WHITE PLAINS ELEMENTARY SCHOOL
Mount Airy, North Carolina

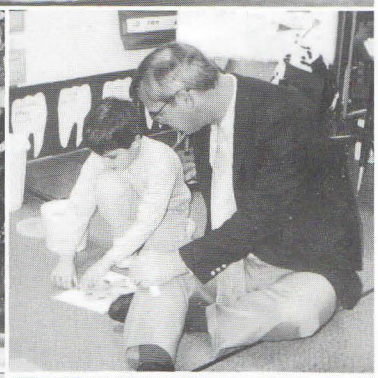

BILL HALL

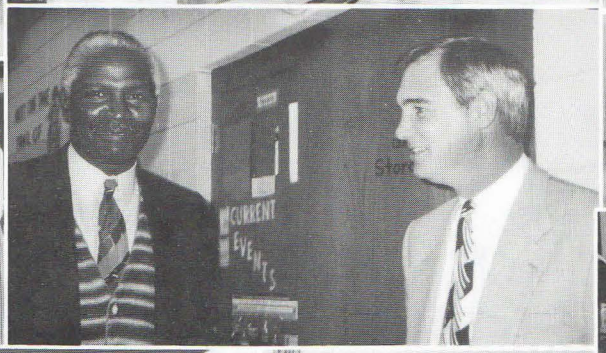

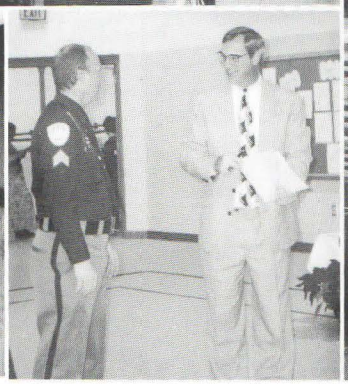

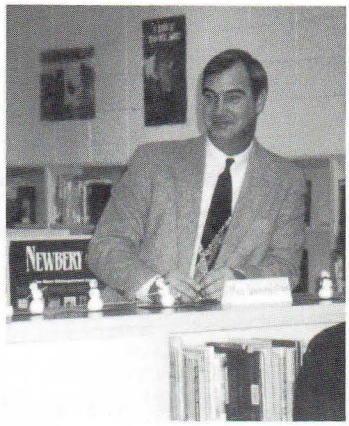

Dear Students:

It has been a pleasure to work with you this past school year. Your smiles, attitudes, and hard work give joy to our teachers as they watch you grow and develop into young ladies and gentlemen. White Plains is an outstanding school because of you.

I have high expectations for you as students and very much appreciate your efforts to reach our educational goals. School must be a learning experience and I certainly hope you have taken advantage of the instruction offered by your teachers. Our staff has created a learning environment which should be both profitable and enjoyable to all. I hope you understand that learning is FUN.

Our 6th grade has been a great class and I wish you the very best as you leave White Plains and enter middle school life. I hope your experience at White Plains has prepared you academically and socially for the coming years. White Plains will always be your home. The memories you have made will last forever as will my memory for you.

To those students who return next year, I look forward to seeing and working with you again. Together, we will continue to make White Plains the very best.

Have a great summer. I look forward to seeing you soon.

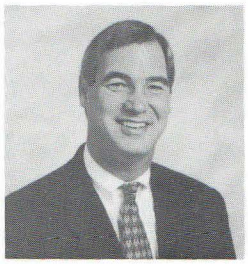

Sincerely,

Bill Hall

Reading Is Fundamental

Lu Ann Loy and Harriet Atkins personalize each child's book after selection.

Three times per year each child has the opportunity to select a book to take home and keep. By doing this we hope that we are helping to instill in them a love of reading.
