

THE MOUNT AIRY JAYCEES

"THE GRANITE CITY"

AUGUST 1978

P. O. BOX 521
MOUNT AIRY, NORTH CAROLINA
27030

Dear Fellow Jaycees:

Contrary to popular belief, the summer months have not been a slow period for our chapter. We have experienced a great summer.

Our ranks are increasing almost daily and now is the time to put these young men into some specific area of the chapter so that they can make their mark.

The pageant is almost upon us. As in years past, this one project takes a concerted effort from everyone. Please contact Joe or Mike if you are willing to help during these last hectic days of preparation. Steve Ball is doing a great job on preparing the contestants and deserves our deepest thanks.

Our membership plan is right on track, but we can't stop and rest on our laurels. Membership is the key!!! Set yourself a goal of one new member each month and see how easy it is to reach.

Keep up the good work!!!

David Hawkins, President

PROJECT REPORT

Ricky Cornett and Tycho Wood are hard at work on the "Grand Slam For Cancer" project to be held August 19 at the Franklin Elementary School Softball field. The details haven't been worked out but everyone try to be available to help. They will need approximately 12-15 people to help. This is a very rewarding project and hits very close to each of us.

INTERNAL REPORT

THOUGHT FOR THE MONTH: The difference between an obstacle and an opportunity is just your attitude toward it.

Thanks to everyone for making our family picnic at the Pistol Range such a success. An accurate count on how many were in attendance was next to impossible but a good estimate is between 70 and 80 persons including the contestants. A special thanks to the Jaycettes for providing drinks and chicken.

Our first Individual Development Course of this year was held July 27 and August 1. Freddie Gray a past Mt. Airy Jaycee president presented the Personal Dynamics Course to 11 members of our chapter. We are sure that everyone who attended found the course to be beneficial. Another in the series of I.D. courses will be organized soon.

INTERNAL REPORT CONTINUED

Anyone who would like to help in getting our meetings and programs organized, please contact me.

Our next meeting is scheduled for August 3 at Western Sizzlin. This meal will be dutch treat if you wish to eat. However, guests meals will be paid by the chapter. There is a speak up planned and we have a guest, Mr. C. M. Turpin, to speak to us about Parlimentary Procedure. Hope to see you all there.

Any ideas for future meetings will be welcomed.

Individual Project: The people to get even with are those who have helped you.

Gary Kniskern

TOASTMASTERS PROJECT

The Toastmasters Project is well underway under the chairmanship of Jim Roberts and new member Dave Sizer. The application to organize a Toastmasters Club has been sent to Toastmaster's International and we have already been contacted by Jay Nodine the District 37 (State of N.C.) Governor for Toastmaster's. He has approved Mackey Howard, vice president at Perry Mfg. Co. mentor for the club to be organized, and assigned the "Mercury Toastmasters" of Winston-Salem as our sponsoring Toastmaster's Club. A planning meeting for the Jaycee Committee, Toastmaster's Administrative Lieutenant Governor, Area #4 Governor, and our sponsoring Toastmaster's Club is set for 8:00 P. M. August 1 at the Jaycee office. We are hoping to have the organizational meeting the week of Labor Day.

MISS MOUNT AIRY PAGEANT REPORT

This year we are having closed rehearsals, only those who are working will be allowed in the auditorium. Badges will be issued to those who have been assigned jobs, if your name is not down and you want a job please contact me. Only those who work will be allowed to attend the festivities free.
