Dear Henry Wookler.

Think you for your grout book Day of the Iguana, Homor, excitement, nouble. But -- this is what control our about your book. I want to thank you; the book changed my life. It let me know that I am not the only person in the world who has dyslexin and who got in trouble in grade school. Hank is the greatest! A lot of what he does, I do, especially fixing things, I see up VCR's and cable boses, and toys, I thought I was a real mechanic even though I mostly tore up more than I fixed.

Your book has helped me staling that I face abullenges and have to deal with them differently from other people. My whole family has your book, and you have helped all of us understand what it is like to be different. You humor made a difference in how I look or myself after being diagnosed with dysletia. A lot of the stuff Hank has done, I have done, also, I hope your book continues to impire and transform, I want to personally tell you that it lad really changed my life and that of many others as my family.
