PETITION TO THE HOUSING AUTHORITY AND THE CITY OF MT. AIRY

, the undersigned, do enter into the following agreement with the city of Mt. Airy and the Housing Authority: we will completely rid the existing basketball court on Virginia St. next to the Madoc Center of all debris, broken glass, etc. and be hereafter responsible for the maintenance of said premises in optimum safe and clean condition provided that, within four to five weeks of the initial cleaning, the Housing Authority, with the help of the City of Mt. Airy and private groups or individuals (some are listed herein), will furnish new backboards, hoops and nets wherever needed, and repaving of the court (now cracked and dangerous).

In addition, we, the undersigned, for as long as we live in or in the immediate vicinity of the Virginia St. neighborhood, take personal responsibility for an on-going spirit of neighborhood pride for our own sake, and for the sake of the entire neighborhood. We realize our worth and the worth of our community is indeed great. We want to live in as beautiful and safe a surrounding as possible at all times.

Respectfully submitted this 3rd day of July, 1985.
