Report on Foreign Missions

We are passing through trying times. For several years the financial and industrial world has been tested to the limit. Practically every issue of the daily press gives an account of man's failure—banks have closed their doors, factories have ceased to operate, railroads have gone into the hands of receivers, stocks and bonds have reached a low level in prices and even municipal, state and the national governments are staggering under the strain of meeting their obligations.

The failures and disappointments of the past few years are nothing more than a process of discipline through suffering by which God will bring us to our senses. Generally speaking, we have forgotten God. His church has neglected its duties. Our people have been pleasure mad. The evangelizing of the world has suffered for lack of workers and funds. We have been on a prodigal Son lark.

Many of our missionary Baptist Churches are missionary in name only. Some of the churches of this Association do not contribute the value of one stalk of tobacco to send the gospel to foreign lands. Can we expect God to continue to bless us when we persist in neglecting our duty to Him?

It is high time that we as Christians should do as the Prodigal Son did—come to ourselves, arise and return to our Father's home with the avowed determination to fully discharge our duty in evangelizing the world.

The report of our Foreign Board shows that the Southern Baptists have 417 missionaries on foreign fields and 2305 native workers. These men and women are serving 2651 churches with a membership of 177,196. The additions to the churches in foreign fields last year were 18,605. Now glance at these figures and they will readily reveal the fact that this is an average membership per missionary of 427 and average addition of 44 for the year. How many churches in this association, even with all of our advantages, have added 44 members during the past year?

This was the best report in the history of our foreign work even in face of all the handicaps. We are familiar with the distressing financial conditions of our Foreign Mission Board. You have been advised that several missionaries have been recalled and other fields must be closed unless the Baptist churches of the south rally to the cause and furnish the finances.

The foreign Mission Board has reached the place where it must have immediate help from Southern Baptists. Our missionaries are out on the fields and cannot lay down the work. We must furnish the money on which they are to live and operate. Under present conditions our Board cannot borrow additional funds. May every Baptist of this association fully appreciate the serious condition our Foreign Board is facing and then act immediately and adequately as God directs. Man's endeavors may fail but God's cannot.

L. B. Pendergraph

Report on Sunday Schools

We are indeed thankful that the time has come when we no longer need to stress the importance of the Sunday Schools in our church life. It is a most generally conceded fact that the Sunday School is one of the most important departments of the present-day church. We are now heeding the advice of the old preacher Paul to the young preacher Timothy—"So as to learn to show ourselves to be approved unto God, to be workmen who need not be ashamed."

The pastors of all our forty-nine churches in our Association should stress the importance of all-the-year-round Sunday School, because such a school keeps us from letting-up in our Bible training.

The urgent need of our Sunday Schools is better trained teachers. Our public school system requires teachers to hold certain degrees, and our Bible school system should not require less. If any church in our Association is not equipped with a Sunday school leader capable of teaching training classes, help could be obtained from our State Sunday School Board. This will, more than anything else, help our Sunday School on it's road to success.

Old Minsters Relief Report

Of all the people that should not be allowed to want or need for the necessities of life are our aged and infirm Baptist preachers who have made great sacrifice in order to carry the gospel to those in need of salvation.

First Corinthians 9:14 teaches us that those who preach the gospel are worthy of our support, and should be amply cared for.

The Relief and Annuity Board was organized about 13 years ago. Its purpose is to provide funds for aged and infirm preachers.

Its source of funds are derived from individual gifts and three and one half cents out of every dollar contributed to the co-operative program.

Baptist should be proud of the fact that the interest in providing for the needy preachers is growing.

State
Report on ~~Home~~ Missions

From the very beginning of the organized life of North Carolina Baptists, State Missions have held a large place in thinking and planning of our people. One of the primary objects in the minds of our fathers in the organization of the convention as stated in the first article of the constitution adopted at Greenville in 1830, was to employ missionaries within the limits of this state. But because of indifference and hard times this great object with all others have been empaiired, and we believe that this work can be put back on foot and as for the Surry Association we recommend that every church take a special offering for State missions and praying God's blessings on all our work.

Respectfully submitted,

Report on Home Missions

“Be strong and of good courage, fear not, nor be not afraid of them; for Jehovah thy God, He it is that doth go with thee, He will not fail thee nor forsake thee” Deut. 5:6.

“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost; Teaching them to observe all things whatsoever I have commanded you; and lo, I am with you always even unto the end of the world. Amen.”

With an abounding faith in the promises of the Lord contained in the above scripture and others of the New and Old Testaments, the Home Mission Board was organized in the year 1845. During the eighty-seven years of its existence it has enjoyed the reputation of having a record of achievement unsurpassed by any organization in the world.

During this period of time the Board employed 41,062 missionaries. These missionaries reported as a result of their labors 785,500 baptisms. They organized 8,570 churches. These 785,500 baptisms represents one fifth of the total membership, at present time, of southern Baptists. These 8,570 churches organized by the Home Board missionaries represent one out of every three of total number churches Southern Baptist now have. The Board received and expended in its work for this period \$20,500,000. Millions of dollars of this money were spent in the erection of churches and other enterprises, and yet based on this total, the 785,500 baptisms reported by missionaries of Home Board cost on an

average of only twenty-five dollars each.

From year to year the Home Board has balanced its budget with its receipts. It has also lived within its income. To do this it has been forced to reduce its work each year. At the annual meeting of the Board May, 1931 the budget was fixed at \$412,880. After providing for interest and the principal on its indebtedness \$162,880 was left for the current work of the Board including administration. Although the receipts of the Board were many thousand dollars less this past conventional year than they were for the year before, yet, due to the care exercised by the Board in balancing its budget at the beginning of the year the Board has lived within its receipts and has also paid a creditable amount on the principal of its debt. The above administration in this achievement has been no little undertaking.

Through the statistical reports we find that God has wonderfully blessed the faithful service of our missionaries during the year for they report 1,574 baptisms as compared with 1,543 last year. Our school and Good-Will centers, including the Seaman's Institute and the Rescue Mission, report 1,944 conversions, making a total of 2,618 that have been won to Christ the last year.

The work of the Home Board embraces a large field of service. It has established schools and Good-Will centers among foreigners, churches and missions among Indians, negroes and deaf mutes. It also has Rescue missions for the distressed, Institution for Seaman, Mountain schools and special missionary among the Jews, Church Extension department and other activities.

Space forbids going into details of the work of the Home Board, so I have given you only the brief summary of its work and achievement since its foundation and for past year. "Wherefore seeing that we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin that doth so easily beset us, and let us run with patience the race that is set before us." That after this life's hardships and toils are over we all may be admitted into that home not made with hands but eternal in heaven.

Respectfully submitted,

T. S. Draughn

Report on B. Y. P. U. Work

In the Surry Association eight unions comprise the totality of B. Y. P. U. endeavor. Insofar as I have been able to ascertain, only 2 churches are actively engaged in this phase of Christian activity, Mount Airy and Elkin. Other churches have reported temporary and embryonic organizations, but there is genuine need for concerted action in the formation of Baptist Young Peoples Unions throughout the Association.

You folks who dote on statistics, or in this case the lack of them, have food for thought in this altogether embarrassing report. In our work we are reaching 163 of some 7,000 prospects in this Association. That's only two percent—only two out of one hundred attend B. Y. P. U. This is pathetic. Where the fault is I do not know. But the fault and the fact exists.

To foster interest in any enterprise work must be expended. I place the Christian enterprise at the top of legitimate endeavors, and I daresay less time and work is expended in this "business" than any other. Now I contend that we are missing a great opportunity to work our youth when we sadly neglect our B. Y. P. U. work. I would like to submit to you that we do something to rehabilitate the B. Y. P. U. forces in this Association.

We have got to do all we can to take care of our young people. Since that bunch of short-sighted, aristocratic, pinch-penny bunch of legislators at Raleigh have curtailed the educational opportunity of our youth to the veritable bone. The church must come to the rescue. We must not let our impressionistic youths get a negative outlook on life. I know that some of our great thinkers are terming this, the "Age of Challenge." Maybe so, but how many are going to accept the challenge? We must now educate, scotch the idea that there is no chance for youth. There is a chance and the B. Y. P. U. should be a great force in advertising this fact. And B. Y. P. U.'s. do not cost anything. They will support themselves. Page the school legislators! Let us get to work on our Baptist Young Peoples Unions.

Wallace A. Shelton

Report on Baptist Hospital

During 1931 Baptist hospital at Winston-Salem treated 3025 patients at a cost of \$114,000. Of these, 1944 were treated free, or paid only a part of the cost of hospitalization; at a cost to the institution of \$55,000. The institution received from the churches and Sunday schools of the state only \$26,000, or less than one-half the cost incurred by such free patients

To meet this deficit it was necessary for the institution to cut corners, impair efficiency, slash pay checks and refuse many worthy patients because of inability to treat them. This institution was built by Baptists of the state to care for our own Baptist folks who find themselves unable to pay for hospital care in private institutions. It is carrying out the Master's injunction to heal the sick and care for the weak. If it is to continue to do this work the Baptists must provide the means. We urge that each church take a Mother's Day offering for the hospital and that each church that sends a patient to the institution during 1932 see to it that the church raise and send to the institution a dollar and fifty cents for each day such patient is in the hospital.

Associational Missions Study Report

Only Mount Airy and Elkin reporting work for the year of 1931. Number of classes 12. Record cards awarded 12. Small seals awarded 65. Letters written 12. Blanks sent 10. Visits in interest of study classes 4. Mission study library of more than 85 books to be loaned to societies, and to churches trusting that they will be read, even where Study classes can't be taught.

We recommend that pastors stress Mission study in all churches in Surry. First by informing themselves, second by passing it on to your congregation and third, put your Mission study chairman in touch with members of your church qualified to lead Mission Study.

Report on Religious Literature

As a man thinketh in his heart so is he. It is perfectly natural for us to think on that which may be placed before us day by day. Righteous thoughts produce righteous words and deeds. Impurities as placed before the youth of our land more especially in that of reading matter produce thought that when put into action brings shame and reproach to the individual and also to human family. Gods anxiety for proper development of human heart, mind and soul has provided the one outstanding piece of literature as we find in His Holy word. Not only so through the powers of His Spirit men are called and annointed for their great tasks. Men of God have brought in our reach the religious literature that we so much need and must have if we think soberly and act accordingly.

Our beloved denomination of state and southland with its agencies have provided Religious Literature that we may be thoroughly furnished into every good work. The Biblical Recorder with its pages of wholesome instructions and reports on our great religious activities should be in every home and before the minds eyes of our youth as well as the aged. The Charity and Children with other demoninational papers and religious literature should be provided for our homes and young people through the Church Budget Plan. Until we have placed before our people the facts as revealed in our religious literature we cannot expect them to share in the great responsibilities of our denominational activities and so live Christianity that God Himself shall be glorified and the hearts of individuals be filled to overflowing with the joy of Salvation.

Report on Christian Education

We are grateful to Almighty God for the record North Carolina Baptists have made in the field of Christian Education. One hundred years ago our first Baptist College [Wake Forest] was chartered. Since then other schools have been born and now we have three senior colleges, namely, Wake Forest, Meredith and Chowan, and four junior colleges, namely Mars Hill, Campbell, Wingate and Boiling Springs.

Last year we had over twenty three hundred young men and women enrolled in the regular term and nearly one thousand enrolled in summer schools, of this number eighty were student volunteers and one hundred fifty-two were preparing themselves to preach the Gospel.

These schools have property valued at over three million dollars, and have an endowment of over three million dollars, but their greatest wealth is not in property or endowment but in the thousands of Christian leaders they have sent out into the world. These schools have given the world some of our greatest preachers, doctors, lawyers and scholars. We now have over twenty-three hundred Baptist churches in North Carolina who are largely dependent upon these schools for their trained leaders.

Let us not forget that these schools are our schools. So when our boys and girls are ready for college, let us give them a chance for a Christian education by sending them to one of these schools.

Respectively submitted,

O. H. Hauser

Report on the Baptist Orphanage

On November 11th, 1885 the first child was received into the Home. The last one enrolled, not including mother's aid, on October 1st., 1931 runs the number up to 2916. The institution was at first sponsored by the N. C. Baptist Orphanage Association, but after a few years the Baptist State Convention adopted it as one of its children.

Our population changes very little, as we have now, June 4, 1932, in the Home 632 children, of these 136 are in the Kennedy Home. There were 696 children enrolled last year.

There are now 298 children with 74 mothers cared for in their own homes by Mother's Aid. From the beginning we have helped by Mother's Aid 929 children and added to the whole number received into the Home runs the total up to 3852 children.

We are falling in debt and may reach the limit of our ability to borrow before the next Thanksgiving Day offering comes in. We urge every Sunday School to take a once-a-month offering for the Orphanage.
