

Mrs Lamin

Thankyou for all your help and effort about Jacob Eures ancestry.

The wills did not ~~reveal~~ reveal any info on what I was looking for, I will investigate other sources I've got as much information about a certain Jacob 1800 1806 1806, 1811 1819-24 1828 to 1844 so

this information states that a Jacob was the property of Christopher Riddick I willd to his wife who remarried a Gatlin, I've been told by older relatives that the Gatlins are related so this may be my next direction the wills of Christopher Riddick or Gatlin line

Thankyou Woods

Dear Woodrow-

I wrote you a note asking how much time I could have to work on your genealogy problem, but, have not received an answer and found myself ready to start. I have gone ahead and given you three hours of my time.

Do you want me to go further than Gates Co.? It would appear to me that the family names of Levi Eures family are enough like those of Joseps family to suggest to me that this is definately the correct owner -- as per your information.

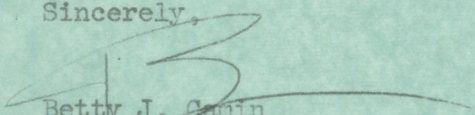

In doing the estates, I only recorded those in which there was mention of sãlves.

In the 1811 deed book Charles Eure willed his son Levi Eure a man named Jacob. At the Piney Grove Church in 1828 Jacob of Levi Eure was baptised....and made a charter member. Unless you have reason to suggest otherwise, I would say that these two men were one and the same and that Jacob was baptised as an older person, not as an infant. Let me knew what you think.

I did the census work in order to try and get a picture of the family. You get the report of it as it is just as easy to type it into my little Tandy-100 as it is to read the material.

Enjoy - and I'm sorry that I havn't found more at this time.

Sincerely,

Betty J. Camin

Hello Mrs Camire

I am a member of the Yates Co. Historical Society and for the past year and a half ~~and~~ the work by professional genealogist like yourself has gained my total respect through my frequent contact in the search for my ancestral background. I once read a published book that stated "many blacks could not research their genealogy past the 'Civil War'" well with the help of the society I have gone back as far as 1828 with precise accuracy. I have now run into a stalemate and I would like to engage the services of a expert of your caliber at whatever cost you deem accurate here is my situation.

Its recorded in 1811 that in Deed
book 10 Charles Eure willed to
his son Levi Eure a man named
Jacob, at the Piney Grove Church
In 1828 in the Reynoldson Township
Jacob of Levi Eure was baptised
and made a ~~charter~~ member, I would
like to know if the 1811 Jacob is
the father of the 1828 Jacob of
Levi Eure's father and who is
his mother? So far I have not
found any bible records or
family records of Levi Eure and
I heard the will are held at the
Archives in Salisbury, this take's
personal investigation and I live
in Phoenix Arizona, I am attempting
to publish a family book and many
of my mother's sisters are in their
80's 90's and only one of her great
Aunts is alive 100 years, Annie Ballard
Williams of Eure, North Carolina so
time is important for that fact alone

Please reply if you are available
to research this information for
me price is of little concern and
if your schedule is full, are there
any other local sources available?
