The Candidates & The Issues --- Election '84

*Dennis W. 'Bud' Cameron
Register of Deeds
Lever 45C*

Mt. Airy Resident. Graduate, ASU. Former Teacher, North Surry High School. Married to Vickie Dobbins; one daughter, Mary. Presbyterian; Associate member Franklin Heights United Methodist Church. Sunday School teacher 14 years. Lay Speaker. Past President, Kiwanis Club. Past District Governor of Piedmont District of Ruritan National. Past President, Surry County Historical Society. President of Ruritan National Foundation. Chairman, Surry County Committee for Americans 400th Anniversary. Treasurer, N.C. Association of Registers of Deeds. Register of Deeds since 1976. 1980 Jaycees' Distinguished Service Award. Modernized recording methods; office ranks among most efficient in state. In past 4 years, turned over \$100,000 plus above office expense to the county...helping to keep the tax rate low.

"Any task worth doing is worth doing well. Come to your Register of Deeds Office to see what has been done and what is being done. You will be pleased. You will be reassured. You will be proud, just as pleased and as proud as we are.

"Your Register of Deeds Office is a pleasant place. We try to serve you promptly and we hope you regard us as your friends.

"Thank you for your confidence. If there is anything at all you feel can be done to improve the quality of service in your Register of Deeds Office, please let us know. And please mark your ballot again for me. I'd appreciate it."

-DENNIS W. "BUD" CAMERON

ENDORSEMENTS

Bud Cameron has proven himself to be an outstanding Register of Deeds and all who know Bud know him to be a gentleman. We are fortunate to have one of his ability serving as Register of Deeds. I wholeheartly endorse and recommend the re-election of Bud Cameron.

Charles M. Neaves

In all phases of public work, cooperation is a chief factor in evaluating success. Bud Cameron and his staff have given efficient and courteous service to the people of Surry County, and have cooperated with all agencies of government over the past four years. They merit your support in the November election.

David J. Beal

Bud Cameron has done an outstanding job as Register of Deeds. The people of Surry County can be proud of the quality of service and the efficient operation of the office under Bud's capable leadership. I wholeheartly give my support and endorsement to Bud's efforts for re-election.

June G. Snow

In the November 4th election, I support Bud Cameron for re-election as Register of Deeds. During his term of office, great improvements have been made in the Register of Deeds office. I work in the office daily and know this is true. Bud Cameron is efficient, courteous, dedicated and I urge his re-election.

Charles L. Folger

No public servant is more determined than Bud Cameron to do a good job and no one is more effective, nor more professional in his work. Bud Cameron is the kind of person we should want to have in public office. He has earned our respect and deserves our support.

Carroll F. Gardner

Bud Cameron is a man of dedicated purpose, unquestionable integrity and high ideals. He has demonstrated, without question, that he can execute those responsibilities accorded to the office of Register of Deeds with efficiency, dedication, and concern. Let's support him again in 1980 to insure continued progress!

Beulah M. Perkins

Under Bud's leadership, the Register of Deeds office has remained self-supporting while at the same time many improvements have been made. As a county commissioner, anxious to keep the tax rate low and still provide quality services for the county, I appreciate Bud's fiscal responsibility. Bud is a gentleman and I wholeheartedly endorse him for re-election.

ReElla M. Ball

1980

Re-Elect

Dennis W. "Bud" Cameron

Register of Deeds

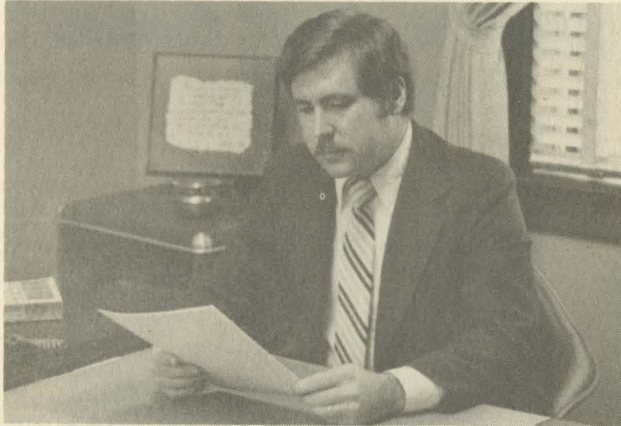

Bud, Vickie and daughter Mary Irene

Four years ago, you gave me your vote of confidence and I became Register of Deeds. I've committed myself and my energies to trying to serve you well. On November 4th, I again ask for your support trusting I have earned your continued confidence.

Dennis W. "Bud" Cameron

Bud Cameron is a good man, doing a good job, working for you. He needs your support on November 4th.

Bud Cameron is a quiet, friendly professional dedicated to his work. Bud has made many improvements in the quality of service the Register of Deeds office renders to the people of Surry County. Improvements include conversion to microfilming, data processing-indexing and consolidation of record and index books. All of these improvements make it easier and faster in locating documents. Recording an instrument (deeds, deeds of trust, etc.) requires only minutes and the original is returned while you wait.

Bud is personally knowledgeable of all services required of the Register of Deeds office and he works along side the members of his staff.

Bud's office is self-supporting. No tax money is used by the county to operate the office. In fact, in the last four years, Bud has turned over to the county in excess of \$79,000.00 above office expenses. In addition to that, Bud has cut his budget request from last year. He has increased the efficiency of the office and done his part to keep the tax rate low.

Bud believes that the public expects fiscal responsibility.

Records from 1771 are kept in a large fireproof vault and are arranged to promote maximum access and use. Three microfilm viewers and copiers are available to the public and these are easy to operate.

Bud busy at microfilm station

Microfilming of records in the Register of Deeds office is nothing new. Forsyth, Stokes, Wilkes, Iredell and Rowan are counties in our area that have microfilm systems. Bud became convinced that microfilming was the way for Surry County to go for the following reasons. (1) Microfilm save space, eliminating the need for additional space in the future; (2) It is more efficient for customer use; (3) It saves valuable staff time reducing the need for additional personnel; and (4) It provides the county with a security copy of good quality should some damage or loss occur to existing records. These are sound reasons and the microfilm system has been well accepted by those who have used it.

When Bud Wins We All Win

Bud's staff, (left to right) Carolyn Comer, Josephine Hardy, Bud, Rachel Long & Joyce Gillespie

Bud has carefully assembled an excellent staff. Each and all greet customers cheerfully and courteously. It is Bud's aim and purpose that each citizen's visit to the office of Register of Deeds be a pleasant experience. Efficient and prompt service is the hallmark of this office and something our citizens have a right to insist upon.

Our people can take pride in their Register of Deeds office and can be assured that this high quality of service will continue if they vote Bud Cameron on November 4th. (Position **38B** on the voting machine.)

Here is a man you can be proud to vote for.
