FUN FASHION SHOW

The first piece of our collection is the ever popular blouse.

The Wilkes County Extension Homemakers proudly presents for your enjoyment tonight our exclusive line of Fun Fall Fashions. Although these fashions are not available for purchase at our local dress shops, they are truly unique and innovative creations; seen tonight for the first time anywhere on the continent. Even the latest Paris collections cannot match the creativity of the designs you will see.

If you crave that "original designer look", we promise you are in for a rare treat as we appeal to the finest in fashion sense. You may recognize many of the famous and glamorous models who will be appearing in our show tonight. They have graciously agreed to model our new line of fun fashion garments without compensation, and we do appreciate their help in showing our fun fashion line to the public for the very first time!

Now, without further ado, the 1991 Fall Fun Fashion Collection.
