robert Davis of Lower Norfolk Co., Va., mentioned in the will of Robert Davis, dated 21 April 1662, recorded 18 July 1662., also mentioned was his brother, Richard, who was in England, having gone back over to live with his grandfather, Richard Wheeler. I think this Richard

Moye, come back to St. Mary's
Co, Maryland, where a will of
his, dated 13. Dec. 1675. Their
father John Moye was
killed by Indians.

So, I'll appreciate it
if when you do come across
anything of interest in regard
to my problem, you will let
me know.

Thank you
very much,

Diara

I Sept. 1, 1980
Mon.

Dear Betty,

Go ahead and read
the deeds.

The only info I have
on John Moye and wife is,
both supposed to have been
reared in Craven Co., he
owned and operated a farm
north of New Bern not far
from the Neuse River. He
was suppose to have sold
his farm early part of 1830,
he made his first land
purchase in Posey Co., Ind.
17 Sept. 1830.

The only thing I have
on 1784-1787, is what I got
from the book State Census
of N.C. by Mrs. Alvareta
Kenan. In Jones Co. is a
John Moye, 1 white male 21-60
yrs., 4 white males under
21 over 60, 3 white females

II

all ages. Enclosed is what I have on 1800 Census. The info I have from the "Accelerated Index", is there is no John Moye, listed in 1830 Census.

I just wonder where the name Cass came from, wonder if it could have been a Dr., not likely. My

Gr. grandfather's name was George Trofton Moye, middle name, name of Dr. in Posey Co., he was born 1849. The second child, Geo. Washington Moye is my gr. gr. Grandfather.

Well, you go ahead, we may never really piece it together, there are so many.

There is a John Moye listed on the Graves (+ Jones) Cos. tax list 1769, 1-0-0.

Also on pg. 101, W.C. S. S. Journal, Vol. II, No. 2, is

III

listd for the "Red Backs Pitt Co.

Primitive Baptist Church",
which our John C. Moyer was,
is, Asha Moyer, d. 30 Sept.
1804, (could this be the Ashe
Moyer listed in John Gard-
ner will, Tyrrell Co. 6 June
1749) John Moyer, m. Mary
Cannon, 1 June 1794, Moyer,
John, d. 26 Sept. 1804

Well, lets see what
more we can find out.

Sincerely,

Olivia Harness

Thank you

Dear Betty,

First off I'm enclosing
\$20.00 and you order the the
Pitt Co. deeds I listed, I might
as well get the ones I listed.
Let me know if you need
more over and above the
\$20.00.

No, I didn't copy any
of the indexes, please do so
for me.

I just don't know how
to advise you on what to do
first, I'm just as confused
as I've always been with
all the May(e)s back that
long ago.

Please pull the N.C.
Grants, that I have under-
lined in red.

You just go ahead
and do the research as

II
you see fit.

Thank you, extra dollar to cover cost of Moyer index.

Sincerely,
Mrs. Maxa Harness

Tues.

Dear Betty,

There sure are alot
of John Moyes, found inter-
esting the pg. with info
on moye, Campbell, &
Swaltney.

I have a copy of
the book on the "May, Lang,
Joiner-Joiner, & Williams
Families" of N.C., Pitt Co.,
by Laura Foster Kennard,
who states on pg. 37.

George Moye, b. 1722,
d. 1800 (?), married Elizabeth
Gardner, daughter of John
Gardner of Tyrrell Co. in
1743, had four children,
1. George Moye jr. 2. John Moye

3. Richard moye, 4. Joel
Moye, b. 1768 m. 1790 to
Sarah Gorden, d. 1817, I
wonder if all these are
all related.

The first moye I
have found records on is
John moye from London,
came to Va. 1637, brought
wife Dorothy Wheeler
over 1638, Lower Norfolk Co.,
Va., had two sons, John
and Richard, the father
killed by Indians 1645,

John stayed in this country
with Robert Davis, and Richard
back to London to live with
his grandfather Richard
Wheeler.

I think this was the

-3-

beginning of the N.C.
Moyes, can't prove it.

Am enclosing a list
of what I want from the
index, Pitt Co.

Hope you can
find more info for me.
yes, I do have 1800 & 1810
for Pitt. Same names.

Thank you,
Mrs. Harness

Mon.

Dear Mrs. Carrin,

I'm enclosing the money order for \$20.60 and you go ahead with the N.C. Grants, Grantor & Grantee index, Rev. War records, if any found, just hope you can trace back.

I'm just supposing, but I believe this line is from the John Moyer, who came over in 1637, died by the Indians 1645, Lower Norfolk Co., Va., had 2 sons John and Richard, Richard went back to London, Eng., to live with his grandfather, but John stayed in this

Country, mentioned in
will of Robert Davis, 1662.
Va..

Hope you have some
luck.

Thank you,

Dear Mrs. Gannin,

Please go ahead and
do the research for me.

First, these are the
records I already have.
John Cass Moyer and Alsey

Co. marriage bond and
Thomas Brown court papers,
mentioning John Moyer,
CR 028.508.16.

John Cass Moyer, suppose
to have owned a farm north
of New Bern, N.C. not far
from Neuse River, sold early
part of 1830, moved to Ind.
Problem: Tracing Moyer

and Brown farther
back with proof.

Thank you,
Mrs. James Harness

P.S.

Surnames Greene
and Gray may be
associated with Moyer.
