Grid Warmup

— by —

Scherer James

With both revenge and victory on their minds, the Mount Airy Granite Bears battle the Golden Dragons of Hanes High School in AA conference play tonight. Last year's game at Bowman Gray Stadium ended with the Bears on the short end of a 13-7 score. The Dragons, however, have never quite forgotten the 90-0 defeat that the Bears handed them over ten years ago. Foes and fighters to the end, these two teams always provide plenty of fast action on the gridiron whenever they meet.

The Granite Bears enter tonight's game fresh from a 14-0 victory over the Griffith Panthers. Senior letterman Alton Watson scored the first touchdown, his second in three games, on a plunge from the one-yard line. Co-captain Frank Lowry went over from the three-yard line for the second six points. Richard Kelly made both extra points count. In all three meetings of these two teams the Bears have defeated the Panthers and held them scoreless.

"I'm not going to praise the boys after that game with Northwest," said Coach Charles Atkins at a pep rally before the Griffith game. He added, "They'll have to show me how good they are." Last Friday the Bears proved that they can play a forceful game. Coach Atkins called the game a good team effort. The Bears will be fighting to stay in the winning column for the rest of the season. The conference record shows 1 win and 1 loss for the Mount Airy eleven so far. Tonight's game may be the deciding factor.

Showing good teamwork, Coach Shelton's junior high school football team defeated the Franklin junior varsity 14-0 last Friday. Charles Mayberry scored the first touchdown and also ran the extra point. For the second touchdown Alfred Arnder carried the ball. J. W. Sumner, 85 pounds of human dynamite according to Coach Shelton, made the extra point good.
