School Ensemble Expo '67 Funds Now Total \$2,500

Approximately \$2,500 of the \$4,000 needed to send the Franklin School Treble Ensemble to Expo '67, the Montreal, Canada World's Fair, has been raised to date, Sandy Beam, director of the ensemble, announced this week.

The well-known area school group has been invited to sing at Expo '67. Several fund-raising efforts have been held to raise the necessary \$4,000, and more are scheduled.

Donations have been received from several civic organizations, industrial and commercial firms, and nearly \$700 was raised at the recent concert.

A bake sale, with the proceeds to go to the ensemble, will be held Saturday at the Beauty Nook, located beside the Square Pharmacy at Toast.

Parents of ensemble singers are conducting the sale, under the direction of Mrs. Ola Faye Smith. Orders for cakes, pies, candy and cookies may be placed by calling 786-4819.

"A successful bake sale, together with funds being raised by the singers themselves, will just about meet our goal," Beam said.

Both Beam and Wilbur Hiatt, chairman of the fund-raising committee, expressed their appreciation to the residents of the Mount Airy and Toast communities for their support of the drive.

Franklin Ruritan Plan Pancake Feast For School Group

The Franklin Ruritan Club will sponsor a pancake supper in the cafeteria of Franklin School Saturday, September 23, from 5:00-7:00 p. m.

Proceeds will be given to the Franklin School Ensemble to defray expenses of the group's trip to Expo '67, Montreal Canada, in October.

Advanced tickets may be purchased from any member of the Ruritan Club or student at Franklin School.

Franklin Ensemble To Hold Bake Sale

A 'Bake Sale' to raise money for the expenses to Expo '67 for the Franklin School Treble Ensemble, will be held at the Beauty Nook, next to Square Pharmacy on West Pine Street, September 16th.

Telephone orders will be taken at 786-4819, or by calling Mrs. Ola Faye Smith.

Parents Arrange Fund Committee

A coordinating committee was recently formed from the parents of the singers in the Franklin School Treble Ensemble, to organize and carry out fund-raising projects to finance the ensemble's trip to Expo-67 this October.

The ensemble has been invited to sing at the World's Fair in Montreal, Canada, which is commonly called Expo-67. The 25 singers, directed by Sandy

Beam, must pay their own fare to Canada.

The coordinating committee begins their fund raising projects with a concert on August 31, at Mount Airy High School auditorium. The committee hopes raise \$1,000 from the proceeds of the concert.

Other activities include the sale of a record made by the ensemble, a bake sale and various services such as baby sitting and yard mowing by the children. Each member of the ensemble has pledged to raise \$35 toward the estimated \$4,000 needed to charter a bus, provide food and lodging, and other necessities during the trip.

The coordinating committee is made up of Wilbur D. Hiatt, chairman; Mrs. Edith Hicks, co-chairman; Mrs. Pauline Badgett, Harris W. Bradley, and Robert E. Merritt, finance; projects, record sales, Sandy Beam; concert, Charles S. Vaughn; bake sale, Mrs. Ola Faye Smith; solicitations, Robert E. Merritt; publicity, Mrs. Howard Hooker and John Lockhart. Frank Smith serves with Beam and Hiatt on transportation.

Individuals wishing to make donations are asked to send them

Yesterday morning before the break of day, a sleek bus pulled out from the parking area at Franklin School, carrying members of the Franklin School Treble Ensemble and their chaperones to Montreal, Canada and Expo '67. The ensemble will perform there Sunday afternoon. (TIMES Photo)

Plans Being Formed

FRANKLIN SCHOOL TREBLE ENSEMBLE departed via chartered bus at 7 a.m. yesterday for a trip to Expo '67 in Montreal, Canada., where the 25 youngsters will present a special concert under the direction of Sandy Beam. Thirteen adults are accompanying the group, which is to return next Thursday. SC Group To Sing At Expo-67

A Surry County school ensemble has been honored by being selected to sing at "Expo-67" is Montreal this fall.

This exceptional honor of being selected to represent the United States in the special events program of the Canadian World Exhibition on October 8, was conferred on the Franklin School Treble Ensemble.

Sandy Beam, director of the choral group, said he had recently received a letter saying that the group had been selected to represent the United States, and would give two concerts in Canada.

The twenty-five students that make up the ensemble have won many honors this year throughout North Carolina. They took highest honors at the district competition in Greensboro, and

the state ensemble contest at Duke University.

They have sung for many civic groups and churches in the area. They have also appeared in Winston-Salem, Boone, and other cities.

The group will have to pay their own way to Canada, and are planning fund-raising projects this summer to get the necessary money for the trip. They have also made a stereo record which will soon be available through Beam.

Members of this exceptional choral group are: Pam Stamper, Debra Miller, Sue Johnson, Dena Hiatt, Kathe Hicks, No-reen Hiatt, Paula Lovell, Rebecca Badgett, Gene Hiatt, Barbara Williams, Pam Cornett, Lynn Blackburn, Phyllis Belton, Mike McKinney, Sandra McCraw, Carolyn Scott, Larry Williams, Stewart Hiatt, Gary George, Marvin Nester, Gregg Smith, Ricky Cornett, Wally Burge and Patrick McKinney.

Treble Ensemble Sings In Raleigh

At the invitation of Governor Dan K. Moore, the Franklin School Treble Ensemble presented a 20-minute program in Raleigh yesterday at the Governor's Conference on Health and Education.

The convention, held in Memorial Auditorium, was attended by an estimated 1,500 delegates. The ensemble is directed by Sandy Beam.

Gov. Moore's office contacted J. Sam Gentry, superintendent of the Surry County Schools, who relayed the invitation to Franklin School.

Franklin Singers Schedule Concert

The annual Franklin School Christmas Concert will be presented Thursday evening, Dec. 14, at 7:30 p.m. in the school auditorium. Sandy Beam is director of choral music at Franklin School.

Five choral groups will perform, made up of approximately 200 students. They include the Franklin Treble Ensemble which in October sang at Expo 67 in Canada. The group is scheduled to appear at HemisFair '68 in San Antonio, Texas.

The 5th and 6th grade chorus will begin the program with: Rocking, Go Tell It on the Mountain, and Hanukah.

Numbers by the 7th grade treble chorus will include: Calypso Noel, The Twelve Days of Christmas, Go Where I Send Thee and Rudolph, the Red Nosed Reindeer.

The 60-voice Boys Ensemble will sing: Bring a Torch, Jeanette Isabella and What Child Is This.

Air Show Termed 'Success', Crash Mars Sunday Contest

There were no personal injuries and the airplane involved sustained relatively light damage during a forced landing procedure Sunday afternoon at the gala air show at Mount Airy Airport on US 52 just south of town.

The event, sponsored to raise funds for the Franklin Treble Ensemble, saw stunt flying, radio controlled planes, skydiving, rides and a "spot landing" contest hold the attention of over 1,000 paid attendants and several hundred others who gathered on hillsides outside the airport to view without fee as much of the airshow as possible. Over 25 private planes landed early in the day at the airport to take in the festivities.

It was during the "spot landing" contest that a Piper Cherokee 140, a low-wing monoplane, piloted by James Marion of Mount Airy, approached the runway in seeking to "touch-down" at a target spot on the runway.

As the machine passed the touchdown spot, it failed to gain altitude when the "engine faltered", according to airport manager Dave McGavock. Marion swerved the plane to his left and over busy US 52.

"There couldn't have been more than 15 seconds when that highway wasn't crowded with cars all afternoon," said McGavock, "and he picked that 15 seconds."

Marion set the plane down in the southbound lane of the highway a quarter mile south of the Pines Restaurant. Motorists north and south of the plane saw it descending, stopped and flagged traffic behind them.

State troopers and Mount Airy Rescue Squad members rushed to the scene, saw no one was hurt and the plane only slightly damaged, sustaining a bent propeller and damaged nose wheel. They pushed the plane into a private driveway to allow the highway to clear of traffic and after the air show returned it to the airport for repairs.

The thrill of the afternoon was two stunt flying shows by ace pilot Zachary Reynolds in a Pitts Special biplane. With a smoke trail marking his progress in the sky, Reynolds put his plane through a series of unbelievable stunt maneuvers, including an upside down flight only 47 feet above the 3,500 feet paved runway at the

airport.

The heart-stopping event of the day turned into good natured chuckles, when the air show sponsors "pulled a fast one" on the crowd. Announcing that the oldest lady in the crowd would be given a free plane ride, a "97-year-old lady" alleged to have come from Hillsville, Va., stepped forward and claimed the award.

Dave McGavock assisted the enfeebled "lady" to a two-seat airplane, stepped to the front of the machine and turned the prop. The motor coughed into life. McGavock, playing his part in the charade almost to perfection, began his leisurely walk around the machine so as to approach the door to the cockpit.

As he did so, the motor roared and the "old lady" took off with McGavock in futile pursuit.

"Oh, me!" bemoaned the master of ceremonies over the loudspeaker. "Stop that old lady. Here she is taking her first airplane ride and already she's soloed!"

The plane disappeared, not to reappear at the show. It was reliably reported that the machine landed unobtrusively at the old Mount Airy Airport and the "old lady", a familiar and well-known local male pilot, returned to the site of the air show to enjoy the festivities.

Among a long list of well-known dignitaries attending the event was Smith Bagley of Winston-Salem, Fifth District Demo-

cratic candidate for Congress. "I'm just up for the day with my wife to enjoy the air show," said Bagley, who declined to comment on things political. "After these few days of rest, I'll be returning to the campaign trail, though," he promised.

The spot landing contest, during which Marion made his forced landing, was won by a Greensboro student pilot. His instructor placed second in the event.

McGavock was highly complimentary of the way in which the local Rescue Squad, sheriff's department, Bannertown volunteer firemen and state troopers, assisted in patrolling and in helping keep auto traffic and crowds under control.

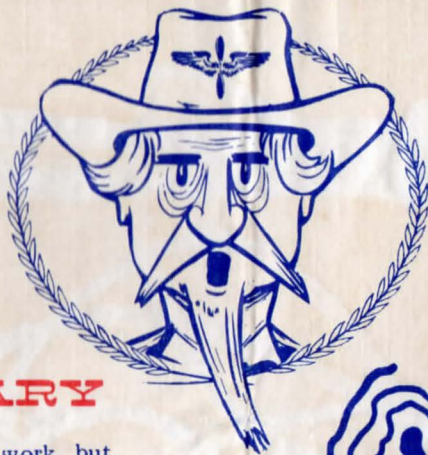

Franklin Treble Ensemble, a singing group under the direction of Sandy Beam, will use funds derived from the Sunday air show to travel to HemisFair '68 in San Antonio, Texas for an appearance there this summer.

Franklin Students Add More Awards

Competing Saturday in the state choral contest at Greensboro Page High School in Guilford County, three groups from Franklin Elementary School, performing under the direction of Julius Beam, added more honors to their list of accomplishments Saturday.

The seventh grade chorus, mixed chorus and boys chorus each received ratings of "Superior" in the contest. A total of 103 students participated in the event.

Choral Groups Score Ratings

Honors continue to accrue to the singing boys and girls at Franklin Elementary School, who perform under the direction of Julius Beam.

At Greensboro - Page High School in Guilford County Saturday, The Boys Choir, boasting 55 members and made up of youngsters from the 2nd through the 7th grades, scored a "Superior" rating in the State Choral contest. They sang "Give Thanks" by Francis Williams and "Barcarolle" by Offenbach.

The Seventh Grade Chorus scored a similar rating, singing "Just For Today" by Ades and "Give Me A Place in the Sun" by Waring.

A third group, the Mixed Chorus, also scored "Superior" in an almost unheralded sweep of honors for the local school. They sang "Now I Lay Me Down to Sleep" by Thompson and "He Bears Our Burdens" by Lotti.

Monday the group journeyed to Appalachian State Teachers College in Boone where they per-

Person Shares in 'Culture' From Surry

Sen. Gordon P. Allen, D-Person, was quick Wednesday to seize credit for some of the "culture" that graces Surry County.

A choral group from four schools in Surry County sang for members of the Senate and House. The group, called "The Franklin Treble Ensemble," was introduced in the Senate by Sen. Fred Folger, D-Surry.

Immediately following the introduction of the 21 neatly attired boys and girls, Senator Allen gained the floor on a point of personal privilege and noted that the choral group's director, Sandy Beam, comes from Roxboro in Person County. "He is our contribution to the culture of Surry County," said Senator Allen.

In the House the ensemble was introduced by Rep. George W. Marion Jr., D-Surry. The singers received extended applause in both chambers.

The ensemble represented Franklin Elementary School of Surry, North Surry High School in Mount Airy, Mount Airy High School and South Main Elementary School in Mount Airy.

The students sang several classical pieces and two spirituals. They have performed at Expo '67 in Montreal, Canada, and at the 1968 Hemisfair in San Antonio, Tex. They are scheduled to sing in seven European countries next summer.

Surry Ensemble Receives Bid To Tour Europe

A signal honor has been accorded the Franklin Treble Ensemble, youth singing group at Franklin Elementary School performing under the direction of Julius (Sandy) Beam.

They have been invited to go on a concert tour of Europe in the summer of 1971. The invitation was given by Educational Tour Consultants of Winchester, Va., an

organization which has earned a reputation of "being tough" in selecting groups to participate in such tours.

The only other group in North Carolina ever to have been invited is the East Forsyth Madrigal Singers of Winston - Salem, who made the tour last summer.

After the provisional invitation was received several weeks ago, the local group was auditioned by Dan Sheehee, member of the company and former music instructor with 12 years experience. His comment was that the Ensemble was "one of the loveliest groups" he had heard. He predicted the singers will

be highly received in Europe. The provisional invitation was made firm.

In arranging the tour, the Ensemble will have to submit tapes to the different concert sites in Europe, plus information concerning the group. Tour cities will include London, Paris, Rome, Amsterdam, Frankfurt and Salzburg.

Under Beam's direction, the Ensemble has represented the greater Mount Airy community at Expo '67 in Montreal, Canada; the 1968 HemisFair in San Antonio, Texas; in a 1969 tour of N.C. Rotary Clubs; and in dedicatory services throughout

the state.

A 1970 tour of Carolina Rotary Clubs is planned.

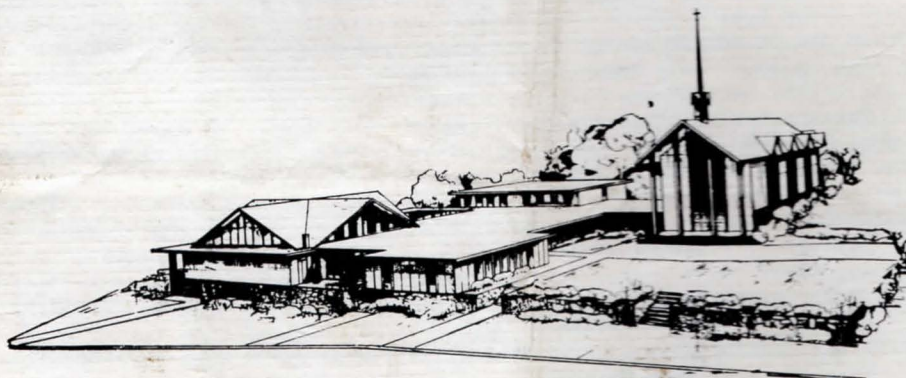

The list of awards earned by the Ensemble includes some of those highly prized by music lovers.

Ensemble Will Give Concert Prior To Tour

Poised to leave next week on a concert tour of the European continent, the Franklin Treble Ensemble under the direction of Sandy Beam will present their European concert repertoire Tuesday evening at 8 p.m. in the sanctuary of Central United Methodist Church.

An admission will be charged for the Tuesday concert. Tickets are available now from any member of the ensemble.

The group plans to leave on their European tour next Thursday at noon, flying from the Mount Airy airport

via a company plane of the Northwestern Bank. They will journey to Washington, D. C., from which point transportation to Europe has been arranged.

Several fund raising activities have been conducted in the past several months to raise the necessary money for the trip. The ensemble members and their director expressed thanks this week to "all people in Mount Airy and throughout the state for making this trip possible. Also, a special thanks to the Northwestern Bank of Mount Airy for supplying their company plane" for the use of the group next week.

Citizens of the area have been invited to be present at Mount Airy Airport at noon, Thursday, July 15, to help give the ensemble "a bon voyage!"

FRANKLIN TREBLE ENSEMBLE TOURS STATE ROTARY CLUBS

The Franklin Treble Ensemble returned recently from a two-week good-will tour of North Carolina Rotary Clubs.

George H. Richmond, of the Concord Rotary said that "our members enjoyed the Ensemble immensely and were particularly impressed with the fresh and

wholesome attitude of the entire group."

Robert Mattocks of the Maysville Rotary Club said, "The Franklin Treble Ensemble has come and gone and we know that they have been here. It was one of the finest presentations we've had in our town."

Dr. Bradley said that the Rotary Club expressed its thanks to the ensemble and to Beam "for representing the club and their community as well."

The ensemble consists of Phyllis Belton, Johnny Beamer, Pam Stamper, Terry Shelton, Pam Jackson, Wally Burge, Kathy Williams, Franklin Cox, Annette Evans, Juan Burge, Debbie Lindamood, Marvin Nester, Lewis Cox, Mary Ellen Jarrell, Greg Lawson, Rhonda Easter, Greg Smith, Patti Miller, Bob Andrews, Diane Fleming, Benny Stamper, Jeanette Marion and Paulette Sutphin.

The group appeared by invitation at Expo '67 in Montreal, Canada during the summer of 1967. Last summer they performed at HemisFair '68 in San Antonio, Texas.

They have also appeared at various colleges and universities and in dedicatory services throughout the state. They performed in Raleigh at the invitation of the governor.

English Mayor Lauds Ensemble

Advance cablegrams were sent to officials in European cities, where the Franklin Treble Ensemble is singing by Robert E. Merritt, president of Renfro Hosiery Mills Co. and a member of the Mount Airy Rotary Club, sponsors of the group. The cablegrams advised that the ensemble was coming and the fact the club had great pride in it.

Thus far, Merritt has received a letter in response to his cablegrams from W. G. Sanson, Mayor of Bexhill-On-Sea, Bexhill, England.

The letter read in part: "We were very impressed with the Franklin Treble Ensemble when they sang at the De La Warr Pavilion on Sunday evening. The concert was thoroughly enjoyed by everyone who attended. Their contribution did much to enhance the evening's performance. They were true ambassadors of North Carolina and we think you have just cause to be proud of them."

The letter closed with the hope that the Ensemble would be able to visit Bexhill again at some future date.

FRANKLIN TREBLE ENSEMBLE members arrived at Mayberry Mall in the Granite City at 4:30 a.m. yesterday morning, concluding a 3-week tour of seven European countries. The ambassadors in song, who perform under the direction of Sandy Beam, landed Wednesday in Washington, D. C., after a flight from Europe. From the Capitol, they traveled by bus the final leg of the journey home. Enthusiastic reports from the travelers and their escorts indicate they were acclaimed with enthusiasm at each of their singing engagements.

Ensemble Is Now On The Continent

The Franklin Treble Ensemble has been gone from the Granite City a week, having departed the local airport on Thursday of last week.

Today they are in Germany on their third day of a four-day stay in that country. The German stay follows stops in England and Holland.

Miss Sandra Kay Bullington, daughter of Mr. and Mrs. Rufus Bullington of Pilot Mountain, is traveling with the group as a chaperon. She reported in a letter to her parents the group was accorded a royal reception, including a dinner with the mayor of Berhill-on-Sea, on their arrival in Sussex, England. Their stay was too brief for the ensemble members to "take in all the English sights" ere they departed for Holland.

Tomorrow the group leaves Germany for Austria, with Italy on the itinerary Monday. On July 30 the group will

be in Switzerland, then in Paris August 1.

The group is having "a wonderful time", according to Miss Bullington, on the concert tour. The first days of their 3-week journey have been free of untoward incidents.

The ensemble will return to Washington, D. C., via plane on August 5, from which point they will take a chartered bus to the Granite City.

The American's Creed

by William Tyler Page

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a Republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag; and to defend it against all enemies.
