

PIEDMONT, N. C.

DISTRICT 31

1994

Crescent Electric Membership Corporation

Statesville, Mocksville, Taylorsville, Cornelius

Proudly Providing Energy to Piedmont Ruritans in 11 Counties

Cooperating To Keep America Working

DEDICATION

ALL PAST DISTRICT GOVERNORS

In 1963, Piedmont District was organized as a part of Ruritan National. Since its beginning the district has been fortunate in having outstanding leadership, not only in our district but also at the national level. These men have sacrificed their time, money and themselves to help their communities to become a better place in which to live, work and promote goodwill and fellowship among all citizens.

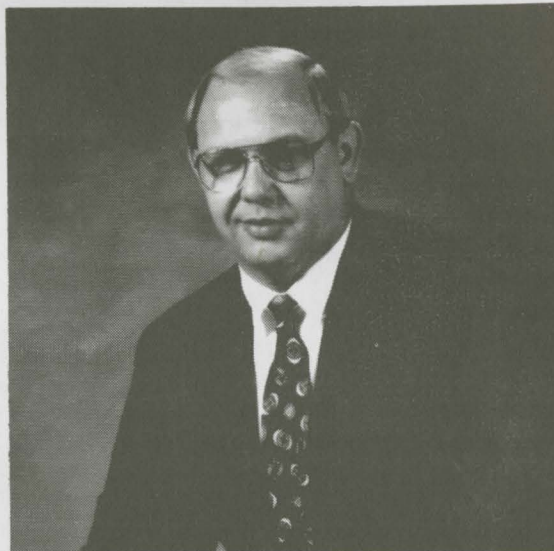

Piedmont is proud to dedicate the 1994 yearbook to all past district governors.

FROM THE GOVERNOR

Fellow Piedmont Ruritans,

Thank you for allowing me to serve you as your District Governor, for 1994. I expect to see great things happen in Ruritan in the Piedmont District this year.

The more involved I become in Ruritan, the more I love the organization as well as the individuals who make up the membership. I have come to know so many of you through Ruritan, that I would have otherwise never had the opportunity to meet. I can truly say that each one of you have a special place in my heart and my life has been enriched by getting to know you.

As Ruritans we work side by side with each other on many projects to make our country a better place to live, work, and play. We as a group, complete many tasks, and accomplish goals that we could never attain as individuals.

Ruritan is said to be "America's Leading Community Service Organization", and I want to make sure that Piedmont District is the leading District in Ruritan. We can do this if we continue working together.

*In the recent past we have seen the membership on the District level as well as the National level decline. I think I have a solution that will work to help solve this problem. I teach a Hunter's Safety Course that is mandatory in this state for anyone wishing to obtain a hunting license, having never possessed one. In that course we teach a section on survival. We teach you to stop if you become lost. We use the acronym S.T.O.P. in this fashion. **SIT DOWN, THINK, OBSERVE, PLAN.***

*We, in Ruritan, need to SIT DOWN together, and quit wandering around as if we are lost, wasting time and energy on things that are not productive to our organization. We need to THINK about our clubs, our communities, our membership, who we can get as new members, and a neighboring community that could use a Ruritan Club. We need to OBSERVE our surroundings, look at where we are compared to where we have been. Look at the needs of our community. As times are changing, the needs in our communities are changing and we need to change to accommodate the needs. And finally we need to PLAN our path to recovery. If we If we meet the needs of our community, increase our membership, and start new clubs we will be on the right path, a path that is paved with **GOODWILL, FELLOWSHIP, AND COMMUNITY SERVICE.***

Yours in Ruritan,
Johnnie Ray Belton
Johnnie Ray Belton
District Governor

Dean and Darrell Seaford help Cub Scouts Chris Spell, Ryan Barber and Dusty Potts plant tree.

Earth Day Celebrated

In celebration of Earth Day on April 22, the Cub Scouts of Den 3, Pack 574 planted a tree at the Jericho-Hardison Ruritan on Monday, April 19.

Cub Scouts Chris Spell, Ryan Barber, Dusty Potts, and Chip Queen planted the tree. Dean and Darrell Seaford were also present to represent the Jericho-Hardison Ruritan.

Pack 3 has been allowed to meet at the Ruritan this year and wanted to plant the tree there in appreciation. The tree, a flowering crab apple, was donated by Tina Kurfees of Route 7, Mocksville.

The leaders of Den 3 are Sandy Potts and Sandy Draughn. They thank all the individuals and companies which donated materials and services.
