REPORTS**CHRISTIAN LITERATURE**

"The man who thinks, reads, studies and meditates has intelligence cut in his features, stamped on his brow, gleaming in his eye . . ."

Our current periodicals and books are so numerous that reading is definitely encouraged. The channel into which this reading is headed is guided by the kind of literature put before us. Our denominational press is doing its best to put the right kind of literature and reading matter into our hands.

Our own State Convention publishes the *Biblical Recorder*. This paper was founded with the ideal of giving our people informa-

tion about our Baptist denomination and keeping us abreast of the times in religious matters. This paper should be in every home in our association. The small price is \$2.00 per year to individuals; \$1.50 if subscribed to in clubs of three families or more; and \$1.20 if every active church family subscribes.

Where can more thrilling stories be found than in the two mission magazines "The Commission" and "The Southern Baptist Home Missions" the periodicals published by our Mission Boards.

The Sunday School Board has a new magazine coming off the press in January 1947 for the first time: *Home*. This magazine is to take the place of the "Better Home" and "The Cradle Roll Home" and is dedicated to help build Christian homes. This is to be edited by Joe W. Burton, who sets as his goal the ideal of making the Christian home so attractive that we will do all in our power to safeguard it. Supplying it with these Christian publications will help.

Let us give whole hearted support and encouragement to our Baptist Leaders and writers who are giving us our denominational periodicals. These are published with the prayer that we may develop from them an abundant life. . . . Let us endeavor to get these publications into every home represented in our church membership.

Respectfully submitted,
Frances Winston

STATE MISSIONS

Originally State Missions was almost exclusively a work of evangelism. Winning people to Christ and organizing them into churches will never cease to be an important part of the State Mission task. Most of the leading Baptist churches in North Carolina are products of State Missions.

The evangelized must be taught. Education and training are important factors in the production of efficient churches. Therefore great emphasis is given to Sunday School work, Baptist Training Union work and work among Baptist students.

Assistance to destitute communities and to weak and needy churches has long been an important phase of State Missions. This is done by assisting in getting locations for starting work, assisting with pastoral support, etc.

Providing district or Associational Missionaries is receiving more and more attention.

Pastor's schools to provide additional training for preachers already in service, have been recognized in recent years as an important State Mission activity.

Our State Mission Department is charged with the responsibility of promoting our whole denominational program. There is a

sense in which it is the very foundation of all our work.

The last Sunday in October has for many years been observed in our churches and Sunday Schools as State Mission Sunday. It is important that that special effort be made this year to secure a worthy offering on State Mission Sunday.

Respectfully submitted,

Richard K. Redwine

FOREIGN MISSIONS

During the first one hundred years of its existence, the Foreign Mission Board of the Southern Baptist Convention appointed 1347 missionaries to foreign fields, including 44 appointed at its April meeting this year. These missionaries have wrought in twenty nations. At the close of the century five and a half *million* Baptists were represented by five and a half *hundred* missionaries.

As we enter the second century we face open doors and many adversaries. Some of the favorable conditions are accelerated transportation; a more compact world; a more intimate acquaintance with the whole world; the appeal from various nations for preachers, teachers, medical missionaries, and others who can help rebuild wrecked countries; growing literacy; opportunities for giving relief; and the failure of human philosophies and religions.

Some of the adversaries are our own indifference, Roman Catholicism, Communism, Mohammedanism, inconsistent living of professed Christians in this and other lands, racial and religious tensions, national and international conflicts.

As we return to war stricken lands we enter open doors with courage and confidence in the power of the gospel to triumph over all adversaries. We still believe that the name of Christ is the only name given under heaven among men whereby we must be saved. Our message for the whole world is Redemption, Repentance, Regeneration, and Resurrection power in living and serving. This gospel is not only to be proclaimed everywhere, but it is to be confirmed by godly lives and compassionate hearts. The only way to meet the futile and fatuous faiths of a sinning, suffering world is not by compromising and diluting the Word committed to us, but by preaching, teaching, and exemplifying the gospel of our holy and loving God. Open doors constitute our obligation to obey the command of our Saviour and Lord and, as speedily as possible, make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to observe all things whatsoever the Lord has commanded us.

We have a three-fold task, Relief, Reconstruction, and Reinforcement. Our most urgent task is that of ministering in the name of Jesus to needy millions around the world. Multitudes of people are starving and next year will be too late to save them.

It is estimated that approximately half of the world, or more than a billion people lack sufficient food. We must answer to Christ at the Judgment for our failure to feed the hungry, clothe the naked, shelter the homeless, minister to the sick, visit those in prison. The Southern Baptist Convention in its recent meeting in Miami launched a program for three and a half million dollars for Relief and Reconstruction. The immediate response justifies the belief that this amount and more will be provided this year.

In war devastated areas there is a tremendous job of rehabilitation, providing buildings and equipment for churches, schools, hospitals, missionary homes. We must in every land reinforce our missionary program. Instead of 560 missionaries, we should have 1,000 missionaries on the field within the next twelve months. Men and money are greatly needed for this urgent task. The Foreign Mission Board joins heartily in the decision of the Miami Convention to fortify and enlarge the Cooperative Program.

Already Southern Baptist missionaries are returning to China as rapidly as transportation facilities across the Pacific and in China enable them to get to their fields. Some forty missionaries have already gone to China. Dr. Rankin, executive secretary of the Foreign Mission Board, left late in June, accompanying Dr. Baker James Cauthen, regional secretary for the Orient, in order to make a first-hand survey of desperate needs and to reinforce the missionaries and the national Christians in their relief and rehabilitation program. Dr. George Sadler recently spent some time in Europe and the Near East and we shall be getting missionaries back to our several mission fields in Europe as rapidly as conditions permit. Dr. Everett Gill is spending two years in residence in Latin America and our fellow-workers in that great continent of opportunity write us about the glorious service which he is rendering. Every mail brings a plea from Africa—a new continent since the people in that land have become acquainted with the whole world-begging for reinforcements. Our missionaries there are breaking under the terrific load. In every one of our mission fields we desperately need more missionaries.

We are face to face as never before with the choice—one world or none. Life and death have been set before us. The choice is ours between the annihilating power of the atomic bomb or the redemptive power of the Cross of Christ. Which shall it be?

Respectfully submitted,

Mrs. W. R. Jackson

The Challenge for Home Missions in Our Day

Dr. J. B. Lawrence, secretary of the Home Mission Board, says: "The strategic point of approach to this world task is the homeland. Keep the homeland evangelized and mobilized for ser-

vice and we have the hope and the assurance of a world evangelization."

Dr. W. R. White in his "Re-Statement of Missions" says that world conditions have *left a displaced and upset homeland*, that Rome is going after the Negroes, that Russia is championing the cause of little nations, and that the challenge to Home Missions today to evangelize the homeland is great.

The man without a chance, underprivileged, cut off by language barriers, tenant farmers segregated by *poverty*, migrant workers, those in isolated sections, and those in congested city areas, Negroes, and others in our homeland, challenge the best there is in us. Home Missions must answer the challenge.

The spirit of the Home Mission Board is to "help where help is *needed*." Many of our strongest churches in the South were mission stations operated by the help of Home Missions in an earlier day. Many churches now helped by the Home Mission Board will grow into large and potent churches. A little help now *means a great future for some community*.

The Home Mission Board has work among Spanish-speaking Americans (Mexicans), Indians, French, Italians, Chinese and other language groups. There are mission centers, city and rural missions, work among the deaf and among Negroes, Cuban missions, and work in Panama, Costa Rica, and the Canal Zone, in addition to miscellaneous special mission enterprises. The Home Mission Board sponsors work in 587 churches and missions and needs 327 more. It has 700 missionaries and workers and needs 339 more. It needs more than two million dollars for mission properties and over a million dollars a year for operation. The Board is now housed in its own building at 161 Spring Street, N., Atlanta, Georgia.

Keep Home Missions vigorous as a good springboard for world evangelization.

W. M. U. REPORT

With deep gratitude to our Heavenly Father and manifold mercies during the past year, I bring you the annual report of the W. M. U. of the Surry Association.

Number of Societies	13
Total enrollment	625
Young Peoples Organizations	15
Total number of Young People enrolled	175
Total amount raised for Missions	\$5,450.50

There have been decided gains in the number enrolled in W. M. U. organizations and in the total amount raised for Missions this year.

The outstanding meetings for the year are as follows:

The Divisional Leadership Conference was held at Elkin early in January, with a large attendance of leaders, officers, and State Workers present.

Our Associational leadership Conference was held at the Dobson Baptist Church January 20, at which meeting the goals were set and plans made for the year, discussed Year Book.

Our Annual Associational Meeting was held at Haymore Memorial Baptist Church on April 25. Inspirational messages were given by Mrs. J. S. Farmer, State W. M. U. President, Mrs. M. A. Huggins, State Stewardship Chairman, and Miss Katie Murray a returned Missionary to China.

We were very happy to welcome into our Association the Society from the Friendship Baptist Church early in January.

Our next Annual meeting will be held with the Friendship Baptist Church in April.

I want to express my appreciation to the various W. M. U. presidents, leaders, and associational officers for their splendid co-operation and devotion in this work.

We are indeed grateful to Mrs. R. K. Redwine, Mount Airy, our newly elected State Vice-president for her untiring efforts, devotion, and her efficient guidance in all phases of our W. M. U. work.

We regret that forty-four churches in the Surry Association are still without W. M. U. organizations. It is our prayer that these churches may catch a vision of the great missionary obligations in the year ahead.

We know that never in our history have we faced a period of greater missionary challenges. We need courage and faith to meet the demands of the day. We must pray more, evangelize more, give more and serve more and better than we have ever done before.

May we see the plan of God's work as it is spread out before us. May we hear and heed the Master's voice as he speaks to us in the words—"Look unto Me and be ye saved, all the ends of the earth; for I am God and there is none else."

Respectfully submitted,

Elizabeth Norman, Associational Supt.

CHRISTIAN EDUCATION

The report on Christian education in the Baptist colleges in North Carolina is most encouraging when measured by normal standards. The campaigns for funds for improving the physical facilities and increasing the endowments in the various colleges are going along in a very satisfactory manner. The restrictions on building materials have stopped all construction work except for dormitories and other housing facilities. All the colleges have extensive plans for new buildings when restrictions are removed.

The generous offerings being made to the co-operative program through all the Baptist churches of the state will result in increased operating funds for our Baptist colleges. The total for 1946 to all the colleges from the co-operative program will be above \$300,000. This increased amount will do much to aid the colleges in meeting the increased costs for operating needs without too great burden upon the individual students.

In addition to the improved financial aspects of our Baptist colleges, we find that many of our best faculty members are returning from service in the armed forces to resume their pre-war positions. This will help greatly with the problem of securing adequate personnel to staff positions in the colleges.

Under normal conditions any college is pleased to have capacity enrollments, but now all our colleges are embarrassed by their inability to meet the demands from students who wish to be enrolled. Practically every one of our Baptist colleges is forced to turn away hundreds of worthy students who are begging for a chance to enroll. Everyone recognizes that such conditions are not normal, but we may expect to continue to face increasing demands if we continue to operate good colleges under Christian influences. Students enrolled for 1946-47 in our Baptist colleges will be approximately as follows: Wake Forest College 1600; including 250 young women, Medical School 200, Meredith College, 600; Mars Hill 900; Campbell 500; Wingate 300, Gardner-Webb 500. Total 4600.

This report would be incomplete without mention and emphasis relative to the greatest opportunity and challenge in Christian education presented this year, to North Carolina Baptists. Reference is made to the Reynolds Foundation offer to Wake Forest College and its acceptance by the denomination.

Respectfully submitted,

W. E. Woodruff

THE BAPTIST HOSPITAL

Our Baptist Hospital has had another full and fruitful year. In the past few years its facilities to care for the sick have been greatly increased. This is true for both those who do not have the money to pay for complete hospital care and those who have complicated afflictions which the hospitals and doctors in most communities are not prepared to care for.

The Out-Patient Clinic is now working in its enlarged and better equipped quarters. It is prepared to do the highest type of work of examining the sick, prescribing treatment for their ills, and giving some specialized treatments. After the examination, most of these can be treated back home by a local doctor or in a local hospital. There is now being added to the clinic additional services in psychiatry and in eye and dental diseases. The cost for an examina-

tion in the Out-Patient Clinic is \$5.00, not including X-rays and special laboratory tests, for all who are able to pay it. This just about covers the actual cost to the hospital for the examination. The charges for the X-ray pictures and special tests are estimated at actual cost. Most people are able to pay these fees. In cases where they are not able to pay the whole fee, the balance is paid out of the Mother's Day offering.

Along with the Out-Patient Clinic, there is operated the Private Clinic for those who are able to pay the regular standard fees for medical care.

The sick who come to these clinics and need to enter the Baptist Hospital for treatment are then admitted as bed patients, in so far as room permits. Due to lack of space, it is impossible for the hospital to take care of all who need to be admitted. Because of this lack of space, our hospital has available a great deal of the finest medical skill which it is not able to use to relieve suffering.

The Mother's Day Offering enables our hospital to care for those who do not have the money to pay their full bills. Those who are able to pay in full are expected to do so, because, if they fail to, it will take help from those who are in actual need. No person who is examined in the Out-Patient Clinic and no service patient who is admitted to the hospital is charged any doctor's bill at all, whether or not he pays his hospital bill. More than half of those who are cared for by our hospital are such patients, and many of them are unable to pay anything at all. Our hospital does far more free service for the poor than any other denominational hospital in the South and stands among the first in America in the amount it does. Last year this free service cost the hospital over \$167,000. We are happy that the churches of our association had a large share through our Mother's Day Offering in this great service.

Our Baptist Hospital operates one of the best schools of nursing in the South. It seeks the finest young women, mentally, physically, and spiritually, to train for a Christian ministry of healing. It invites young women from our Baptist homes and churches who are interested in giving their lives to this important profession to consider going there for their training. The need for nurses is urgent. Any girl 18 years of age or over, with high school education, or better, is eligible to apply. She should write the Director, Nursing Department, North Carolina Baptist Hospital, Winston-Salem, North Carolina.

The new Department of Religion at our Baptist Hospital is being organized to render an effective spiritual ministry. This includes visitation and counsel among the sick and burdened in the hospital, Bible instruction and a religious program for students,

the effort to help create a Christian spirit through all the work of the hospital, and carrying to our churches the information concerning the work of our hospital. The ministry of this department is recognized by all connected with the hospital as an important part of the work.

The urgent and outstanding need of our Baptist Hospital is the construction of a new south wing. This would provide 140 new beds, which we so greatly need, especially to care for the more seriously ill who need private rooms. Additional operating and delivery rooms and X-ray facilities would be included. It would provide adequate kitchen and storage room, where the hospital is now seriously handicapped for lack of space. Also, it would provide room for a laundry. It now costs the hospital over \$50,000 a year to get its laundry outside. The new wing would greatly increase the service of our hospital to the sick and would enable it to increase its income.

The cost of the new south wing would be close to a million dollars. One gift of \$200,000 already has been offered toward this, provided the construction is approved this year. Many who have been to our hospital as patients, or to take patients, know how badly this additional room is needed. The advisability of permitting the hospital to construct this building will be considered by our Baptist State Convention in its sessions at Asheville in November. The messengers from our association to the State Convention will have opportunity to vote their approval of this new building. We hope they will act favorably toward it.

The Sunday School Is the Life of the Church

"And when he had found him, he brought him unto Antioch. And it came to pass that a whole year they assembled themselves with the Church and taught much people. And the Disciples were called Christians first at Antioch." Acts: 11-26.

We have had a great year. There has been New Sunday Schools organized. However, there has been so little accomplished that we ought to stop and take notice. Here are some figures that should open our eyes and make us look on fields that are white unto harvest; there are over 42,000 people in Surry County alone; there are 40,000 white people and more than half of them profess no faith in Christ or are no members of any church. Out of 16,000 church members 11,000 are Baptists. Here are figures of our Surry Association:

There are 8,267 church members in the Surry Association. However, you will notice that, counting children, our Sunday School enrollment last year was 6,112. Our membership gain

last year was 359; 202 were members of Sunday School, leaving a total of 157 that were not members of Sunday School that were won to Christ last year.

There are 2,155 more Church Members in our churches in Surrey Association than we have enrolled in our Sunday School, including members and non-members. The following survey was made in a church several weeks ago: Membership, 225; enrolled in Sunday School, 200; present that day, 126; above the Primary age; 61 Christians and 65 not. In a class of Intermediate boys with 10 present, 4 were Christians and 6 were not. What a great challenge there is to teachers!

It costs you nothing to accept Christ as your Savior, because He paid it all on the cross of Calvary, but it does cost you something to be a teacher, a preacher, disciple or an evangelist. But the dividend is so great that never has it entered in the heart of man what God hath in store for them that love Him.

We have failed to go out into the highways and hedges and compel them to come in and our highways have become a slaughter pen. Will we go out and find them and teach them or will we let them continue on and be slaughtered?

I said in the beginning that we had a great year. We only had five vacation Bible School the previous year. This year we had fifteen, an increase of 10. Will we take courage and go forward for a great year? The harvest truly is plenty but the laborers few.

May we pray that the Lord will send laborers into his vineyard, and may we say, "here am I, Lord, send me" if we hear the call.

Respectfully submitted,
A. L. Hiatt

ORPHANAGE REPORT

Perhaps there is no institution owned by Baptists more dear to our hearts or one in which we are more interested than our Baptist Orphanage. We love this institution and recognize its worth.

A total of 700 children were cared for during the year. They are cared for in three ways—Institutional care, foster home care and aid in the home care. Five hundred and ninety-eight were cared for in the two homes. Forty-eight in foster homes and 54 through mothers aid. The number reduced in the home was 6; the foster home increased 24, mothers aid 16. Applications for assistance increased 7 per cent. 348 applications for 837 children received case work service. Of this number 122 new children were admitted to the care of the Baptist Orphanage. Through case work other plans were made for 18 families containing 503 children, leaving 92 applications for 212 children awaiting further service. Case work service was made available to a total of 1203 children.

The back wash of the war is presenting the orphanage some acute problems—high cost of living, difficulty in securing a well equipped staff, inability to secure materials for much needed repairs, and the more serious concern of how to help meet the problem of the ever increasing number of broken homes.

In view of the increased cost of living, their farm activities have proven a life saver. They have been able to produce commodities for about 1-3 less than they would have cost in the open market. They produced *barley* 2,670 bu., *oats*, 5,207 bu., *corn* 7,725 bu., *Hog Meat* 49,018 lb., *Eggs* 27,740 doz., *Milk* 76,002 gal., vegetables of all kinds sufficient to supply all needs have been produced in their gardens. Beef and dairy herds have been much improved.

The Charity and Children had one of the best years in its history in subscriptions and commercial work done in the print shop. The total profits amounted to \$8,348.63 and the circulation of Charity and Children has reached the all time high of 36,000.

As soon as materials are available, plans are being made to overhaul and modernize some of the old Orphanage buildings, also to erect some much needed new buildings.

A full staff of teachers was again secured and the schools were more efficient than in past years. The attendance reflects the health and interest of the children for their average for the two homes was slightly above 99 per cent. The Vocational Department, including agriculture and home economics has taken high honors wherever it has competed with other institutions.

The Spiritual training of the children is given much attention, for in each home there is an ordained minister. Rev. Cleveland Wilkie, a former Mills home boy, is serving as pastor and athletic director for the Kennedy Home. Rev. Paul Lovingood is this year employed as teacher and director of physical education of the Mills Home. Rev. J. A. Neilson is the pastor of Mills Home and the Christian training compares favorably with other churches in the denomination.

Friends from all over the state have been requesting the privilege of clothing children. Some are supported in full by individuals, others by Sunday School Classes, some have given a little money to every child each month in certain cottages. All of these personal touches mean much to the institution in a financial way, but means a great deal more to the children when they realize someone is personally interested in them.

The loyalty and liberality of friends of the Orphanage is greatly appreciated and is a challenge to them to do their very best. So let's remember, "In as much as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Respectfully submitted,

Mrs. A. G. Webb

TEMPERANCE

We have been writing temperance reports for all these many years which are read by very few, and little is being done about the strong drink situation by our members.

It is a terrible indictment; that they will go to the polls and vote for the men that are nominated by their party, knowing at the time, that the liquor interests own them body and soul.

It is a waste of valuable space in our minutes, to write a long temperance lecture and then do as we have been doing; Viz: Elect the liquor crowd to make our laws and execute them, while our boys and girls are dying by the thousands on the liquor soaked highways of our land.

Am I my brother's keeper?" Yes, to the extent that if we, by our vote or conduct place a stumbling block in our neighbor's path that causes him to go down to destruction, the Lord will not hold us guiltless.

The challenge is to the Christians of our land to use their power to crush the immoral forces that are dragging a large per cent of our people to their doom.

Let's wake up Baptists.

Respectfully submitted,

E. L. Schuyler

BAPTIST TRAINING UNION

Out of 57 churches we only have about 3 Training Unions. No outstanding results can be mentioned for these except the fact they do still exist. The growth in numbers and efficiency, gained by assistance of our Associational Missionary, is now almost gone, which rebukes our pastors and church leaders. We have the young people to train, but those who have learned are not willing to sacrifice one hour a week to train others. Only one church reported one young person in training for full time Christian work. The shortage of pastors, Missionary workers and Bible Teachers should make us find and put in practice the B. T. U. Memory verse—"Study to show thyself approved unto God, a *workman* that needeth not to be ashamed, rightly dividing the word of truth." 2 Tim. 2:15.

Respectfully submitted,

Carl Snow

MINISTERS RETIREMENT

The Bible, our source of authority for Christians is very clear in its teachings on subject of procuring for God's preachers. "Even so hath the Lord ordained that they which preach the Gospel shall live of the Gospel." (1 Cor. 9:14).

The Relief and Annuity Board of the Southern Baptist Con-

vention, was organized in 1918 for the purpose of relieving disabled aged and infirm Baptist Ministers, their widows and orphans.

Headquarters of the board is in Dallas, Texas, and Thomas J. Watts is its secretary. This branch of our Convention has made good progress during the twenty-four years of its service.

More than 10,000 annuity certificates have been issued, and at present the total number of membership in all annuity plans is around 8,000.

Relief checks are given aged and disabled ministers, widows of ministers, and their orphans. There are about 60 men and 70 women in our state receiving such aid, now ranging from \$10.00 to \$40.00 a quarter.

This plan of relief is for those who have participated in any of the contributory annuity plans of the Convention.

Now the ministers retirement plan:

This plan seems to be the major one. It is a joint plan with the state and Southern Convention.

There are now nearly 6,000 members of it in all the participating states of the Convention.

North Carolina has about 425 members in this plan. The payments in our State are 4 per cent of the ministers cash salary, a similar amount by the church or churches he serves, and \$24.00 contributed by the state convention, for each member in this plan.

Members in this plan after twelve years are to receive benefits amounting to 50 per cent of the coverage salary received during the last 25 years of service.

Two thousand (\$2,000) is the maximum amount one may receive regardless of his salary, according to the plan as sponsored by our State Convention.

For further information write our State Secretary, Mr. M. A. Huggins, Raleigh, N. C.

ARTICLES OF FAITH

1. We believe in one only true and living God, and that there are three persons in the Godhead; The Father; The Son; The Holy Ghost.

2. We believe the Scriptures of the Old and New Testaments are the words of God, and the only rule of faith and order.

3. We believe that salvation is by Grace, through faith in our Lord Jesus Christ.

4. We believe baptism and the Lord's supper are ordinances instituted by Jesus Christ, to be practiced only by believers in their scriptural order.

5. We believe baptism is the immersion of a believer. And only those who are thus baptized are in fellowship with the church of Christ, in faith and doctrine, and they only should take the Lord's Supper.

6. We believe in the final perseverance of the saints.

7. We believe in the resurrection of the dead, and a general judgment.

8. We believe the punishment of the wicked will be everlasting and the joy and happiness of the righteous will be eternal.
