Modern home financing

Workmen's Federal Savings and Loan Association specializes in the modern plans of financing homes—by the Monthly Payment Direct Reduction or F.H.A. mortgage loan. Each payment applies a lower amount to interest and a greater amount to principal, eventually resulting in the ownership of a debt-free home. Inquiries will receive immediate and friendly attention.

Insured savings

Workmen's Federal Savings and Loan Association offers each savings investor the protection of an INSURED account up to \$10,000. In certain cases this insurance protection is available up to \$30,000. For example, two people have separate accounts of \$10,000 in each individual name. They may also have a joint account issued in both names for an additional \$10,000, thus a total of \$30,000 would be fully protected by safety insurance.
