Article III. Annual Church Letters

Section 1. The churches shall report annually not only the statistical information but any facts concerning the general welfare. The clerk shall furnish each church with printed forms for their annual report at least six weeks before the annual meeting of the Association, and the churches are requested to have these reports returned to the Clerk at least two weeks before the annual meeting of the Association.

Article IV. Officers and Their Duties

Section 1. The Officers of the body shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Associational Missionary, and the heads of the organizations as set forth in Article IV, Section 6.

Section 2. The Moderator or Vice-Moderator shall preside over all sessions of the Association and the Promotion Committee. The Moderator shall be a fraternal visitor to the churches throughout the year. He shall be elected for one year and shall not succeed himself after the second consecutive year.

Section 3. The Vice-Moderator shall preside at the request of

or in the absence of the Moderator at the meetings of the Association and the Promotion Committee.

Section 4. The Clerk shall keep an accurate record of the proceedings of the body, furnish the churches with the blank letter forms, supervise the printing of the minutes, and distribute them to the churches as soon after adjournment as possible. He shall also serve as secretary of the Promotion Committee.

Section 5. The Treasurer shall have charge of all funds of the Association, and shall disburse the same in accordance with the budget of the Association or for the purposes for which the funds were contributed. He shall render an itemized report of his receipts and disbursements to the budget committee upon request and to the Association in the annual meeting.

Section 6. The Associational Sunday School Superintendent, the Training Union Director, the Woman's Missionary Union Superintendent, the Brotherhood President and the Vacation Bible School President shall be elected by their respective organizations according to their own methods. The names of these officers shall be furnished the Nominating Committee who shall present them to the Association for approval at the time of the election of the Officers of the Association.

Section 7. The officers shall be elected at the afternoon session of the annual (fall) meeting. They assume their duties at the close of the annual meeting at which they were elected and shall serve until the close of the next annual session.

Section 8. The Associational Missionary shall be nominated by the Missions Committee at any regular session of the Association or any regular meeting of the Promotion Committee. His election shall be by a two-thirds majority vote of the messengers or members present. He shall serve until the relationship is terminated by mutual consent. He shall prepare annually a Calendar of Activities setting forth dates and places of meetings of the organized work. He shall work with the churches at their invitation and as time permits. He shall promote the whole program of the Association and the State and Southern Baptist Convention, seeking to arouse missionary interest among the churches and enlisting the churches to co-operate in the support of the cause fostered by the Association. His work shall be under the direction of the Missions Committee, and he shall have administrative supervision of such work as shall be assigned him by the Association, the Promotion Committee, or the Missions Committee.

Article V. Committees and Their Duties

Section 1. The Committees of the Association shall be: Committee on Organization and Admission of New Churches, Program, Ordination, Budget, Nominating, Trustees, Missions, Promotion (Executive), Place and Preacher, Resolutions, and Committee to nom-

inate the Nominating Committee. The Moderator and Associational Missionary shall be ex-officio members of all committees.

Section 2. The Committee on Organization and Admission of New Churches shall be elected annually and shall consist of three pastors and three deacons from churches in full fellowship with the Association.

The duties of this are set forth in the following paragraphs:

Any group of baptized believers in Christ desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and co-operation with this Association shall be requested to fulfill the following requirements:

A. Notice shall be given to the Moderator of the Association of the desire to organize a church before any such organization takes place. The Moderator will then instruct the Committee on Organization and Admission to visit and counsel with the group desiring to become a church and bring a report to the Promotion Committee which shall study and pass upon the need for such an organization.

B. The location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with this Association.

C. Upon being approved by the Promotion Committee the group will then request the Committee on Organization and Admission to examine the Church Covenant and Articles of Faith of the proposed church. If this committee approves the Church Covenant and Articles of Faith the group will then proceed to be constituted into a Baptist Church of the same faith and order.

D. The new church having been duly organized and constituted may at the next annual meeting of the Association, or any annual meeting thereafter, present a letter to the Association asking for recognition and seeking fellowship with the Association including with this letter a copy of the Church Covenant and Articles of Faith adopted by the body, as well as a report of the work since the time of organization as it regards all phases of our Baptist Program. The church shall be expected to have had a part in the support of the causes fostered by the Association and the State and Southern Baptist Conventions.

E. The Organization and Admission Committee shall examine the letter and report of the new church and will recommend one of the following decisions.

- a. Acceptance of the church under watchcare for one year
- b. Further consideration for action at the next annual meeting.
- c. Rejection of the request for membership.

If the church is accepted under watchcare this committee will at the end of that year recommend that the church be accepted into full fellowship provided that after examination the record of work done and co-operative spirit of the church is commendable. A two-thirds

majority vote of the messengers present shall be needed for such action. The Moderator will extend to the messengers the right hand of fellowship.

Section 3. The Program Committee shall consist of five members who shall prepare an order of business for the annual meetings. Printed copies of the suggested order of business shall be distributed to those attending the opening sessions of the Association. The chairman shall be designated by the Nominating Committee.

Section 4. The Ordination Committee shall consist of five pastors. Initially one member shall be elected for five years, one for four years, one for three years, one for two years, and one for one year. In each succeeding year one member shall be elected for a term of five years. When necessary others may be elected to fill vacancies of unexpired terms. Churches desiring to ordain preachers are requested to place their candidate before this committee for examination on the following principles: Christian experience or conversion, call to the ministry, educational preparation for the task, moral and spiritual fitness, doctrinal beliefs and knowledge of the Bible, attitude toward denominational work and objects, support of denominational causes, and purpose to serve.

A candidate shall be looked upon with favor for ordination who is a member of a Missionary Baptist Church and who has been called as pastor of a Missionary Baptist Church and who is in agreement with historic Baptist principles and is in harmony with our co-operative program of work.

Candidates are to be urged to prepare themselves for the ministry as far as possible in regularly recognized Baptist colleges and seminaries. Recommendation will be made by the committee to the church where the candidate holds membership. The committee will assist the church in the ordination service at a time convenient to the church and the members of the committee if such assistance is desired.

Section 5. The Budget Committee shall consist of the Officers of the Association and the Chairman of the Missions Committee. The Moderator shall serve as Chairman. This committee shall meet before the annual meeting of the Association and prepare a budget to cover all anticipated needs of the Association for the next annual Associational year. The committee will cause this budget to be printed and distributed to the messengers at the annual meeting. The committee will suggest a pro rata share of the budget for each church affiliated with the Association for their consideration and approval.

Section 6. The Nominating Committee shall consist of five members. They shall be elected by the Association and serve from the close of the annual session in which they are elected until the close of the next annual session. This committee shall nominate all the Officers (except those specifically provided for otherwise - see Article 4, Section 6) and members of the following committees: Organization and Admission of New Churches, Program, Ordination, Trustees.

and Missions. They shall also nominate representatives for the following denominational institutions and work: Religious Literature, Evangelism, Hospital, Orphanage, Homes for the Aging, Temperance and Public Morals, Relief and Annuity, Stewardship, State Missions, Home Missions, Foreign Missions, Christian Education, Memorials, and any other representatives that may be deemed necessary. Those selected shall be placed before the Association at the annual meeting for election. The Nominating Committee also shall present for the approval the names of those selected by the various organizations to head their work. This committee shall make nominations to fill vacancies occurring during the year at the regular meetings of the Promotion Committee.

Section 7. The Trustees shall consist of three members. The chairman shall be the member with the longest term of service as a trustee. It shall be the duty of the Trustees to hold in trust all property and effects of the Association, take care of and keep the same in repair, accept bequests for the Association, and perform all other duties which the Association may signify.

Section 8. "The Missions Committee shall consist of nine members, at least two of whom shall be women. Two of these shall be nominated by the Nominating Committee and the remaining seven shall be the heads of the following Associational offices: Sunday School, Training Union, Woman's Missionary Union, Brotherhood, Associational Vacation Bible School Director, and the Associational Clerk and Associational Treasurer." The chairman shall be designated by the Nominating Committee. This committee shall direct the work of the Associational Missionary and confer with the churches concerning their co-operation with and financial support of the Associational program and the program of the State and Southern Baptist Conventions.

Section 9. The Promotion (Executive) Committee shall be composed of the Officers of the Association, the Surry representative on the General Board of the State Convention, the ministers who are pastors in the Association, and one lay representative elected by each church. In no case shall any church have more than four members on this committee. Between annual meetings of the Association this committee shall act as the Association in matters requiring consideration. This committee will furnish a name or names to proper Officers of the Baptist State Convention for the member of the General Board of the Baptist State Convention from Surry Association. The officers of this committee shall be Moderator, Vice-Moderator, and the Clerk who shall be the secretary. The Moderator shall see that the committee meets at least quarterly and at any other time deemed necessary. He shall be expected to prepare a written report of the actions of this committee to be presented to the Association at the annual meeting. Eleven members shall constitute a quorum to transact business after notice of such meeting has been given to all members. The committee shall act as an agency of the Association in the promotion of the causes fostered by the Association.

Section 10. At the first session of the annual meeting the Moderator shall appoint the following committees to report at this meeting of the Association:

- a. Place and Preacher
- b. Resolutions
- c. Committee to nominate the Nominating Committee

Section 11. Other committees for specific reports and work shall be appointed by the Moderator as the need arises.

The Association may be called into special session if necessary by a majority vote of the Promotion Committee. All business shall be conducted according to Kerfoot's "Parliamentary Law," but in cases where the meaning may not be clear the Moderator may exercise his discretion, subject to appeal to the Association.

Section 2. Visitors from sister churches and similar bodies may be invited by the Moderator to sit with the Association, to participate in its deliberations, but may not have the privilege of voting.

Article VII. Powers and Prerogatives

Section 1. The Association shall have no power whatever to infringe upon the rights of the churches. It may advise or recommend measures of usefulness for their adoption and guidance, but cannot bind them in any way. However, it may justly claim for itself, for its purpose, and for its recommendations the very highest consideration and regard.

Section 2. The Association may withdraw fellowship from any church that becomes disorderly in practice, or that treats with contempt its purpose and requirements, or upon the request of a church for its own dismissal.

Section 3. The churches constituting this Association shall each retain complete self-government under Christ as the supreme Head, Lawgiver, Governor, and Lord over His churches, and unite only that they may more successfully promote the cause of Christ throughout the world.

Article VIII. Amendments

REPORT OF RESOLUTIONS COMMITTEE

Be it resolved that we the messengers of the Surry Baptist Association, convening for its 58th annual session, go on record as expressing our appreciation for the splendid hospitality of the Welcome Baptist church as evidenced by the warm friendliness, the cordial welcome of the people and pastor of the church, and by their sincere efforts in looking to the comfort and convenience of the messengers.

That we express our gratitude to the people of this church and the Indian Grove church for the bountiful and well prepared food for our nourishment and enjoyment.

Be it resolved further that we express our gratitude to our guest speakers and musicians for their preparation to speak to us and sing for us, for their traveling to our place of meeting, and for their stimulating addresses and music.

MISSIONS COMMITTEE, SURRY BAPTIST ASSOCIATION

The work of the Missions Committee for the past year consisted primarily of interviewing interested ministers as prospective replacement of Mr. Biddle to fill the office of Associational Missionary in our Association. Mr. Owen Bradley was called to fill this vacancy.

We would like to thank the churches for the warm friendliness with which they have received Mr. Bradley; and for the opportunities you are giving him to work within our churches.

This past year 30 of our 65 churches made no contribution to the support of our Associational Program. Our Associational Program is a cooperative effort of many and varied activities and should be of vital concern to all our churches. This year let's be 100% in participation — Every church contributing to the success of the program.

Respectfully submitted,

Joe B. Maye,
Chairman of Missions Committee

REPORT FOR BAPTIST HOME FOR THE AGING

God's gift to the homes for the aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder or accomplished more than this dedicated man of God. On July 1, he relinquished the heavy and Challenging responsibilities of the office of general superintendent to his successor, William A. Poole. The new superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our homes for the aging. The new Infirmary Annex, constructed at a cost of \$193,000 and with 28 new rooms is now in use. It is hoped that the construction of the proposed new Hamilton Homes can be started this fall with facilities for around 30 additional residents. Our hats are off to all who have given so liberally and worked so tirelessly in bringing this fourth home to fulfillment.

At the present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 106 residents in our three homes — Resthaven 20, Albermarle 34, Headquarters 52. Even with our new facilities it is not unrealistic to say that we could fill rooms up to 500 in the next two years. We must attempt great things for God and expect great things from God as we plan for the future in our ministering to the ever-growing number of the aging who need the loving care of North Carolina Baptists.

We are increasingly dependent upon the prayers and the financial support of the churches. During the fiscal year, October 1959 to August 1, 1960 we have received \$82,521.20 from the churches. Of this amount \$76,352.70 was contributed through the Special Day Offering in February. Although this amount is \$123,000 short of our goal of \$200,000 we are profoundly grateful to God and to everyone who has had a part in contributing to the worthy cause which we represent.

Mr. Poole welcomes a visit to the homes from our fellow Baptist at any time and stands ready at all times to render his service to the aging.

Let it be known throughout the bounds of our fair State that there is nothing to hinder any needy aging person in our midst from coming to the North Carolina Baptist Homes for the aging except lack of space. Let us, therefore, dedicate ourselves to the end of making more space available at the earliest possible moment.

George W. Walker

REPORT ON CHRISTIAN LITERATURE

"Reading maketh a full man". — Bacon

Because one is a part of what he reads, certainly it behoves every home to provide good, wholesome, Christian literature for its members. The importance of quality Christian literature cannot be underestimated. People in our day and time are reading people; therefore, it is imperative that the quality of that which is read be interesting, enlightening, easy to read, and related to life's situations. Most people will agree that the quality of the religious literature being published by our Southern Baptist Convention has greatly improved. Old publications and many new ones have received the best that dedicated Christian leaders have been able to give them.

In our state there are two publications that have brought enlightenment to our homes from denominational circles, as well as from the world at large. The Biblical Recorder which now has 65,000 state subscribers, 141 Surry Association subscribers, and 15 church clubs in the county is one of these denominational papers, ably edited and efficiently managed by a Christian staff. The second one is Charity and Children which has a total circulation of 52,000. There are a total number of 359 copies of each edition being mailed to the Surry Association, excluding those who may be individual subscribers. More residents of Surry county would do well to take advantage of the quality of materials found in these publications either through club plans, family plans, or individual subscriptions.

The Church Administration, a fairly new publication, greatly aids the administration side of our program by helping formulate administrative policies and giving suggestions about church equipment.

Church Recreation, which was published for the first time in October, is a most valuable publication to aid the churches in their recreational program. Families who play together, as well as work and pray together, stay together. In what better way can a church encourage its youth and adults alike to become a part of the church organization than to engage actively in Christian, wholesome recreation. This brand-new publication, published by the Southern Convention, will help your church do just that.

Other books of genuine help and blessings include Tell, Royal Service, The Commission, Ambassador Life, Home Missions, Home Life, and the Quarterly Review, Which is for Baptist ministers only.

Let us resolve to read more and better literature during the coming year. Isaac D'Israeli said, "Literature is an avenue to glory even open for those ingenious men who are deprived of honours or of wealth."

Mrs. Jim Dan Hemmings

REPORT ON TEMPERANCE AND PUBLIC MORALS

I. Introduction:

We Christians know from our own experience that God is love. He calls us to completely loving lives. We must love our fellowmen. We cannot do anything to harm them, or set an example which may lead them to harm, because we love them. We must also keep our bodies and lives free from all practices which would defile them. These are the spiritual and scriptural bases of our Christian Baptist testimonies on Temperance and Public Morals.

II. Some areas of Concern:

TEMPERANCE AND ALCOHOL

Probably half of adult Americans use intoxicating beverages, including, regrettably, some members of Baptist Churches. Why is this wrong? Why does our Churches continue to require total abstinence from the sale or use of all alcoholic beverages?

FIRST, alcohol is a destroyer of lives, spiritually and physically, of every thirteen Americans who begin the use of alcohol, one will end up an alcoholic, a slave to drink, usually with his life and his home in ruins. We have all seen this happen, and we know that Satan has few other allies as powerful in destroying human beings as alcohol. How can any Christian drink alcoholic beverages, when he knows that his example may lead others to drink also, and end up with their spiritual and physical lives destroyed? Certainly we must do nothing which may lead our brother to stumble. There is no other Christian answer than total abstinence.

SECOND, alcohol defiles our bodies, which according to the Scripture, are the temples of God. We all know that even with those who are not alcoholics, the use of alcohol injures physically, morally, and spiritually. Alcohol leads to most other types of sin, since it takes away restraints on animal instincts. People do things when drinking which they would never do if sober, and often regret bitterly later. Alcohol also leads to various types of disease, and shortens life.

THIRD, alcohol results in the killing and maiming of thousands each year on our highways. It is not only the one who drinks, but often many innocent people are killed and crippled for life. Certainly we cannot love our fellowmen, and participate in a practice which does this to them!

FOURTH, alcohol wastes the material wealth which God has given us, and which we should use for good purposes. Each year, over eight billion dollars is spent by Americans on alcoholic beverages. This is more than is given to all churches and mission work. Think what could be done in building God's Kingdom if these sums were given to His work!

These are only a few of the good Christian reasons why all of us should practice total abstinence. The reason underlying all of them is that we must love the Lord our God with all our hearts, and with all our souls, and with all our minds, and with all our strength; and that we must love our neighbor as ourselves. If we do this, we can have no part with alcohol, which destroys our neighbors, defiles our bodies, and comes between us and our God! We should do everything possible to get the commitment of all our children and young people to total abstinence.

What can we do to help get rid of alcohol? Certainly we should vote against allowing legal sale in our communities and county and state. We should encourage the Federal Government to ban inter-state advertising of alcoholic beverages. Bills are before the Congress to do this, but they need the support of many more Christians if they are to pass. It would be well to ask candidates for Congress and the Senate whether they would favor passing such bills. Another bill we could support would ban the use of alcohol in commercial airliners. This would increase safety, if it could be passed.

PRIVATE and PUBLIC HONESTY

All too often we read or hear of dishonesty, bribery, and corruption, both in private life, and in relation to government. One form of this "payola", which has been published recently. Baptist have been loved and respected, partly because of their integrity. We must be careful that we live up to this reputation scrupulously in all of our dealings. We must demand the same high standards in those serving us in governments. The same is true of those who offer bribes to public officials, as well as those who accept them.

GAMBLING

Here again, our testimony is against any participation in any form of gambling. The chief reason, again, is that we must love our fellowmen. We know that gambling destroys spiritual lives, and we cannot love our fellowmen and take part in this practice. We must not lend our example to that which is evil. One who gambles, if he wins, is taking money away from someone else while giving nothing in return. This is a kind of robbery, and often deprives the loser or his family of necessary food or other things. No Christian can participate in such practice. If the gambler loses, it may deprive him or his family, or may take away what he should give to the church. This is also evil. Gambling often gets a hold through little things. We must be careful that we stay entirely clear of even what looks like minor wagering or betting. Once gambling gets started, it can be very destructive indeed.

OBSENIITY and VIOLENCE

We all know that there are unclean and damaging magazines and literature and motion pictures and programs on the radio and television. Even "Westerns" often give the false impression that everything can be solved by hitting or shooting or killing someone. This is the opposite of Jesus' method of love! We must be careful that our children are not exposed to such evil influences. Each of us is responsible in our homes. We can also protest to news stands radio stations, etc. which handle such material.

III. Conclusion:

We Christians must use our influence and our votes, as well as our example and teaching, to strengthen the moral practices in our communities. This is a part of the great commission, to carry the Gospel of Jesus Christ to all the world. Souls must be saved, and they must be helped not to slip again into sin. All of us are called to be perfect, and this includes our practices in the Field of Temperance and Public Morals.

Respectfully submitted,

Joseph E. Bowman

ANNUITY BOARD REPORT

The Southern Baptist Convention has entrusted the Annuity Board with the responsibility of caring for our pastors and their families in the days of need and anxiety. This program of protection is called the Southern Baptist Protection Plan. The Southern Baptist Protection Plan provides financial help in the time of death, disability, and retirement. The Board is there to serve in time of sorrow, if the church is in the Protection Plan. In case of the pastors death, his widow would receive an income from the Board as long as she lived or until she remarried. The Board is there to serve in time of sickness, if the church is in the retirement plan. In case of disability, the pastor would receive a monthly check from the Board as long as he was disabled. The Board is there to serve at retirement, if the church is in the retirement plan. At age 65, the pastor can receive his regular annuity as long as he lives. He cannot outlive this protection. A church can have all of this protection for the pastor if the church is in the Southern Baptist Protection Plan. We urge all churches to contribute to the work of the Annuity Board. The cost to the church is only 10% of the pastors salary. For instance: \$400.00 a year is as much as this program will cost any church who is paying their pastor \$4,000.00 a year salary. If all our churches contribute, then all our pastors will be protected and all our churches carrying out the command of our Lord.

At present (15) churches in our association contribute to this phase of our work. This is a denominational program and deserves the support of all the

churches. The Baptist State Convention of North Carolina is launching an intensive campaign to enlist at least 300 additional churches this year. We recommend that our association adopt our share of this as a goal and that we urge all our deacons and Brotherhood members to present this program to their churches as soon as possible. We also suggest that one of our monthly Associational Meetings or Brotherhood Meetings be given to the discussion of this phase of our denominational work. Churches desiring further information should contact members of the Annunity Committee, the Associational Missionary, or Tom Greene, Baptist Building, Raleigh, North Carolina, who is the Director of the Annuity Board work in North Carolina. He will be happy to present this matter to any local church desiring his help.

Talmadge Hall

REPORT ON HOME MISSIONS

"And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem. And ye are witnesses of these things" (Luke 24:27-28). Thus the pattern for Home Missions was set when Jesus commanded that we go into all the world and witness for him - "beginning at Jerusalem."

The Home Mission Board, organized in 1845, has been serving more than 115 years. In this time the board has helped to constitute 13,248 churches, more than one third of all churches in the Southern Baptist Convention. Southern Baptist support a force of more than 2000 on home mission fields. These missionaries reported 44,694 professions of faith in 1959. Since 1845 the denomination has given home missions \$68,450,921. The Annie Armstrong Offering and the Cooperative Program provided \$4,151,389 for home mission work in 1959. There has been a net gain of 5,142 in the number of Baptist churches in the past 12 years.

The Home Mission Board is co-operating in every state in the promotion of mission work. This work is grouped under these programs: evangelism, church loans, language missions, city missions, associational and pioneer missions, chaplaincy, and National Baptists.

We are deeply grateful to our Home Mission Board for its ministry. There are, however, still many challenges facing Southern Baptists. In our southland there are 3,000,000 mountain people, 80 percent of whom are unchurched. In the 100 largest cities in the Convention territory the total population is over 52 million, and six of every ten of these people are unsaved. In one area alone there are 6,200 communities in which there are no Baptist churches.

The Home Mission Board would like to call on Baptists throughout Surry Association to recognize the size and urgency of our home missions task, and to pledge anew their prayers and support in helping to meet the challenge of the crusade in home missions.

Respectfully submitted,

Mrs. Earl Myers

REPORT ON CHRISTIAN EDUCATION

Christian education has many phases which includes college education, church training unions and many branches that would come of self study.

I would like to look at the progress our Baptist sponsored colleges have made in the past few years and try to impress on our association the need to work harder for our colleges in our churches.

In 1944, the five colleges that were supported by the Cooperative Program received \$77,569.39. This, I guess, looked like a large amount to individual churches but actually, it was hardly enough to grease the gears instead of furnishing the power to operate.

However, we have made progress in our giving as the Cooperative Program gave to seven colleges last year \$1,062,140.00 with a promised budget for 1960 at \$1,150,000.00.

It is up to us as Baptist to work harder for colleges by giving through the program and giving more as more is demanded.

It also behooves us to reccommend to our eligible young people that we have fostered in the faith through the church, to continue their Christian education as well as general education in colleges where we as Baptist know the Christian attitude is felt, taught and practiced.

We of the church, Association and Southern Baptist Convention are called upon by our youth, to provide for them all phases of Christian education that is needed by each individual and this is just one more way for us to honor our Lord and Saviour Jesus Christ.

Rev. Clarence L. Marshall

REPORT ON STEWARDSHIP

Psalms 24:1, "The earth is the Lord's and the fulness thereof; the world and they that dwell therein." Since God is the owner of all things, what we have and are, is a trust from Him. The Bible makes us acquainted with the fact that God expects us to acknowledge our stewardship. (Malachi 3:10). The use we make of life's possessions and especially our money, is a revelation of our spiritual temperment, growth and understanding. In the Old Testament the law demanded the tithe. In the New Testament God's grace impels us not only to tithe but also to give joyfully and cheerfully, according to our prosperity. The Christian concept of stewardship is not based on conforming to a law but the motivation for Christian giving is born of the presence of our Lord's gracious love in our hearts.

Our associational records reveal that we as an association have made progress in our giving, but when we study our last year's records closely, surely we will all want to become better stewards. Last year's records show we gave only \$3.93 per member to all Baptist mission causes outside of Surry Association. This is less than 8c per member each week. Before we excuse ourselves for not giving more to mission causes because of our own local expenses, let us notice the records show we gave just \$28.73 per member last year to local expenses, or an average of 55c per member each week. I hope the digest of our 1960 church letters will show a better record of our stewardship to God, so the lost may have an opportunity to hear the gospel.

How can we pray "Thy Kingdom come, Thy will be done", until we do what we can to bring this about? When we think of what our Heavenly Father has done for us, the doing of His will in Christian stewardship will be a joy, His fellowship a privilege and service and sacrifice for Him will make us useful Christians inbringing the coming of His kingdom to earth.

Mrs. Frank Sitton

EVANGELISM REPORT

When Jesus commissioned his disciples he gave to them the responsibility us includes winning the lost to Christ and then helping them to grow to full of carrying out the work he had begun. This task which has been passed on to Christian maturity. New Testament evangelism in its larger meaning includes

all of this.

However, we interpret the task of the Chairman of Evangelism and the Committee on Evangelism as being that of giving particular emphasis to the winning of the lost to Christ. In order to do this we seek to promote the program of evangelism which is based on the plan used by Christians of the New Testament. First, there must be the public proclamation of the Gospel; second, there must be personal witnessing. This is the program we are seeking to help the leaders in the churches implement in every church.

During the year of 1959 the Southern Baptist Convention gave a special emphasis to evangelistic crusades through the associations of the state conventions. During that year 1,000 of the 1,100 associations in the Southern Baptist Convention work were involved in simultaneous crusades. It was during 1959 that we baptized more people than at any other time in our history. A total of 429,063 people were baptized during that year. It seems that this year of 1960 will find our churches falling below last years' peak. This can be accounted for by the fact that there was not a convention-wide emphasis on simultaneous evangelistic crusade.

Beginning with 1961 and continuing through 1964 the Southern Baptist Convention will give special emphasis to these simultaneous crusades as we come to observe 150 year of Baptist work here in the United States. This program will seek to enlist all of our churches in a cooperative effort in seeking to win the lost to Christ. In addition to the special effort at this point, there will be a consistent effort to encourage every deacon, Sunday School officer or teacher, and other church leaders to become soul winners.

The Executive Committee of our association has voted to join in this program of evangelism. The date for the beginning of our Simultaneous Evangelistic Crusade is March 19. We are very much encouraged by the number of churches which have already decided to participate. We hope that many of these will continue for two weeks with others in the Jubilee Advance Program. We urge all of our pastors and churches to join with us in this great endeavor.

In preparation for our Simultaneous Crusade an Evangelistic Clinic has been planned for Monday, February 6. The evangelistic committees and other leaders of our churches will meet for training and preparation for the crusade. Leaders of our State Convention will direct us in the clinic.

The aim if the Chairman of Evangelism and the Committee on Evangelism is to assist our churches to establish and carry out a perennial program of evangelism. We trust that under the leadership of the Holy Spirit this task will be accomplished.

REPORT OF ASSOCIATIONAL MISSIONARY

Upon coming to the Surry Association in March as your missionary we found a spirit of Christian brotherhood. The people did much to make us feel at home and provide for our comfort and wellbeing. The churches have received me with kindness and interest. In nearly every case when visiting a church I have been recognized and invited to say a few words. Every Sunday, except two, it has been my privilege to speak at least once, and often two or three times. I have also held revivals in three of our churches.

Without going into details of miles driven, promotional material mailed etc, let me say these months have been busy. I am happy to report that upon completion of my schedule next Sunday, I will have conducted or visited a service in every church in the Association.

Four principles form the policy by which I am trying to do the job. Each day I feel more and more that this is the right approach.

First, each church, be it large or small, has a place of importance, as well as responsibility, in the Kingdom of God.

Second, the job is to encourage, to assist and inspire the churches to rise to greater heights of dedication, service and Christian stewardship at home as well as in the whole world.

Third, these goals can only be reached through personal contact with the churches, pastors and leaders; in a spirit of acceptance, understanding and love, working together for the advancement of God's Kingdom.

Fourth, the Association exists for the benefit of the churches, serving to help them become stronger and courageously lead them to be more missionary minded. I realize that the only way for the Association of missionary to succeed is for the churches and the faithful pastors to succeed.

May I ask for your continued support and prayers as we begin the work for this year.

Respectfully submitted,

Oren Bradley, Missionary

REPORT ON BAPTIST HOSPITAL

The ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Every Christian must be vitally concerned about the physical and spiritual welfare of his fellowman. Every one of us should rejoice that we can have part in the physical and spiritual condition of so many through the ministry of our Baptist Hospital. People from all over the state come to the Hospital for help.

However, let us think now about the ministry of the hospital to the people of Surry County. Last year there were more than 4,000 visits to the Service Clinics of the Baptist Hospital and more than 300 bed patients cared for in the Hospital. There are more service patients coming from Surry than from any other county in the State in proportion to the population of the county. The Hospital spent \$41,470 in free service to these patients, in addition to the free service of the medical staff to all service patients. If we are selfish enough only to think about ourselves, the Hospital more than justifies its existence for us.

How can our Hospital continue to render this type of service to those in need who come for help? The Hospital receives about 3 $\frac{3}{4}$ % of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Departmental of Pastoral Care. The Mother's Day Fund provides the money to help pay the hospital free service to the people of our country, and then think about the \$3795 that was donated last year by the Baptist churches of our Association. Are we desirous of healing the total man as was the Lord? If so, one way to show forth this desire is to raise the Mother's Day Offerings in our Baptist churches.

George C. Newman

FOREIGN MISSIONS REPORT

"Go ye therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world."

Our Lord has commanded us to go tell all people about the Gospel. The program launched by our Foreign Mission Board enables us to obey God's commission to go and tell all people. This message must be communicated through preaching, teaching, and ministries of love in order that people may come to a saving knowledge of Christ through faith. Today there are 1459 missionaries sent out by our Foreign Mission Board to 44 countries and these depend on you and me for their financial support. More than this, though, they depend on us for support in prayer and in the sending of our young people to undergrid and carry on the work.

The program of work among our missionaries is designed to meet the needs of people anywhere. The main divisions of work are as follows:

1. Evangelism and church development, including all phases of church and denominational life.
2. Schools, including kindergartens through senior colleges and theological seminaries. There are 1,002 schools with 151,276 students enrolled.
3. Medical work, including hospitals, clinics, and dispensaries ministering to more than 260,000 patients annually.
4. Publication work in which more than 14,000,000 pieces of printed materials are annually made available in many languages.

Under each of these categories are many subdivisions and varieties of work. Every ministry which is of value at the home base is needed in the countries served. We have a vital part in every aspect of this great work as we give through the Cooperative Program in our churches and through the Lottie Moon Christmas Offering each year.

The Foreign Mission Board looks to the Cooperative Program and the Lottie Moon Christmas Offering for support. The operating budget is built upon the Cooperative Program. The sum of \$2,500,000 if the Lottie Moon Christmas Offering is included in the 1960 operating budget, but the bulk of the money is provided by the Cooperative Program.

Advance in foreign missions is dependent upon sustained growth, both of the Cooperative Program and the Lottie Moon Offering. These two sources of income are vital to the missionary enterprise. The Foreign Mission Board is grateful to all who labor in the Southern Baptist Convention, state conventions, associations, and churches to promote the Cooperative Program. The same gratitude is felt toward Woman's Missionary Union for their labor of love in promoting the Lottie Moon Christmas Offering. Let us in our churches of the Surry Association join with others throughout the Southern Baptist Convention in making our contribution to this great cause the best ever.

REPORT ON BAPTIST CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 deserving boys and girls annually.

The three homes are: Mills Home at Thomasville with 311 children, Kinnedy Home at Kinston with 165, and Odum Home at Pembroke with 24 children.

There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid. Case work supervision is afforded 30 college students annually.

Children attend public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the Churches.

Relatives, pastors, social service agencies, and interested friends make inquiries about admission of children in need of care. When applications are received, well trained case workers make a thorough study of each situation to determine the need and the best possible plan of care for the child.

The Social Service Department of the Children's Homes affords case work services throughout the state. Individuals, families, pastors, and Churches are entitled to this help upon request.

The Baptist Child Care Program is supported through the Cooperative Program 31.5%, Thanksgiving Offerings 31.1%, Once-A-Month Offerings 21.9%, Special Gifts and Endowment 15.5%.

Income for the past three years has not been sufficient to meet minimum needs. Many children have been denied a Christian home whom we should have served. An increased Thanksgiving Offering is imperative this year.

North Carolina Baptists have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November. During these years, more than 8,000 children have been afforded life's best opportunities. The need for such services increases with the development of industry, increase in population, growth of cities, and the mounting tensions which accrue to families in an urbanized society.

John E. Roberts became Editor of CHARITY AND CHILDREN, June 1, 1960. We envision, under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

North Carolina Baptists will continue to love and serve dependent children. No other object is so worthy of service and sacrifice. Many areas of unmet need confront us each day. Your continued interest and increasing support will help us meet them.

SUNDAY SCHOOL REPORT

Through the past year by the efforts of dedicated officers and teachers, we have seen some advance in enrollment and improved Sunday School facilities. However, we cannot rest on some improvement, but need to take advantage of this and go forward.

We need to have a more sincere love for the unsaved, in order that we might bring them into our Sunday Schools to hear the Word of God. We need more dedication through prayer and study by our workers, that their lives might be an example. Our teaching should be in simple and understandable methods, that it might be effective in the lives of those we teach.

Our Sunday Schools are the only place that many are exposed to the gospel. By intelligent teaching and discussion we are in a position to show them what the Love of God and Christian living can do for them. Many times the seed of conviction is sown in our Sunday Schools, even in the hearts of the very young.

May God give us more dedicated workers, for truly "The harvest is white". Many are lingering for competent interpretation and study of the Bible. To this task our Sunday Schools are drawn by these very Scriptures we endeavor to teach.

Our Vacation Bible Schools are also used to broaden our study and application of the most important book of all times, the Bible. This book that was inspired of God has been written and passed down to us by many generations. Through the work of Vacation Bible Schools many Christians have a better understanding of people, especially children. In Bible schools many times children receive a better understanding of the love of God, and many make sincere dedication of their lives.

May God give us a greater understanding of our mission in His work, a strong desire to accomplish the mission, and a greater love of his Word and his Work.

Respectfully submitted,

Worth Haynes, S. S. Supt.

VACATION BIBLE SCHOOL REPORT

"And ye shall teach them to your children, speaking of them when thou sittest in thine house and when thou walkest by the way, when thou liest down and when thou riseth up." Deut. 11:19

Two Vacation Bible School Clinics were held this year. One an all day clinic with Calvary Baptist Church. Dr. Ihley, our State Sunday School secretary, and Mrs. Myra Motley, along with other state workers came to conduct this clinic for us. The second clinic was a night clinic held with Welcome Baptist Church, using conference leaders from our own Association.

48 schools were held this year with 35 of them reporting. From these reports we learned that; 2,405 boys, girls, and faculty members were enrolled, with an average attendance of 2,047. Gifts through the Cooperative Program were \$527.60 with designated gifts of \$51.09.

Two colored schools were held, Mrs. Oren Bradley, our Associational Missionary, was principal of one, and Mrs. Opal Watson principal of the other. They reported 158 enrolled with an average attendance of 120. Gifts of \$11.27 was through the Cooperative Program, and \$7.69 designated.

May we work harder and pray more that all our churches may have a Bible School next year, that boys and girls may know our Saviour's love.

Thank you, Co-Workers, Pastors, and Superintendents for all you have done for our Lord and Master through Vacation Bible Schools.

Mrs. Opal Watson

Vacation Bible School Supt.

BROTHERHOOD AND ROYAL AMBASSADOR REPORT

A rising interest has been shown in our Brotherhood work this year. We have noticed a considerable increase in attendance at our associational meetings. Then, too, our Regional and State meetings have been well attended. As a result of the increased interest, the men of our Brotherhood are becoming better informed, and have a broader vision relative to God's work.

There are four major things that our Brotherhoods should do:

1. They should mobilize men.
2. They should develop men.
3. They should use men.
4. They should grow men through the Royal Ambassador program.

Our goals for 1961 are:

1. To organize at least one Brotherhood each quarter.
2. That each Brotherhood increase its membership by at least 25%.
3. That our Brotherhood wholeheartedly support our associational program.

Again this year the Brotherhood did an excellent job of supporting the Royal Ambassador work. The RA Soft Ball League was the big project again this year. Holly Springs won the championship game over Jessup's Grove. After the final game there was the awarding of the trophy to the winning team, followed by a weiner roast for all the RA's of the Association.

The RA work of the Association is growing, but there needs to be more men willing to work with the boys. There is no finer youth program available for our Junior and Intermediate boys than that of Royal Ambassadors. More churches are encouraged to begin this important work with their youth.

Lonnie Brown, Brotherhood Pres.

REPORT OF ORGANIZATION AND ADMISSION OF CHURCHES COMMITTEE

The Lovill's Creek Baptist Church, in a recent church business session, voted to ask for renewed membership in the Surry Baptist Association. The Surry Baptist Committee on Organization and Admissions of Churches was asked by the Lovill's Creek Church to meet with their committee to discuss this request and to make a recommendation to this annual associational meeting.

The Lovill's Creek Committee, along with many of their church members, was present for this meeting. The Admissions Committee members present were: Rev. R. J. Hartman, Mr. Crockett Brannock, Rev. Everett Marion, and Rev. Oren Bradley. The meeting began by the Lovill's Creek committee chairman telling of their desire to renew membership in the Association, along with the action taken during the church business session which initiated officially this request.

There was a wholesome discussion by their committee members and the other members of the church concerning this request. They expressed themselves freely with regards to their problems of the past and as to their hopes for the future. There appeared to be a sincere desire of all present to be a part of, co-operating with, the churches of the Surry Baptist Association, the Baptist State Convention, and the Southern Baptist Association.

Therefore, this committee recommends to the Surry Baptist Association that the Lovill's Creek Baptist Church be taken under watchcare for one year. At the end of this year, the Committee on Admissions shall examine the record of work done and the co-operative spirit of the church, and then make final recommendations to the Association.

Respectfully submitted,

Everett Marion, Chairman

THE OBITUARY REPORT

Since our last Associational meeting 90 of our members have passed to their Heavenly home. And it is with profound reverence that we stand to pay our deepest respect to them and to their families; for while they have departed from us they still live in our hearts and lives. We shall greatly miss them, but our loss is their eternal gain and we humbly bow to the will of our Heavenly Father.

We greatly rejoice in the great truth expressed by John the Revelator relative to the redeemed, which is as follows "Blessed are the dead which die in the Lord henceforth: yea saith the Spirit, that they rest from their labors; and their works do follow them."

Respectfully submitted,

Walter D. Turner
