MR G. R. MOTSINGER, PRINCIPAL

Mr G R Motsinger has been principal of the Pilot Mountain High School for four years. Before coming here, he was principal of Staley High School. Mr. Motsinger was graduated from The Liberty Piedmont Institute at Wallburg, North Carolina, in 1923. In 1927 he received a B S Degree from Wake Forest, where he was an outstanding player on the college baseball team.

Even though the lot of a principal is no easy one, Mr. Motsinger has found time to coach the boy's basketball and baseball team.

Mr. Motsinger, capable, understanding, open-minded, and progressive is well liked by both the faculty and the student body. Pilot Mountain is fortunate to have a man of such integrity to head its school.

School Song

Long live our dear old Pilot, The school of blue and white.

And oh that we may keep those Colors always pure and

bright. To you dear old Pilot We'll pledge our hearts

Anew We'll honor love and cherish The days

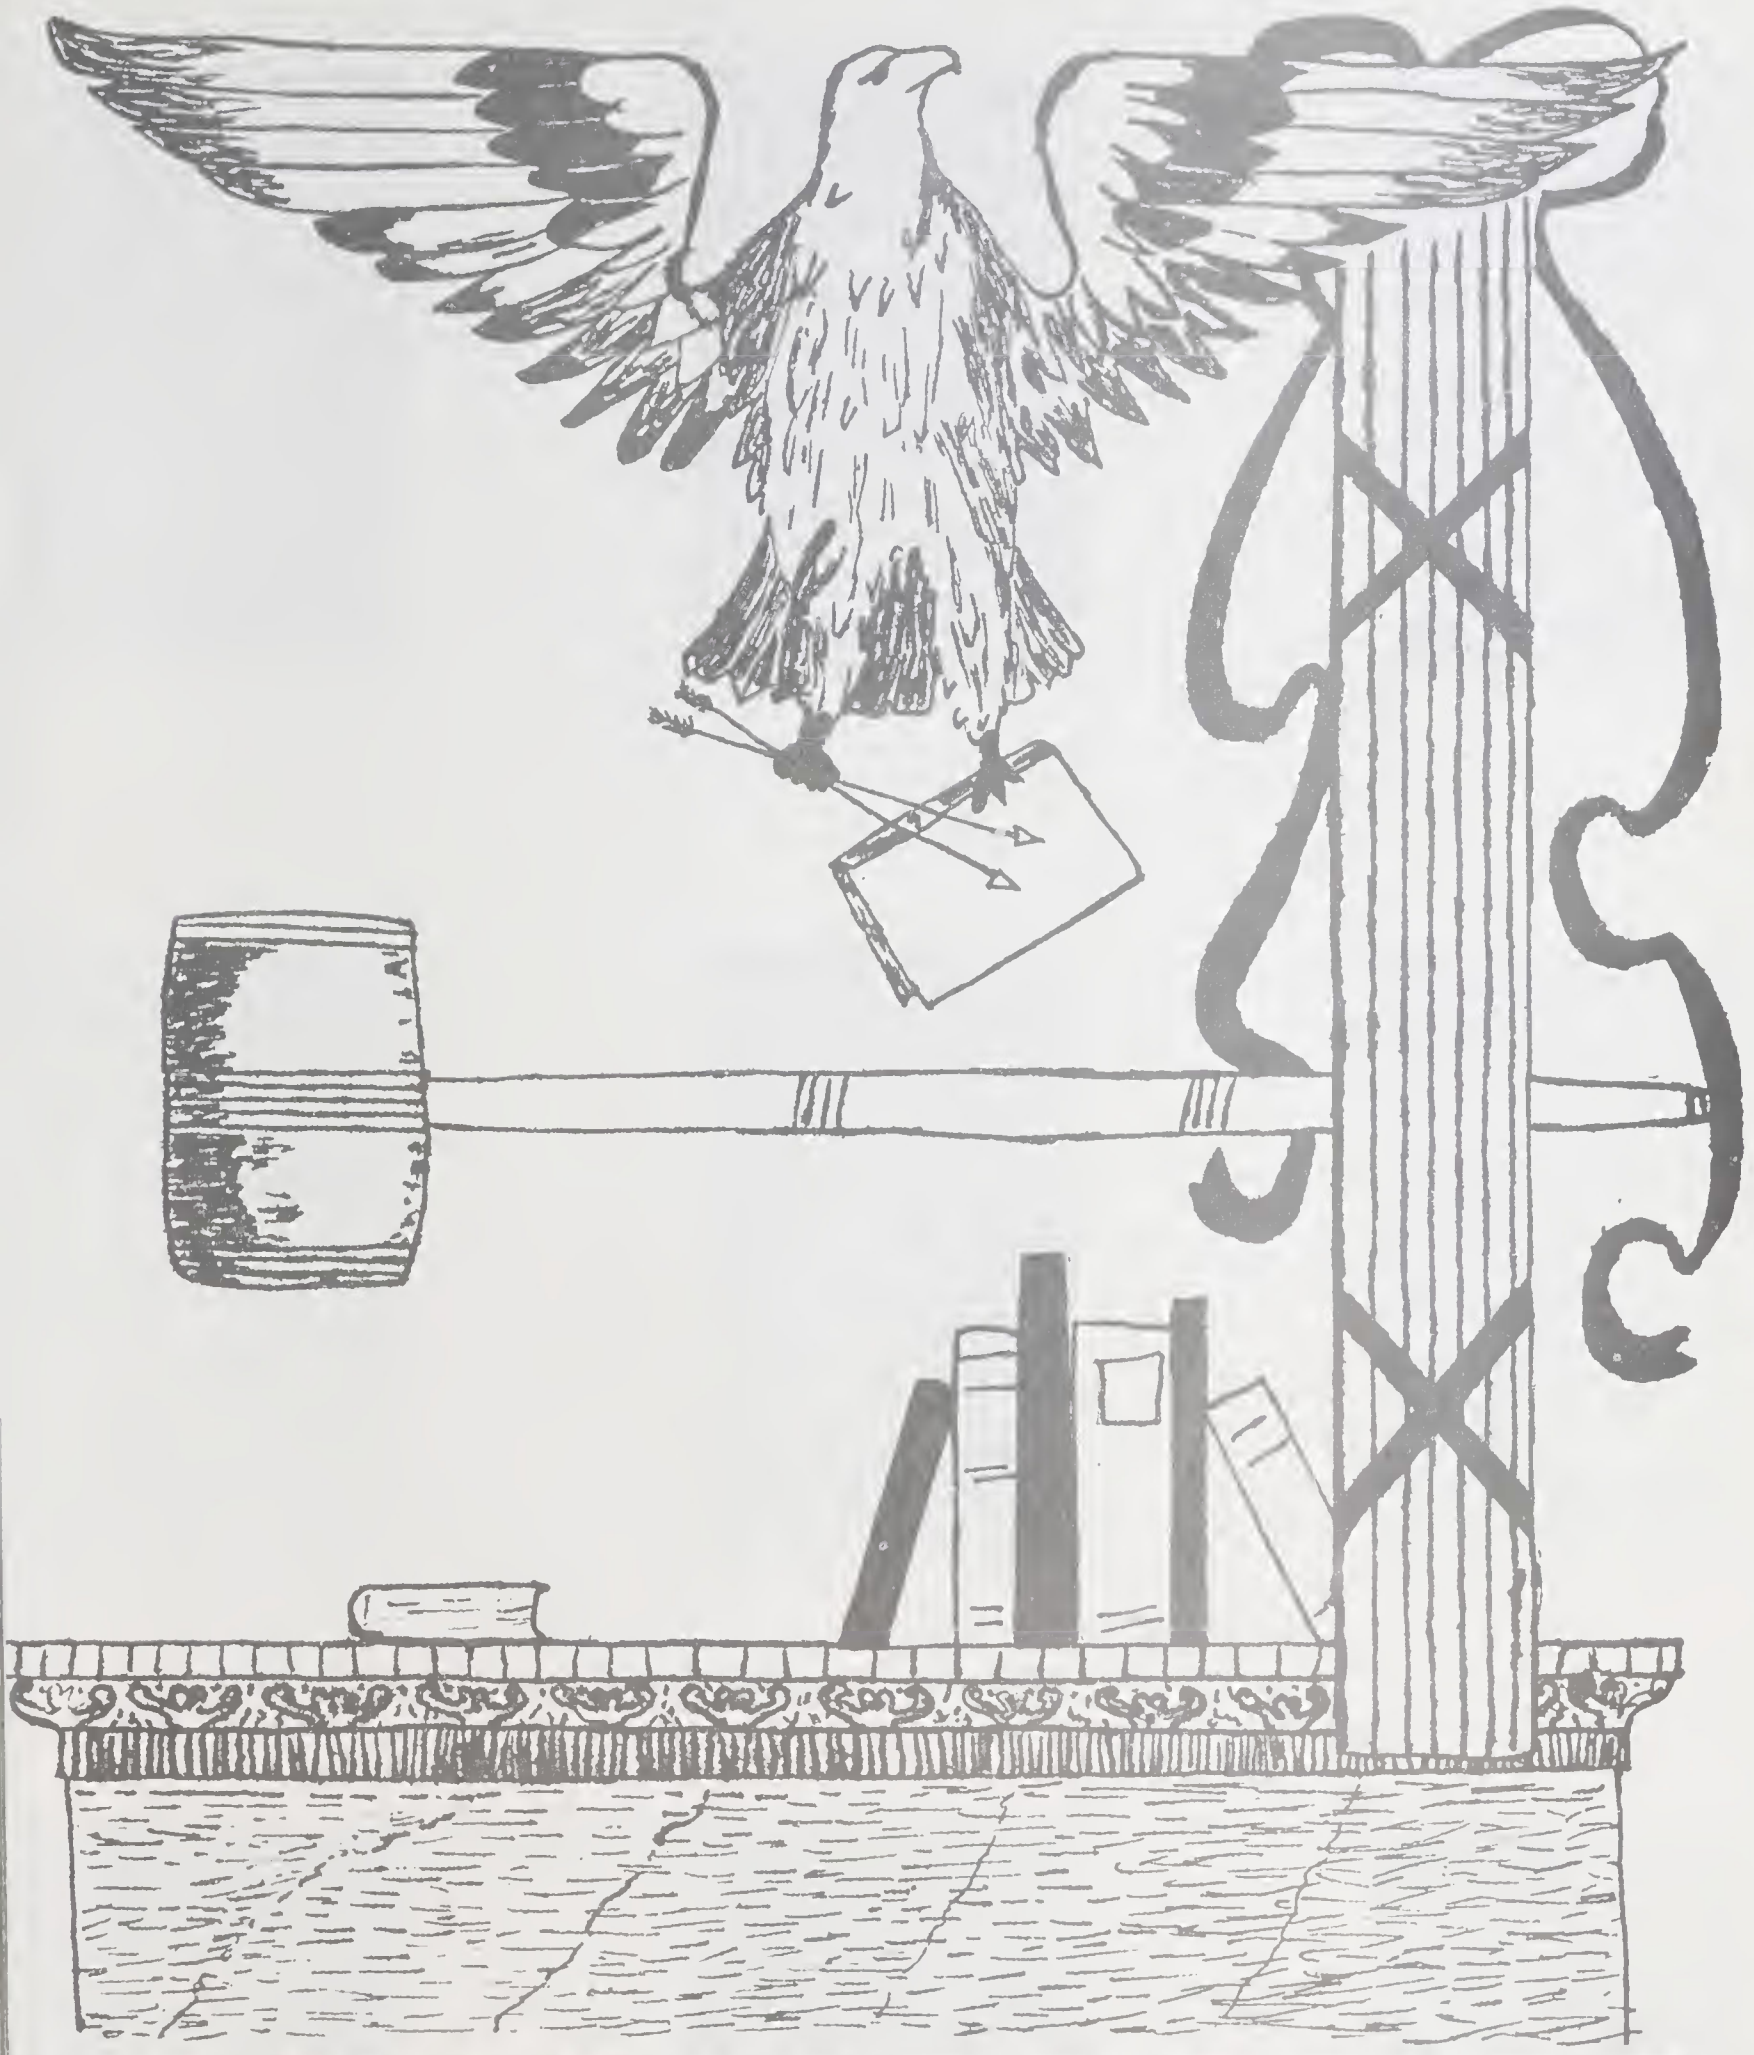

Chorus

we spent with you. The blue and white forever!

our Cry Shall ever be. And oh

that it may always stand and lead

CLASS HISTORY

The Freshman Class was first to gather in September, 1938. We have always been a large class, even now numbering about fifty. Many times we have felt that we got the worst end of a deal, but I suppose that is natural for any class Yet, we have our good times, our sorrows, and everything else that comes along

Thanks go to our teachers, who have helped us through our problems and troubles. We are eagerly awaiting our future days in high school.

SCHOOL BUS

ACTIVITIES

STUDENT GOVERNMENT

The students of Pilot Mountain are proud of the fact that they now have set up a student organization aiming to better the school in many respects, a Student Government Everybody had heard of the advantages of such an organization and was eager to give it a try.

Wishing to become thoroughly acquainted with the details involved in organizing The students wrote to various schools for available information. An invitation to visit Hanes and Mount Airy High while their meetings were in session was accepted Much useful knowledge was gathered from the two

Our high school met and nominated officers for the year. Nominees elected their campaign managers and one week was given them in which to work True enthusism was exemplified and the various antics of campaigning were demonstrated.

After a democratic voting procedure was conducted, the following officers found themselves in the coveted positions. President, J.B. Inman, Vice President, Ed Swanson, and Secretary, Joyce Mills. The Student Council was composed of these officers, along with the class presidents and class representatives

Student Government has brought about numerous changes- better care of the school building and ground, improvement of traffic in buildings, greater pupil participation and cooperation, and more efficient methods applied to disciplinary problems

With the cooperation of all students, this type of government will always succeed even when other organizations fail, for it is the guided voice of the students

4-H CLUB

Club Officers

President - Roger Needham
Vice President - Charles Fowler
Secretary and Treasurer - Lois Simmons

The Pilot Mountain 4-H Club has just completed another successful year. There are eighty-two boys and girls enrolled in the club that meets once a month in the school auditorium. The programs are very interesting, enjoyable, and educational.

Several of the boys and girls have been prize winners in the county. Lois Simmons has won National recognition for her garden record.

Mrs. Grace P. Brown and Mrs. Bess Davenport are the county leaders and are an inspiration to members in work.

LIBRARY

"There is no frigate like a book
To take us lands away,
Nor any courser like a page
Of prancing poetry!"

Many improvements have been made in the library this year. First of all the shelf list is completed and up-to date. New material has been added: a Gaylord Newspaper rack, a chained pencil card tray, a new cork bulletin board, some cellophane book covers, some sturdy oak book displayers, some attractive labled slogans, and the classification cards placed on the shelves as a quick guide to the location of books. The school is fortunate in having purchased so many good right-off. the press books, including "The Egg andI, Miracle of the Bells, and Toil of the Brave."

With the aid of her assistants, the librarian has tried to keep the library inspirational to all students so that they can be "United through Books" - a big step forward in establishing the durable peace that we so desire, for books open wide the gates of understanding.

"The world is wide, but the person with a bookcase can find there, friends from far and near. The world is turbulent, but the person with a bookcase can find there, beauty, serenity, greatness of spirit."

THE MASQUE AND GAVEL

The Masque and Gavel is made up of second year Speech students whose chief interest evolve around acting and the spoken word. The student learns that acting is the art of creating an illusion of naturalness and reality

Masque and Gavel members not only understand acting but know something about the actual preparation of the play for production, for each member produces either a one act or a three act play. Preparation of the play includes choosing the play, casting the play, making a prompt book, rehearsing the play, managing the business side of the play, and making-up and costuming the characters.

The Speech end is given much study since it is the intricate system by which people converse, transact business, and discuss problems At the end of the year each student appears in a Speech recital, at which time he gives a dramatic reading of his own choice.

In the future, Masque and Gavel members will be members of business organizations and social clubs and will need to know how to organize a permanent society and how to direct its proceedings. Thus, the students learn the essential tool of democracy - Parlimentary Procedure - and the use of the "Gavel."

Left to right - Mary R Needham, Virginia Keye, Joyce Mills, Mary L Joyce, Marie Taylor, Billie Smith, Lois Simmons.

THE FRENCH CLUB

The French Club is composed of members who are interested in France at large French songs are sung and French records are played. The Lord's Prayer is learned in French and is given as Choral Reading. Counting is simplified by the use of a game - bingo, in which the leader reads off each number "en francais" In the spring, students enjoy "hikes" at which time all conversation must be in French.

The club's motto has been changed from "la guerre totale pour la paix totale" to "La France ne mourra pas!"

FUTURE HOMEMAKERS OF AMERICA

The Pilot Mountain Chapter of the Future Homemakers of America was organized in the spring of 1946 with twenty-two charter members. The club is open to all girls who have had one semester of Home Economics. Meeting for one hour each month, the club divides the hour into time for a program, business session, and social hour.

This year the club, whose membership grew to thirty-three, selected delegates to attend County, District, and State Rallies, and some of the girls had the opportunity of attending the Future Homemakers Camp for a week in the summer.

Some of the F.H.A. girls look over the new club magazines in the living room of the Home Economics Department.

F. F. A.

The Pilot Mountain Chapter of Future Farmers of America has completed one of the most successful years in the history of the chapter. The students met with much success in all the contests that have been entered and are proud of having accomplished something that would be of value to all of them in the future.

The following officers have served this year: President, Ed Swanson; Vice President John R. Truelove; Reporter, Junior Reeves; Secretary, Roger Needham, Treasurer, Billy Carson; and Adviser, Mr. Roberts.

With their motto

Learning to do
Doing to learn
Earning to live
Living to serve

always before them, they have tried to make the club better than any other organization in the school, we think they have succeeded in doing so.

COACHES AND CHEER LEADERS

Miss Willie Lou McGee is a graduate of Guilford College, Greensboro, North Carolina, where she received her B.S. degree in Mathematics and Science. While in college, she was on the following teams each year: soccer, softball, basketball, and hockey. Furthermore she took an active part in all athletics. Hats off to her for making the Junior Varsity Basketball Team.

Miss McGee is a swell coach and is liked very much by all the girls. Here's wishing her and her team many more successful years.

Coach "Dick" Lawson, a Science and History major, is a graduate of Appalachian State Teachers College where he participated in football basketball, and baseball. After graduating from college, he coached here for two years. When the war broke out he joined the army and spent two years overseas.

Now that he is back home, he has set up a cement block business. Aside from this work, he teaches school during the day and coaches basketball at night. Pilot Mountain is proud to have Mr. Lawson as our new coach.

Mr. Lawson, a capable and an industrious man, is not only amiable to the ball players but to everyone with whom he comes in contact.

The cheering squad was coached by Mrs. Erlene G. Griffin, working with five enthusiastic and supple girls; Betty Beck, chief, Jenny Keye, Peggy Blizzard, Margie Harding, and Mary Lou Joyce. These girls served as an added attraction, since they're pretty as well as good cheerios. They always put new pep in the team and usually brought us forth victorious. The school is indeed proud of them and their fine spirit of cooperation.

Left to right - Betty Beck, Virginia Keye, Peggy Blizzard, Margie Harding, and Mary Lou Joyce.

GIRLS BASKETBALL

The girl's basketball season has been very successful this year. With a fine spirit of co-operation it has won or tied most of the games played. The score for the first games of the season are as follows Pilot Mtn. 29, Nancy Reynolds 25; Pilot Mtn. 19, White Plains 18; Pilot Mtn. 34, Francisco 27; Pilot Mtn. 42, Hanes 16; Pilot Mtn. 27, Gray 17; Pilot Mtn. 20, Flat Rock 20; Pilot Mtn 33, Yadkinville 22; Pilot Mtn. 33, Beulah 6; Pilot Mtn. 31, Franklin 28; Pilot Mtn 39, Franklin 27; Pilot Mtn. 36, White Plains 13; Pilot Mtn 31, Mount Airy 47; Pilot Mtn. 24, Flat Rock 22.

Last year the team went to the finals in the Surry County Tournament; to the quarter finals in the Yadkin Valley Tournament, and to the semi-finals in the Journal and Sentinal Tournament.

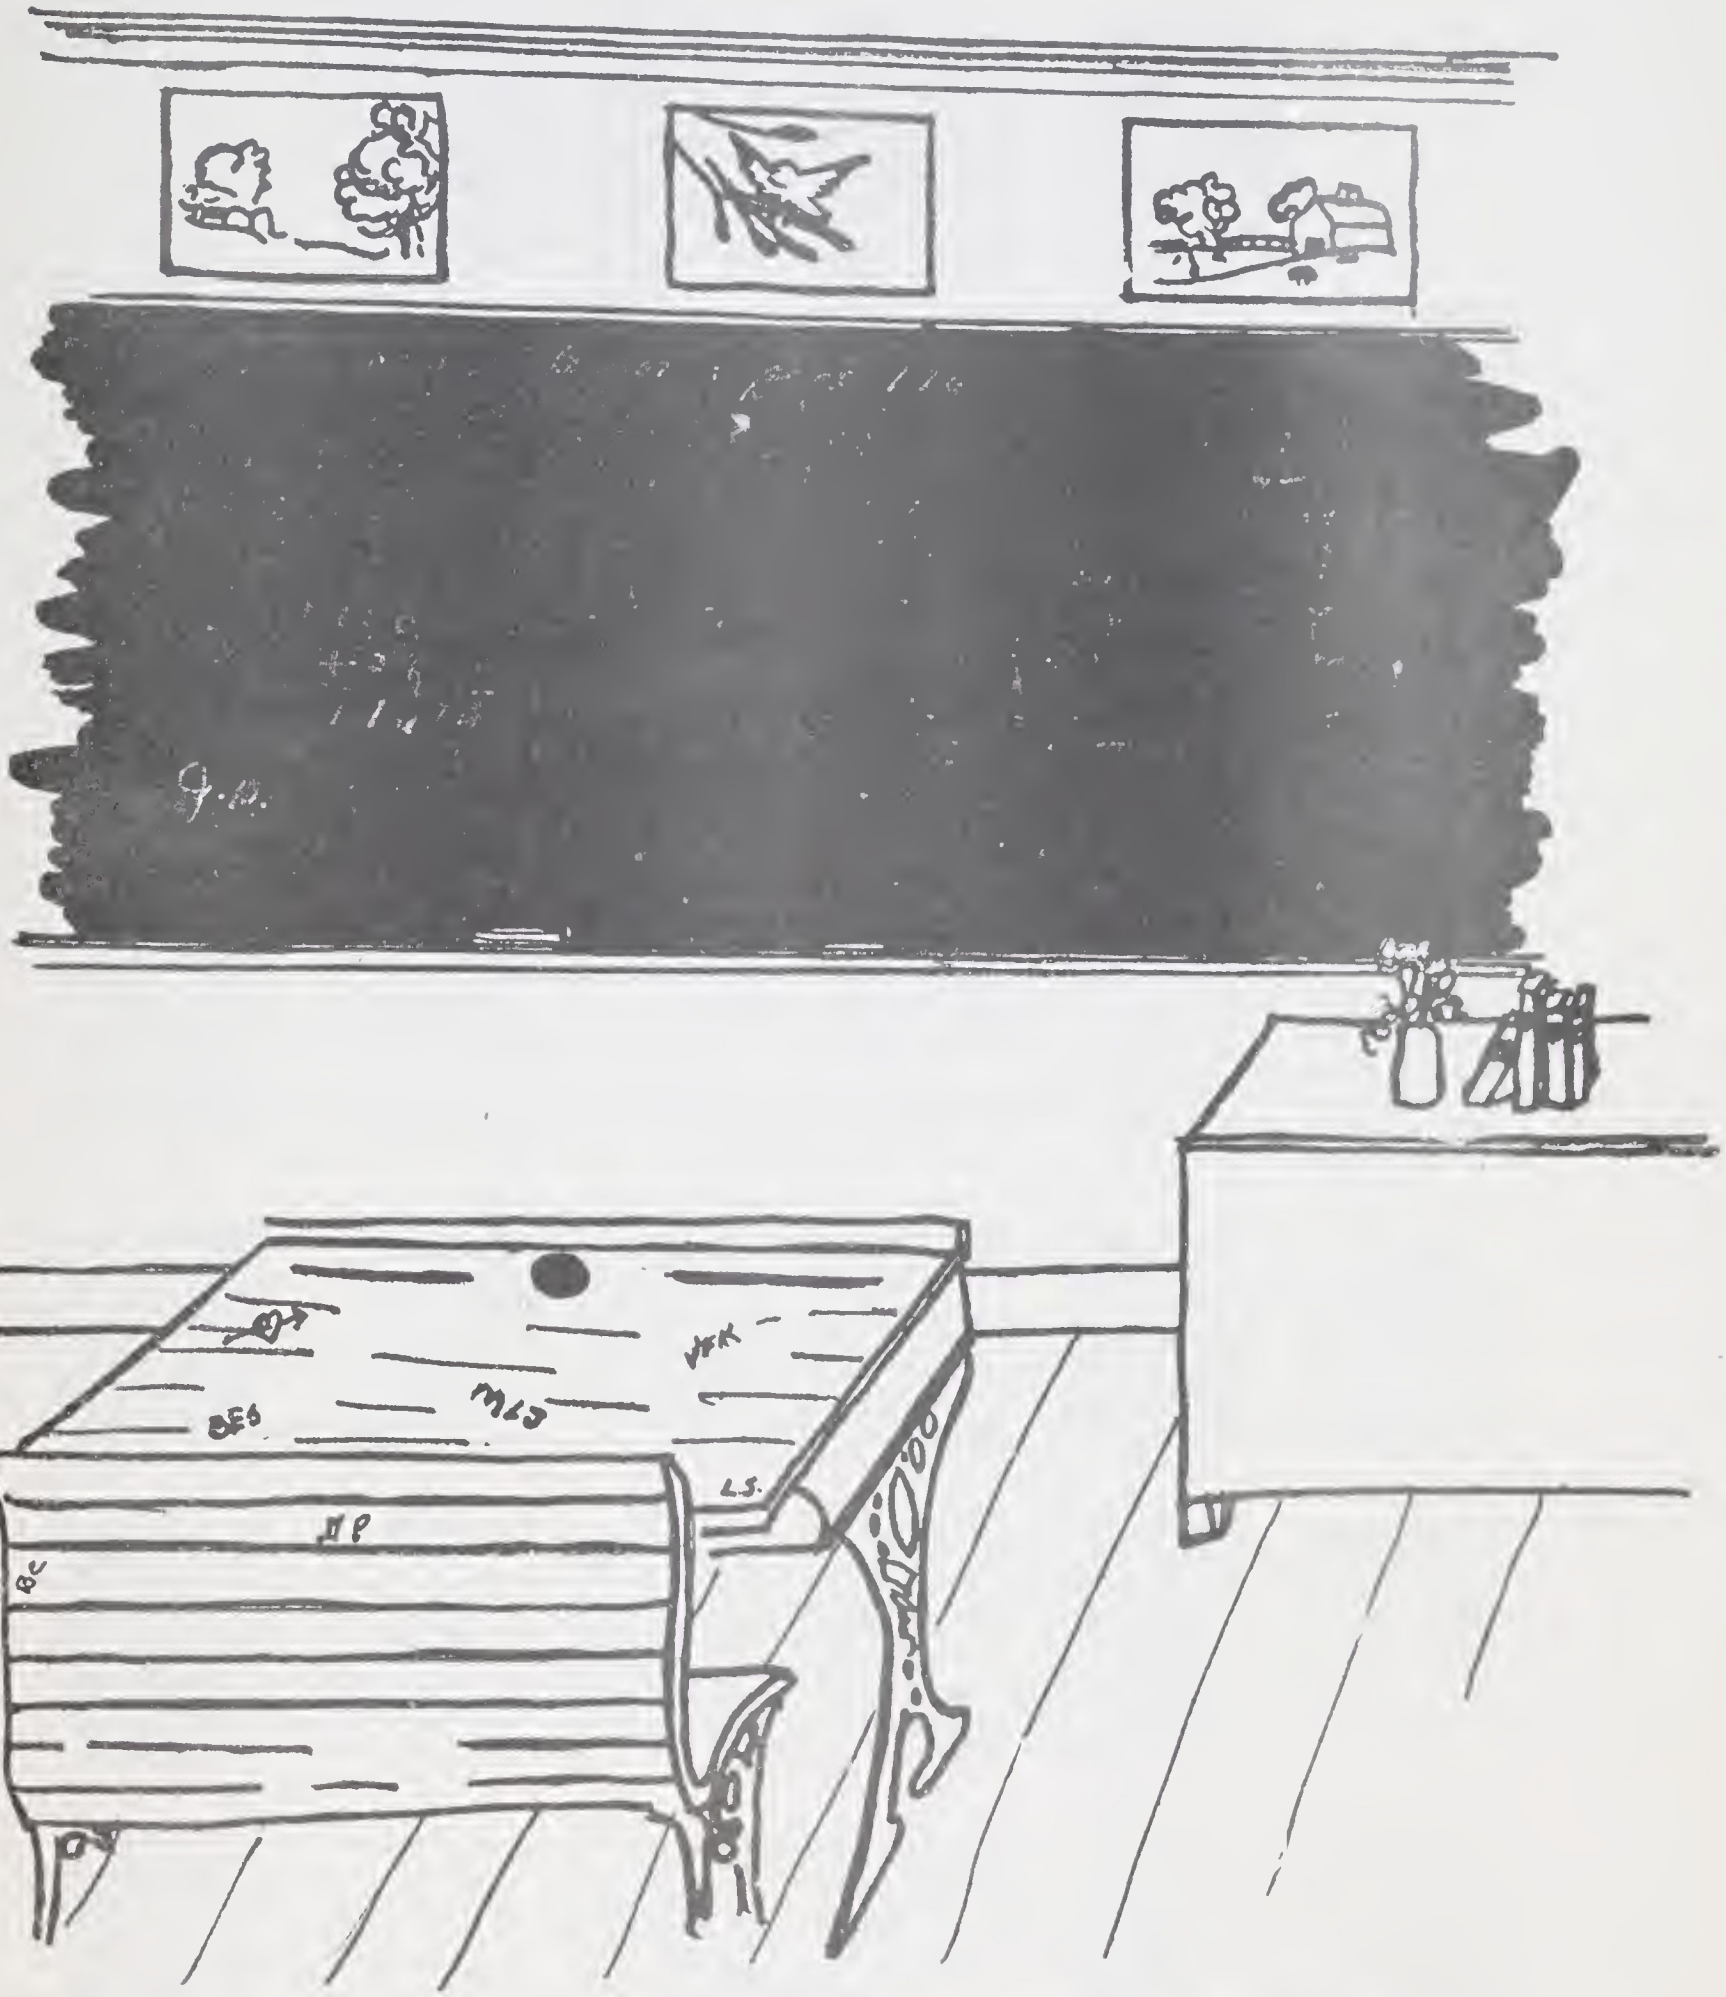

First row left to right - Betty Jane Keye, Billie Smith, Lois Simmons, Marie Tucker, Doris Inman; Second row, Jeanne Reid, Carole Keye, Lorene Needham, Clara Sams; Third row, Sue Fulk, Bobby Burge; Fourth row, Miss Willie Lou McGee, Janie Simmons, Jack Sams.

BOYS BASKETBALL

Basketball is the number one sport of Pilot Mountain. The boys' team has an outstanding record, especially for the past two years. Under the skillful coaching of Mr. G. R. Motsinger, it captured the Yadkin Valley title two years straight. The competition was stiff but with determination, good sportmanship, and team work it brought back the laurel. For two consecutive years, the boys have taken the Surry County title. Reaching the semi-finals in two other major tournaments, The State Class C and The Journal and Sentinel, the team was especially proud of the splendid playing done by two of its boys, "Buck" Simmons and Dick Patterson, who made the "All Northwest."

Pilot Mountain is happy that the boys have come through the season victorious. The pages are now closed until next year when everyone will eagerly await the Blue and White on the floor.

First row left to right - J. B. Inman, Norman Gordon, Buck Simmons, Dick Patterson, Frank Badgett; Second row, Jack Wilson, Bernard Golding Carl (Moose) Brinkley, Ed Swanson, Bobby Carson, Charles Fowler, Roger Needham.
