PRESIDENTS REPORT

This term of serving you as your president of the Junior Woman's Club of Mount Airy has been one of the highlights of my life. It has been wonderful to work with such a cooperative group of women.

You know of the successful projects done when Erdene Rountree was our president --- the July Show and Mrs. Weller's School of Christmas Decorations.

The two state projects --- the Children's Home Society and the Children's Clothing Closet- under the leadership of Ruth Roberts and Monica Browne were most successful.

A bake sale was held in connection with the Children's Home Society.

Locally, we have assisted with the Polio, Red Cross, Cancer and Community Chest campaigns. We contributed \$10.00 as the 4th prize in the County Wide World Peace Contest. Forty-five (\$45.) dollars was given to the Veteran's Park for picnic tables.

Our contestant in the District Music Contest, Jackie Vogler entered in the State Music Contest. It was reported she made a fine showing in Raleigh.

The May Bazaar was a huge success for which we are indebted to each of you. Marjorie Yokley, Betty Hill, Jean George and Frances White were the leaders in this successful project.

The monthly programs have been very inspiring and helpful. I want to thank Barbara Graves and her committee.

Again, I wish to thank you for your support in the program of the Junior Woman's Club. I am looking forward to our working together in the coming year.

Margaret Francisco, President

The following letter was received by Erdene Rountree in connection with the Clothes Closet

"On behalf of the State Board of Public Welfare and your own county department of public welfare I want to thank you for your splendid cooperation in the children's clothing closet project. When we realize that more than 6500 children throughout the State were benefitted by the program during the year, that more than 63,000 garments valued at over \$50,000 were collected and distributed, I think we all realize how valuable this undertaking by Junior Clubwomen has become. We appreciate the interest of your own Club. We want to assure you of our desire to help in the development of the project in any way possible. You may call upon us for materials or programs at any time during the Club year.

Cordially yours,
Ellen Winston, Commissioner"
