Pastor Begins Third Year

This Sunday marks the completion of the second year and the beginning of the third year in the ministry of Reverend Kenneth B. Wilson as pastor of First Baptist Church. During these two years, Mr. Wilson and his family have endeared themselves very deeply in the hearts of those who have been blessed by their presence and leadership in our midst. In a very real way, Rev. Wilson's ministry has extended beyond the Church into the community where he is recognized as an outstanding Christian leader and example.

On this anniversary, we congratulate Rev. and Mrs. Wilson, Beth, Cathy, and Kenneth, Jr., and covenant together as a church family to continue to support this family in our prayers, and to especially undergird our Pastor as he begins

Musical Notes

"I AM YOUR HYMNAL"

I spend my days in the rack in front of you or on the seat beside you and I am always at your command.

When you reach for me, I am always there, ready to open at your will

By the mystery of the printer's art, I have shared the wisdom and the ideals of the ages and hold them in store ready to let them leap, at your will, from the pages to nestle in your responsive heart.

The beautiful vision of the poets, the heart-throbs of the mystics, the dreams of the prophets and the constructive purpose of the special pioneer—all these are mine--to be made yours.

Men of our faith, and those of other great faiths, broaden your life as they speak to you through me.

By the strange art of printed signs and symbols, great music has been captured as it overflowed the souls of the musicians of all times and is released from me to tremble in the air about you and enter your life.

I am your Hymnal.

-- Percy R. Hayward

LAMENTATION

Pictured above is the Multilith Offset machine recently purchased by the Church and perhaps inappropriately named "Lamentation." We say inappropriately named because it is not the machine that has been lamenting, but rather the secretaries and Minister of Music as they have been attempting to become "master of the monster".

In all seriousness, the purchase of the machine is a tremendous asset to the Church. The weekly Newsletters, Church Bulletins, as well as periodic information that is sent to the Church family is reproduced on this machine. The purchase of this machine meant an initial capital outlay, but through the next few months of use, the Church will save a great deal of money on printing and reproduction costs. We are most grateful, indeed, for this machine, and dedicate it to its specialty in the total ministry of the Church.

Thanks, Mt. Airy News

A special word of thanks is expressed by the Church Staff on behalf of the entire membership to Mr. and Mrs. James Johnson and the other workers at the Mount Airy News, who, often at great sacrifices, printed and prepared the weekly Newsletter and Bulletins. Their unselfish assistance, along with their expert advice, enabled the Church to be more effective through the printed word. As well, they have been of great help through suggestions and direct assistance in the establishing of our new printing machine. Thanks, Mount Airy
