Mrs. Evelyn W. Brown

Red Springs, NC 28377

Dear Mrs. Brown:

It is my sincere hope that this finds yourself and and your husband in good health and that your trip returning home last week was uneventful. It was a pleasure meeting both of you last week at the Register of Deeds' office in Dobson. Since then I have turned my apartment upside-down two or three times trying to locate my Chandler notes but, so far, have been unsuccessful. For this reason I have begun to rebuild my file on this interesting family. Please understand that what I have begun to rebuild is sketchy at best but so you will not have to wait too much longer I am enclosing what I do have.

The first item enclosed is the survey of the small cemetery in which Isaac and Frances are buried. I believe I told you that one day last summer I attempted to locate this cemetery using the directions but was unable to do so. Perhaps you and your husband would have better luck than I did. According to the directions a Mr. Alton Mills knows the exact location of the cemetery; perhaps this is an avenue for locating the cemetery. In our discussion you mentioned that you had just recently received the marriage information on Isaac and Frances. I would very much like to have this for my records. Could you please forward this information to me?

Isaac and Frances are living in Surry County on the 1860, 1870, and 1880 censuses (the 1890 census was destroyed). At the enumeration of the 1850 census they were residing in household #781 in the Snow Creek District of Stokes County. Their children were as follows:

(1) Delila, born circa 1835, married Thomas J. Tilley, Jr., in Surry County on 4 July 1854;
(2) Emily (10 March 1836-21 Feb 1919), married John Anderson Key, Jr., in Surry County, NC, 1 July 1858 (her Family Group Sheet in enclosed);
(3) Adelaide, born circa 1839;
(4) Malissa, born circa 1841, married Manor Longbottoms in Surry County 23 August 1860;
(5) Susan (March 1842 - circa 1902) married first circa 1860 to John H. Brinkley and #2 on 23 March 1864 to William Madison ("Bill") Venable (her Family Group Sheet is enclosed).
(6) William Henderson Chandler;
(7) Richard L. (1 March 1847- 1 October 1917), died in Winston-Salem, Forsyth County, NC, married 11 September 1873 in Yadkin County, NC, to Sarah Lindy Wall (a copy of his obituary is enclosed);
(8) Mary Chandler (April 1850 - after 1917), never married but had two sons: John H. and Richard L.
(9) Joseph H. (circa 1853-circa 1902), married Mary Frances Flippen in Surry on 20 November 1879 (her obituary is enclosed; she died 4 January 1930).
(10) Thomas Benjamin (circa 1855), married Ellen C. Flippen in Surry County on

11 January 1878 (she was born 6 September 1858 and died 7 July 1917). Any further information you can provide on any of these children (including William Henderson) would be greatly appreciated.

My interest in the Chandler family stems primarily from two of Isaac and Frances's children: Emily and Susan. Many of their descendants married into some of my ancestral familys. Isaac's brother Pleasant also has descendants who married into my familys. Should you be interested in this family I do have information on Pleasant's family.

I look forward to hearing from you at your convenience, and I remain,

Sincerely yours,

James E. Cockerham

About 200 friends and relatives were present for the occasion.

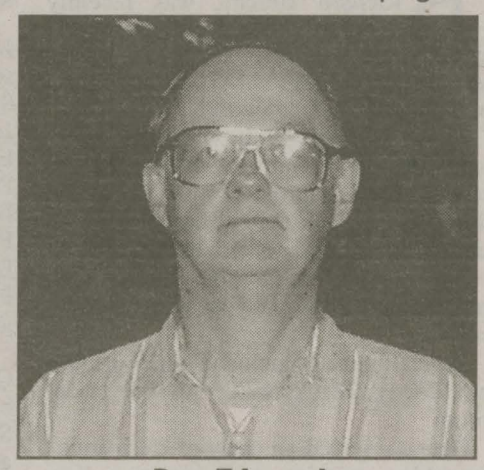

The table decorations included small metal lunch boxes with various candy brands such as Mary Jane's, Sugar Daddys, Tootsie Rolls, Red Hots, etc. Also, on each table there were packs of candy cigarettes and assorted candies. Each table had a tri-fold of advertisements and news items from 1948.

As guests departed, they chose their favorite pieces of "penny candy" from a candy jar that had been used by Fay's father when he operated Gilley's Grocery many years ago. They had fond memories of years gone by as they left the celebration with a little brown bag of "penny candy."

A Search for the Father of Thompson Chandler

Dr. H. Thomas Chandler
1714 Besley Road
Vienna, Virginia 22182

The search for Thompson Chandler's father has been ongoing for 20 or 30 years. First by one of my older cousins who performed her research before the days of the computer and later by me after I started genealogy for a hobby about two years ago. Using my cousins information for a starting base, I have made many advances in tracing different family surnames further back in time. One of these was the Dudley family of Surry Co.as previously reported.

The facts about Thompson Chandler's origin was a brick wall for my cousin and it has been one for me as well. I have made many additions to Thompson Chandlers' descendants file, but I have never discovered who his parents were, although I am now reasonably sure who they were. The purpose of this query is to ask for help in proving this educated guess.

Almost everything of genealogical value concerning Thompson Chandler is known from the time of his marriage to a Margaret Smith on July 25, 1831 in Giles County, VA. The only two known facts about Thompson before this time are his birth date, February 20, 1811 which was obtained from his son's Bible, and the fact that on the census reports after 1850 he declared he was born in VA.

In my search for Thompson's father, I have made extensive use of the computer and the many CDs that have become available in the past few years. The most useful CDs were the census indexes and a marriage index of KY, NC, VA, and WV 1728-1850 that lists all recorded marriages in this time frame.

With this background, I will describe what I have concluded.First, I should mention that there exists a Chandler Family Association (CFA) devoted to tracing the descendants of John Chandler who arrived in Jamestown, VA in 1610. This research, assisted by a professional genealogist, has traced many descendant lines throughout the SE portion of the United States. One of these lines lead to the 4 Chandlers (William, Daniel, William, and David) of Surry County who were recorded in the 1786 NC State census. Their research on this branch stops in around the year 1800.

Without going into details, my research revolved around searching census documents for the NC counties near Surry and all VA counties north of Surry to Giles County, VA. This search included the period prior to the first US Census in 1790, and the US 1790, 1800, 1810 and 1820 census and also included all recorded Chandler marriages for this time frame. The object of the search was to pinpoint which Chandlers could have been Thompson's parents.

Initial observations seemed to indicate that Thompson may have been the son or nephew of a Jesse Chandler of Franklin Co., VA. The services of a Franklin Co. genealogist were obtained, and many documents concerning Jesse Chandler were found to include

information about Jesse's son Moses who lived in Giles Co. at the same time as Thompson. The documents served to prove that there was no apparent family connection between Jesse and Thompson.

Further computer analysis of marriage records gave me additional information about a Chandler who did not appear in the census reports and I drew the following conclusion that is yet to be proved.

Discussion and Conclusion: One set of facts that includes most of the probable indicators, i.e., a male name related to a child's name, location in area, and proper age to have born Thompson, fits one couple - William Chandler & Polly Harris - married 9/10/1809 in Patrick County, VA. This event occurred 17 months before Thompson's birth. Further analysis leads to me to believe that this William is the son and/or grandson of the William Chandlers of Surry Co. (and later Stokes Co.), NC.

Although the William Chandler that marries Polly Harris in 1809 does not appear in the 1810 or 1820 census, a scenario to fit this situation can be surmised. This scenario is that William and Polly were married in Patrick Co. in 1809 and lived in Polly's parents' household for the first year or two and William was thus not registered by name as a head of a household in the 1810 census. William may have died before the 1820 census after having fathered one or more children and his wife Polly continued to live in or returned to her parents household. A Polly Chandler - probably the former Polly Harris, the widow of William - was married to an Isham Slate in Patrick Co. on Nov. 3, 1822. This scenario could explain Thompson's birth in VA as he claims in post 1850 census reports and the fact that there are no records of any other male Chandlers in that area of VA who could have been his father in this period between his birth and his marriage in Giles Co. in 1831. It should be noted that Thompson named his first son William Thompson Chandler and that in that era, it was an American/English custom for the first son to be named after the paternal grandfather. I do not know Thompson's middle name, but I suspect his full name may have also been William Thompson Chandler.

I now believe that this is the most likely explanation of Thompson Chandler's birth and life before his marriage. If any of the SCGA members are interested in helping me with this long standing puzzle, I would appreciate any help that you can provide.

If you are interested, send me your name and address and I will send you a much more detailed analysis that I wrote for myself to help me keep the many details in an orderly fashion.

I appreciate your efforts and the information that you sent to me. I will send for the Stokes County and Surry County maps as you suggested . They will serve to give me an idea of the area I am researching. I am also pleased to forward an application and check for $15 to join your Society. While I will not be able to attend meetings, I look forward to reading your SCGA Journal. I plan to visit the Surry area sometime this year and I will look up your back copies in the Surry Community College Library. In the mean time, if any copies of back issues are available, I would be pleased to purchase them.

Reference the Dudley family, I am enclosing the information you requested plus copies of Ransome Dudley's marriage certificate and Charles Dudley's Prayer Book that is inscribed with information. The prayer book copy was provided to me by Bettie McCaleb of Fayette, AL. She also sent me copies of pages 74-95 of a book "Prologue by Richard and Muriel Buckingham. This book seems to be definitive on the Dudleys. I have not yet entered all the information in my data base, but I have connected it to Ransome Dudley and his descendants (information I already had). Sorry to say, I believe the information I am sending disproves the rather exciting story of Robert Dudley and his inheritance.

I received Mrs. McCaleb's name and address from June Barnes who was provided my e-mail address by Linda Sorrell (I believe she is the web site coordinator?). It turns out that June and I are distant cousins. She is descended from one of Robert Dudley's sons and I am descended from another. Reference Ransom Dudley and his wife, it is interesting to note that on his marriage certificate he uses his middle name and his wife uses a nickname. I have found this type of name uses in several other cases. It really confuses research, but perhaps that just makes it more challenging.

Reference the Chandler Family, I have written a "think paper" (copy enclosed) based on my computer research and that of a Franklin Co. VA genealogist, which more clearly shows why I think Thompson Chandler's father was from Surry. I was pleased with the information you provided on Isaac Chandler and William Chandler. There is confusion with the Surry and Stokes County Chandlers. Two different groups. The Chandler Family Association (CFA) has done extensive research on the Chandlers of VA and NC. The Stokes Chandler descendants are known past the time of my Thompson Chandler, so they are not his parents although surely they were cousins. The Surry William Chandlers' (there were two, probably father and son) children are not listed in the CFA research. I am

enclosing copies of the pages of the CFA newsletter that concern the Surry and Stokes branches. Perhaps, for your library, you might want to purchase the back copies of the CFA news letters that start with the Chandlers in 1610 and show the connection to the Surry Chandlers. If so, let me know and I will send you their address.

Sincerely,

Tom Chandler

Thank you for your letter of January 2, 1994. We do not know of anyone in our association at this time that is researching this particular Joseph Chandler. A local researcher you may contact is Betty Camin, 1904 N. Main Street, Mount Airy, NC 27030 (910) 786-2307.

Enclosed is information from our surname file of researchers that are researching the Jessup family. There was no information in our vertical files on Chandler or Jessup. There was a Jessup family history in "The Heritage of Surry County," Vol. I but no mention of Joseph Chandler and Ann Jessop. There will be two histories in the Vol. II book but they have gone to the publisher so we were unable to check them.

We suggest you send in a specific query for our journal and submit surname cards for our file. Information is enclosed. Perhaps someone researching these families will respond.

We have placed your pedigree chart in our vertical file. If we can be of further assistance, please advise.

Dear Fellow Genealogist:

I am writing to ask for help in finding the parents of my Joseph Chandler who was born in NC and married in Surry Co, NC 12 Jan 1813 to Ann Jessop.

If there is anyone in your society who works on this Chandler line I would appreciate you forwarding my letter to that person; or, if there is someone I could hire to do research in your association, I would like to hear from that person.

If Joseph Chandler was 20 when he was married, he would have been born in about 1793. I found his marriage to Ann Jessop in Hinshaws Quaker book. I also found where the family moved to Indiana in 1822 and transferred their Quaker membership to Indiana. Ann Jessop Chandler died in IN in about 1833 and left Joseph with 9 children to raise. She is buried in the Friends Burying Grounds, Hendricks Co, IN but Joseph is not burried beside her. I have recently found him in the 1860 Indiana census with a wife Sarah at 69 years old and born in NC which would have made him born in 1891.

There are quite a number of Chandlers in the Surry County area around 1800 but I am not able to identify Joseph's parents/ancestors.

Thank you in advance for any assistance you may be able to give me.

Sincerely,

Carole Holt

"THINK PAPER"

Computer Aided Search for Ancestors
of
Thompson & Margaret (Smith) Chandler

Assumptions:

1. If Thompson knew his father, he probably named one of his sons after him.

2. If Thompson knew his mother, he probably named one of his daughters after her.

3. If Margaret knew her father, she probably named one of her sons after him.

4. If Margaret knew her father, she probably named one of her sons after him.

5. Margaret Smith's parent's have not been identified. She was two years older than Thompson and it is possible that she may have been a young widow and Smith was not her maiden name.

An attempt was made by computer to look for any marriage of a Margaret to a Smith in the 6 years prior (she would be 16) to her marriage to Thompson. This possible former surname name may not show up on Thompson/Margaret's marriage certificate if she was married before.

This search produced over 600 names in NC & VA. A 41 page printout of these names are available - but - I could not find any correlation.

6. In this time in history and in this area, (because of transportation) it is probable that Thompson and Margaret lived in nearby areas.

7. Marriages usually took place in the area where the woman lived. They were married in Giles Co., VA, therefore Margaret and her parents probably lived there.

8. There were no Chandlers in Giles Co., VA before Thompson and Margaret's marriage in July, 1831. A Moses Chandler appears in the-1840 Giles Co. census with Thompson. Moses was in the 1830 Franklin Co. census and was married in Franklin Co. in 1825. He was a son of a Jesse Chandler. He was near Thompson's age, b. 1805. Jesse and Moses were probably relatives of Thompson although not father and brother. (Edith Sigmond research)

9. Unless Thompson happened to be traveling west on a wagon train that stopped for the winter in Giles Co., he was probably raised in a nearby County by his parents or by a relative if his parents were deceased.

10. Thompson and Margaret's children probably passed on their grandparent's given names.

11. Thompson was born in 1811. His father probably fathered him when he was between 20 and 50 years of age. This would mean his father was married between 1770 and 1810.

12. Thompson may have been born in another country. Not likely. No Thompson Chandler was found on CD "Immigrants to the New World, 1600s-1800s.

13. I postulate that Thompson's full name was William Thompson Chandler (the same name he gave to his first son) and that he was called Thompson rather than William to avoid confusion with his father who may have been a William. I have noted several proven instances from this time and area, where nicknames or middle names were used on marriage certificates.

Discussion of Chandler Family Association publications:

Some of the information below was derived from the Chandler Family Association (CFA) publications. The CFA newsletters are compiled and or checked by a professional historian/genealogist from Richmond, VA (Robert Davidson) and or the CFA officers. Their reports are highly likely to be correct. In those cases where not all facts are not known or verified, they so note. The CFA index of over 60,000 names is derived from member submissions and may at times be suspect.

Virginia counties that were in the general area of Giles County, VA where Marriage of Thompson and Margaret occurred on July 25, 1831.

Allegheny
Bland
Botetourt (before formation of Craig after 1850)
Carroll
Franklin
Floyd
Mercer
Monroe
Montgomery
Patrick
Pulaski
Roanoke
Wythe
Rockbridge County - *Included for analysis (not very close - but - it is the next Co. NE in Shenandoah Valley from Botetourt where a Polly (Darst) Chandler lived in 1810. She was from Rockbridge, which also contains a number of Thompson and Chandler families. Polly married a John Chandler in Rockbridge in 1802, but she was single in the 1810 census. She may have been pregnant in summer of 1810 and if John died that Fall and the census was taken after his death, she could have been Thompson's mother in Feb. 1811.*

Note: see maps at enc. 1

Thompson may have been born in a nearby North Carolina County before moving into one of VA Counties near Giles. These are:

Allegheny
Caswell
Person
Rockingham
Surry

Stokes
Wilkes

Chandler Family Association Genealogy Reports:

Portions of the reports of the Chandler individuals in the area of VA & NC show that most, but not all, of the possible Chandlers that could have been Thompson's father are accounted for (to include their children) and therefore were not his father. One notable exception is William Chandler (Jr.) of Surry Co. NC. I believe this William to be the son of William Chandler (page 103 of report - enc. 2) and one of his sons who are not named in the report, married to Polly Harris in Patrick Co., VA in 1810. (see below)

Given names (1st, 2nd or 3rd) of Thompson and Margaret's male children

Alderson, Egustus, Henderson, Kenly, Kiles, Miles, Paris, Preston, Ransom, Snidow, Sylvester, Thompson, and William

Note: These names were used for computer analysis to match the given names with other Chandlers (see 1,2,3,4 above)or Smiths. Additionally, an attempt was made to match the names with other surnames by a wild card search method. (*See description of method below*).

Given names (1st, 2nd or 3rd) of Thompson and Margaret's female children

Adeline, Ama, Ellis, Emeline, Lu, Lucinda , Marie, Marion , Monroe, Nancy, Percilla, and Virginia

Note: These names were used for computer analysis to match the given names with other Chandlers (see 1,2,3,4 above)or Smiths. Additionally, an attempt was made to match the names with other surnames by a wild card search method. (*See description of method below*).

Computer match (in specified areas and times) of Thompson and Margaret Chandler's children's given names with other Chandlers and also with any surname (wildcard search)

Alderson -12 matches (surname) in Greenbrier Co., VA (just north of Monroe and Giles Co.) 9 matches (surname) in Monroe Co. and 1 in Botetourt Co. and one in Pittsylvania.

Egustus (or Eugustus) - does not seem to exist as surname or given name.

Henderson - a common name as a surname and a given name. Notable were a Henderson Smith married to a Polly Chandler in Caswell Co. NC, 1828 and 3 (given name Henderson) from Surry, NC. Also 14 surname Hendersons from many of the selected Counties in VA & NC and also Kanawha Co., VA.

Kenly - does not seem to exist as surname or given name.

Kiles - rare for surname. Three female Kiles located on marriage CD (one each in Kanawha,

King George and Tyler Counties. Check of all U.S. census 1790 -1840 shows only 45 head of household surnames. Noteworthy were 2 listings in Casewell Co., NC in 1790.

Miles - Miles is a fairly common given name. Six given name (men) matches were found in Casewell, NC and 1 each in Stokes and Surry NC. Botetourt VA (3), Franklin VA (4), and Giles VA (1). As a surname, 10 women in Casewell NC, 2 women in Stokes NC and 1 man & 1 women in Franklin VA.

Paris - not a common given name or surname. One Paris Smith (could be a brother to Margaret?) was found in Giles Co. VA (examination of a detailed pedigree eliminated this possibility) and Elijah Paris was found in Franklin, County VA.

Preston - Preston is not an uncommon given name. Seventeen (17) given names were found in the area (only 1 in NC-Stokes). Six (6) surnames were found, 2 in Stokes Co. NC, and 2 in Botetourt Co., VA and 2 in Montgomery CO. VA.

Ransom - Ransom is a fairly common given name but not a surname in other areas. In this area 3 given name matches were found. One (1) in Casewell NC and 2 in Surry, NC.

Snidow - No given name matches were found, but a number of surnames can be found. Twenty three (23) women and 10 men can be found in the Giles Co. VA marriage records although all are not in the exact time frame I was using for other searches. Only 2 others were found and these were in Montgomery Co., VA. It should be noted that the first ferry that crossed the New River (near Pearisburg the county seat)was established by a Christian Snidow in 1786. Of interest was a marriage listing in Giles Co. for an Augustus Snidow in 1843. This could be surmised to be associated with Sylvester Egustus Paris Chandler, son of Thompson born in the area in 1849.

Sylvester - not an uncommon surname, but only 5 surnames found in area of interest and all in VA (2 in Grayson, 3 in Monroe Co.).

Thompson - A very common surname, located in most of the counties of interest. As a given name it is not as common. one (1) in Caswell NC, 1 in Rockingham NC, 1 in Surry NC, 1 in Botetourt VA, 3 in Giles VA, 2 in Monroe VA, 1 in Botetourt VA, and 1 each in Rockbridge, Tazewell and Wythe Co. VA.

William - William wildcard search not done. William is far to common to produce any useful results. Instead, a search was done for "William Thompson" and 13 individuals were found, all in various VA counties in the area.

Adeline - this is a common given name. Three (3) found in Casewell Co., NC and 12 in various VA Co.s of the area. One of the Casewell names was Adeline W. Chandler who married an Abram Wright in 1850.

Ama - Ama is not a surname. Only 2 given names were found (enc. 3) 1 in Surry, NC and 1 in Franklin VA. The one in VA was associated with a 1797 marriage and gave no other clues. The Surry, NC "Ama" appears to be highly significant. (enc. 3). The marriage was between Issac Marion (name also appears as one of Thompson's daughters given names) and Ama Whitiker m. May 12, 1831 in Surry NC. Thompson was married also

married in 1831, but in Giles VA. One of the Marion children was named Lucinda, which also appears as one of Thompson's daughters given names. Enclosure 3 also contains pedigree and family page for the Marion family. It is interesting to note that the name "Ama" which is on the marriage certificate, is probably a nickname for "Amy Ana" which appears on the pedigree. (See enc. 3)

Ellis - is a given name for a Chandler daughter. It is almost never used as a given name for a women, although it is fairly common for a man. As a surname, a number of census listings were found. Many in Monroe Co., VA and 1 each in casewell, Surry and Stokes NC in the 1830 census.

Emeline - a common given name in other areas but only 1 in Surry, NC, 5 in Botetourt VA, 1 in Giles, VA and 1 in Pittsylvania VA. Note: the listing in Giles was for a 1836 marriage of Emalene Johnston to a Benjamin Thompson.

Lu - no "Lu" in area, but many women with initial "L" which may have stood for Lu. Lu is probably a nickname for a name like Lucinda or Luanne.

Lucinda - a very common given name. many listings, but of note, a marriage of Lucinda Johnson to Thomson Smith in Stokes NC in 1836 and a Lucinda Smith marriage to Richard Evans in Surry NC in 1828 and 2 Lucinda Smith marriages in Botetourt Co., VA and a Lucinda Smith marriage in Monroe Co. VA.

Marie - a rare given name although many initial "M"s seen. Five (5) Maries found, 1 in Botetourt, VA, 1 in Franklin VA and 3 in Monroe VA.

Marion - not very common, but does show up as a given name for men and women. Only one surname of note - see discussion of "Ama" above. (See enc. 3)

Monroe - almost no use of Monroe for a womens name except for one other in Cabell VA and also Thompson's daughter, but it is used for a man. I believe the name is derived from Monroe Co. VA which I believe to be associated Thompson's wife Margaret.

Nancy - Name is far to common to have meaning when wildcard searched, so search not done. There were a number of Nancy Smith names in the NC & VA counties. A Nancy Chandler was found in Franklin VA.

Percilla - very uncommon name. No listings in the area.

Virginia - not as common as I thought (in this area and time). Six (6) listings, none of note.

Minister and Bondsman

The Virginia Historic Marriage Register "Giles County Marriages 1806-1850" by Vogt & Kethley, lists the bondsman for Thompson and Margaret's marriage as Joel Sartain. Joel Sartain who did live in Giles Co. and was therefore, probably associated with Margaret. No connections have been found.

The same book, lists the minister as Elijah Beller. A visual scan of the book above showed no

other marriages performed by this individual, although it is noted that many of the records do not have a minister noted. A further search of this book uncovered a marriage of Peter Beller (only Beller marriage in book) to Margaret Emameline Lucas on Sep. 26, 1831 (no minister listed and bondsman was a Lucas family member). It should be noted that one of Thompson's daughters was named Emelene. This marriage that took place within about 60 days of Thompson's marriage. These facts led me to perform a computer search for Elijah Beller. I found listings for 2 Eli Bellers in the 1810 Stokes C. census, 1 Elisha Beller in the Grayson Co., VA 1820 census and 1 Elisha Beller in the Monroe Co., VA 1830 census (the only E. Beller in the area at this time). I also found a marriage of 2 (Eli & Elijah) Bellers in Stokes in 1796.

Either Thompson (from the Stokes area) or Margaret (from the Monroe area, which is next to Giles) could have been family friends of the Bellers.

Additionally, I found a pedigree of an Eli Beller born in 1771 in Patrick Co., VA and married in Stokes, NC who had a son named Peter (but this Peter married to an Eveline Campbell so he is not same individual as the Giles Co. Peter Beller). I also found Patrick County marriages of Charles, Earl and Elizabeth Beller, they were probably children and grandchildren of Eli. I speculate that Eli and Elijah were brothers.

Marriages from VA & NC Counties listed above that could have produced Thompson.

From CD - Marriage Index KY, NC, TN, VA, WV 1728-1850. The CD lists 382 Chandler (male & female) marriages in all of NC & VA. Sixty (60) of these were men (from all areas) married 1810 and before and could have been Thompson's father. Only counties of interest in vicinity of Giles Co., VA are listed below.

Casewell Co., NC:

Josiah Chandler & Martha Jeffreys - 3/23/1801 -*NO - was present in Casewell census of 1800/10/20*

Thomas Chandler & Charity Elliott - 3/13/1787 - *Not in CFA records.*

William Chandler & Jane Douglas - 5/21/1788 - *Not in CFA records*

Note: I postulate that Benjamin, Daniel, Thomas, and William are all sons of Jesse Chandler who appears in the area (CFA records newsletter June 94) before the Revolution. Jesse was thought to have left the Henry/Franklin area to migrate to S.C., but records discovered by Franklin County genealogist Edith Sigmon, indicate that Jesse stayed in the Franklin County area until his death in 1828/29. Jesse would have been 102 years old, so it may be that he had a son Jesse (there is no indication of this) who stayed on the family land.

Shadrach Chandler would appear to be the nephew of Jesse. The referenced Joel (Jesse's brother) had a first wife ? (probably Agnes), but their children are not mentioned in the June 94 CFA Newsletter that lists the children of Joel and wife Jane. Shadrack is not listed in the newsletter (but is in the CFA index) as a child of Joel. This record if confusing and needs to be clarified.

Patrick Co., VA:

Isaac Chandler & Elizabeth Stults(z) - 10/15/1791, daughter of George Stultz. Min. Henry Merritt, elder of the Methodist church - *Not found in area 1800 census, but an Issac does appear in Green Co. KY census. This is probably same individual.*

John Chandler & Elizabeth Bennett - 12/10/1794. Sur. Eliphaz Shelton. - *Not found in area 1800 census, but an John does appear in Green Co. KY census. This is probably same individual and brother of Issac..*

William Chandler[3] & Polly Harris - 9/10/1809. Sur. John Hughes. Min. Brett Stovall. M.R. 18 Sep. 1809. - *This individual would not show up as a head of household until the 1810 census. He does not show up in the 1810 VA census records. In 1810 there were 4*

Williams in KY but not in Green Co.
Probably Thompson's father, and mother.

Note: This individual is designated William3 for discussion below.

Note: I believe that all of the Patrick Co. Chandlers were probably sons of William Chandler of Surry Co., NC. None appear in the CFA index.

Pittsylvania Co., VA:

Allen Chandler & Francis Parrish - 9/26/1809 - *Listed in CFA index (Sec-4, L-50) son of William Chandler of Goochland and Halifax VA. Allen is not listed in 1810 area census and he later died in TN. Two Allen's listed in 1810 GA census and one in PA. The 1820 census shows an Allen in Pittsylvania and one on in Halifax Co.*

Rockbridge Co., VA:

Samuel Chandler & Salome Hoffman - 7/25/1793 - *Does not seem to be a CFA listing. He is probably son of John Chandler (Sr.) of Rockbridge Co.*

John Chandler & Polly Darst - 1/14/1802 - *Does not seem to be a CFA listing. He is probably son of John Chandler (Sr.) of Rockbridge Co. See discussion of John and Polly below.*

Wythe Co., VA:

Richard Chandler & Catherine Porter - 2/13/1798 - *Does not seem to be a CFA listing. A Richard shows up in Washington, KY 1800/10 census. A Richard shows up in Washington, KY and Kanawha, VA in 1820 census. Perhaps this is another son of the Surry County William (Sr.)*

Discussion of Margaret Smith

At this time, few clues to ancestors of Margaret Smith have been discovered. There are many Smiths in the geographic area and time of search. It is assumed, but not known, that she was born and raised either in Giles or Monroe County, Virginia.

Discussion of Research Findings:

One set of facts that includes most of the probable indicators, i.e., a male name related to a childs name, location in area, and proper age to have born Thompson, fits one couple - William Chandler^3 & Polly Harris - married 9/10/1809 in Patrick County, VA. This event occurred 17 months before Thompson's birth.

Two William Chandlers (1 & 2) appear in the 1786 Surry Co., NC census and the 1790 census (one is misspelled Chanley 1n the 1790 census, but is probably a Chandler). I surmise they were father and son. Only one William Chandler appears in the Surry 1800 and 1810 census. I would guess that this was Willam^2 and that William^1 had died at some time between 1790 and 1800. William Chandler^3 does not appear to be present in the 1800 & 1810 census (he would not be counted as a head of household until after his marriage in

1809). In the 1800 Surry Co. census, a William Chandler (probably William Chandler^2) is listed with a household containing one male age 16-20 and one male 21-45. I speculate that the 16-20 male was William Chandler^3.

It is possible that in the few years between the 1800 and 1810 census, William Chandler^2 died and that William Chandler^3 inheirited the land and then appears on the 1810 & 1820 census and thus appears to be William Chandler^2. It should be noted that William Chandler^3 does not appear on any Patrick County, VA census. It should also be noted that Patrick county is adjacent to Surry and Stokes Counties on the VA & SC border. I believe that William^3 was the son of William^2 and grandson of William^1.

The surname Thompson was probably the maiden name of Thompson Chandler's mother or grandmother. It should also be noted that the surname Thompson is present in nearby counties of Wythe, Botetourt, Rockbridge, Montgomery (VA) and Surry, Stokes, and Rockingham (NC) at the time of Thompson's birth. It should also be noted that Thompson families were in Kanawha County. WV at this time. Other Chandlers (John Jr. & Sr. and Richard) were in Kanawha County as early as 1830. It is possible that Richard was Thompson's older brother. Thompson migrated to WV in 1863, and it is possible he was following relatives.

A second set of facts that includes a possible mother, envolves a Polly Chandler. There was a Polly Chandler listed in the 1810 Boutetourt County VA census. At that time Botetourt County was contiguous with Giles Co., but now there is a Craig Co. between them.

Polly Chandler was the only Chandler head of household in Botetourt in 1810, a year before Thompson's birth (census listing was 20100-10110-00). Polly (daughter of Benjamin Darst) Chandler married a John Chandler July 14, 1802 in Rockbridge Co. which is the county on Botetourt's east. I surmise that this is the same Polly and that John died before the 1810 census. The 1810 census shows her with two boys and one girl under 10. This could not have been Thompson unless we have his birth year (1811) wrong, and that is a possibility. However, the census shows one female 26-45 (probably Polly) and one male and one female between 16-26 in her household. I wonder if this may have been another Chandler couple living with Polly. If so, they might have been Thompson's parents. Another possibility (maybe remote) was that Polly became pregnant in the summer of 1810 and then John died, the census was taken and Thompson was born in February of 1811. A Polly Chandler was married to James Hopkins in Rockbridge Co. Nov. 17, 1817. This is not Polly (Darst) Chandler, but is a daughter of a John Chandler. There were a number of Thompson families in Rockbridge Co. at this point in time, but I have not connected them. Polly was not present in the area during the 1820 census and I have not discovered a remarriage or where she migrated.

Conclusion:

William Chandler^3 & Polly Harris - married in Patrick County, VA, 9/10/1809 - were probably the parents of Thompson Chandler. I speculate that, before the marriage, Polly resided in Patrick County with her parents, and William^3 in Surry Co. with his parents . I further surmise that either shortly before or after they were married, they inherited William's^2 land in Surry, Co., NC.

Note: A Patrick Co., VA marriage not mentioned before (because it was not in time frame studied) occurred on 12/28/1830. Seaton Chandler married Hannah Beasley, daughter of Thomas Beasley. Wit. Hardin Beasley. Min. Brett Stovall. M.R. 9/18/1831.
Seaton does not show up in later census reports (anywhere) - Seaton may be middle name. - *This individual is correct age and location to be son of William Chandler and brother of Thompson.*

COMPUTER WILDCARD SEARCH

This is a name matching technique that could only be done by computer.

A symbol ('*') is entered into the computer to represent ANY surname. The computer is instructed to show all matchs with a specified given name on the CD in its drive. In this search, Broderbund's Marriage CD of KY, NC, TN, VA, WV 1728-1850 (over 582,000 marriage listings from 333 counties)was used. A marriage CD was selected since it lists male and female names that might not appear on a census CD unless they were the head of a household. Additionally it captures names in any year, not just the tenth year records of the census.

Example: if I were trying to locate any William with any surname, I would ask the computer to look for ('*', William). The computer takes about 10 minutes to mark matching records. Unfortunately, when searching William, it also marks any initial "W" as a possibility. This creates a lot of extra possibilities with very limited use. At this point it is necessary to visually

scan (on screen) the computer identified records and add a tic mark by matches chosen (i.e., those in the correct area and time) for later printing. I tried to limit my choices to the names in an area within a hundred miles or so of Giles Co. and within a compatible time frame. This took about an additional half hour per name. A wild card search of the children's 25 given names was done - one at a time.

I found several interesting matches, but one was unique - a couple whose somewhat uncommon last name - Marion, matched one of the female children's names and the wife's nickname Ama (used on the marriage certificate - but, she is listed elsewhere with her real given name Amy Anna) matches one of the other female children's names. Marion is not highly uncommon on the CD as a surname, but is as a given name and produced only three matches. Ama produced only one match. Isaac Marion and Ama Whitaker were married in 1831 (same year as Thompson - thus probably same age) in Surry, NC.

SURRY COUNTY GENEALOGICAL ASSOCIATION
P. O. BOX 997
DOBSON, NC 27017

April 4, 1998

H. Thomas Chandler, DDS
1714 Besley Road
Vienna, VA 22182-2004

We recently saw your information on the Dudley family in "Family Information Swap" column in "Simple Pleasures" dated Mar-Apr 1998.

We would love to have a pedigree chart, family group sheets, etc., on this family if you would be so kind to provide us with this information. We have had several queries on the Dudley family and at present we do not have much information available in our genealogy files. Our genealogy material is located at Surry Community College in the library in the Learning Resources Building.

Information on the Chandler family with Surry connections would also be helpful to us. We are trying to increase the volume of material in our family vertical files.

We hope you get some response from the information printed in "Simple Pleasures." We wish we had some information to help you. A William Chandler is listed on the Stokes County Hughes Historical Map in 1785. If you are not familiar with this map, it is a map of early settlers in the county. You can obtain a copy by writing the Stokes County Government Center, Register of Deeds Office, P. O. Box 67, Danbury, NC 27016. The cost is $4. It is a very nice map that comes with an index. Ask for the map and index. Charles Dudley is listed on the Surry Co. Hughes Map (1784, 1787, and 1789). The map and index can be ordered from the Surry County Register of Deeds, P. O. Box 303, Dobson, NC 27017 for $5. We found only Daniel Chandler in Surry Co. in the 1790 Surry Census. Isaac Chandler Will (Surry Will Book 3, p. 26a) lists wife Karen Happoch Chandler, son George Chandler, 7 young children not named, 10 oldest children not named. Will was proved 14 Nov 1797. From the book "Surry County Will Abstracts" we found: 2:98. 12 Mar 1785. William Chandlor to Reuben Dobson for L65 livestock & Personalty, 2 negroes Ned & Harry. Wit: John Lovern, Richard Wood, Thos. Hickman. Rec. Aug. Court 1785. The 1782 Surry Co. tax list shows William Chandler with 1 horse, no acreaage. They both appear on the 1790 census of Stokes Co. as heads of household. Stokes Co. formed from Surry Co. in 1789. Names listed in the index of this book are: David, Edward, George, Happish, Isaac, Karren Happoch Chandler, and William Chandlor.

In the book "The Heritage of Stokes County," Volume II, there is an article on the Issac Chandler Family. He was born in

1811 in Stokes Co. He married Frances Stewart ca. 1833. Ten children: Delia, Emily, Adelade, Malissa, Susan, William Henderson, Richard, Mary, Joseph, and Thomas Benjamin. Isaac and Fanny moved to Surry County after 1850 and are buried in Surry Co. Move information on their births and marriages are given in the article. The article was submitted by Joseph T. Stewart.

William Chandler is listed with 1 poll in Surry Co. in 1774, Martin Armstrongs List.

We are sending you a brochure regarding our association. Since both of your families are from Surry County we thought you might be interested in our quarterly journals. For $15 a year membership fee you will receive four journals and monthly newsletters. The journals are well worth the $15. They are normally from 30 to 40 pages in length. In our Spring 1997 SCGA Journal a couple of newspapers articles were printed regarding Robert Dudley and his inheritance, that he lived in Surry Co. in 1776 and died near Mount Airy and is buried within three or four miles of Mount Airy. Another note was found in the Surry County Cemetery Book No. 14, p. 37, that Robert Dudley came from England at age 14. He was entitled to an estate of 80 million dollars which was unclaimed in England. He had a son Robert who had 10 children. Can you add to this story?

Good luck with your research. We hope to hear from you regarding the Dudley and Chandler family. We will be happy to print a query in our journal for you. We we can be of assistance please let us know.

The Fourth Generation: Joseph[4] Chandler & Family- [Part V]
Children of son William[5] Chandler
Son James[5] Chandler & Family

WILLIAM [5] [Joseph[4], Robert[3], Robert[2], John[1]]

The life and tenure of William[5] Chandler, son of Joseph and Sarah Chandler, was presented in detail in the Chandler Family Assn. Newsletter of June 1996. In his will as written 25 Dec 1794 William[5] left all of his estate to Delishia and did not mention any child by name. The identity, age and residence of his children is necessarily derived from other records and references. The ommission of children by name was not unusual in wills of the period. Research continues to further document the children of William[5] and Delisha Chandler:

Daniel and family went with his parents to Surry Co., NC where he is found as a juror in May and August 1779, and again in 1780. Some misdeameanor took place in 1785:

> 1785, August 12. "Ordered Daniel Chandler to be committed to jail until tomorrow morning." Discharged August 13 on payment of fine.

Surry Co, NC court records show Daniel involved in lawsuits in 1787 and in 1788 he was witness to a land transaction on Little Snow Creek near his father's homeplace [Surry Co, NC, Deed Book D,p171]. In the 1786 NC state census he is shown in Surry Co., NC with wife, two sons under 21 and three daughters. In 1790 he is still in Surry with four sons and five daughters. He has not been traced further but there is a Daniel Chandler in adjoining Wilkes Co.,NC in 1800 and 1810

RICHARD[6] [William[5], Joseph[4], Robert[3], Robert[2], John[1]]

Richard Chandler born ca 1751-2 in Lunenburg Co.,Va. is a **possible** son of William and Delisha Chandler. The time and place of death is not known. Her married Elizabeth Carter sometime before 1770 in Goochland or Lunenburg Co., Va. Richard and Elizabeth had at least two children and their births were duly recorded in the Douglas Register, i.e Sarah Smith Chandler, b Sept 17, 1770 and Richard Carter Chandler born Nov 9, 1771.The children were born in Goochland Co.,Va. but it is not clear where Richard[6] and Elizabeth lived thereafter, or indeed how long they lived. He was not shown in any records or Census for Lu/Me/Surry/Stokes. His son Richard Carter may have been the Richard listed as Head of Household in the US census for Stokes Co., NC in 1800 in the 26-45 year age bracket. This Richard had a wife (name unknown) under 26 years and they had four dependants under 10 whose names are not known.

It should be noted that extensive research is underway to establish the relationship, if any, of Richard Chandler to William and Delisha Chandler and Richard Carter Chandler to the Richard and Charity Chandler who moved from NC to Franklin Co., Georgia in ca 1813 and have hundreds of known descendants.

ROBERT[6] [William[5], Joseph[4], Robert[3], Robert[2], John[1]]

This Robert Chandler is a **possible** son of William and Delisha Chandler. The 1790 Stokes Co., NC census lists a male over 16 in William and Delisha's household who may have been Robert. This may have been the Robert Chandler who married Judah Brown in Stokes Co. on May 16, 1798 and was still a resident in the 1810 Stokes census.

As with Richard above, research continues to establish the family relationship of this Robert Chandler.

JAMES [5] [Joseph[4], Robert[3], Robert[2], John[1]]

James[5] Chandler, the 4th known son of Joseph and Sarah Chandler, was born ca 1734 in Goochland Co.,Va . and died in 1808 in Newberry Co.(old 96th Dist) , SC. James was about 15 years old when the family moved from Goochland to Lunenburg Co.,Va. His first record of tenure in Lunenburg was the Tithe List of 1752 wherein he was shown in residence of his father Joseph at age 18. In 1762 at age 28 his father deeded him property that was part of a previous grant on the Southside of the Meherrin River. At the death of Joseph[4] in 1764, James was omitted from the will apparently because of the above deeded property. Joseph[4] also omitted sons John and Joseph who received land before his death.

James married Susannah_____ in Lunenburg Co.,Va in about 1760. He appears on the 1764 Tithe List for Lunenburg Co along with brothers John, Joel and William. In 1766 after St. James Parish became Mecklenburg Co he and Susannah sold the property deeded to him by his father and in Nov. 1766 purchased 150 acres in Mecklenburg Co., Va.

JOSEPH[5] [Joseph[4], Robert[3], Robert[2], John[1]]

Joseph[5] was born in Goochland Co.,VA ca 1739 and died in Caswell Co., NC in late1804. He was the son of Joseph and Sarah Chandler and moved to Lunenburg Co.,VA with his parents about 1749 at the age of 10. He was not old enough to appear on the tithe list of 1750, 1751 and 1752 that correctly identify his father and brothers.

Joseph[5] was a farmer and began to acquire land at an early age. First in Lunenburg Co., VA at the age of 18 when he bought 200 acres from his brother William. He is identified in the deed as Joseph Chandler Jr. Excerpts:

1757, Nov 1, Lunenburg Co., Va
Deed: William Chandler of Lunenburg Co. and his wife Delisha to Joseph Chandler Jr. for 200 ac Sneed Creek adj. Tyre Glenn, Robert Eastice etal. Delisha, wife of William rel. dower.

In 1761, at age 22, Joseph left Lunenburg Co.,VA with his cousin Joel[5] [Joell[4], Robt[3], Robt[2], John[1]] and moved to Granville Co., NC, an early Colonial County formed from Edgemont Co. in 1746. Granville Co. was located on the border of Virginia. They were the first Chandlers in Granville Co and are shown on early tax lists. Soon after arriving Joseph bought 200 ac in the County Line District. Excerpts:

Joseph continued to live in Granville Co. and married there soon after he arrived. The name of his wife has not been documentated. Susanna Tatum Fullilove, a daughter of John Tatum from King William Co., VA is a possible sister-in-law. In 1774 Susanna Fullilove, a widow, left 40 shillings to her sister Sarah Chandler. In 1757 Susanna's brother Benjamin Tatum patented land adjacent to land sold by William Chandler to his brother Joseph (Lunenburg, DB 5, p76). At her death Susanna was residing with her brother John Tatum in Granville Co. Sarah Tatum appears to have been in the right place and time to have married Joseph Chandler and research continues to verify Joseph's wife.

Joseph of Granville Co. sold his Lunenburg Co., VA property in 1770. By 1771 his brothers John and James had also relocated to Granville Co.. Joseph next moved from County Line Dist. to the Goshen Dist. in Granville Co by 1778 when he took an Oath of Allegiance to the State of NC. At that time Joseph was 39 years old with 6 children; the oldest James[6]. He continued to accumulate property. Excerpts:

During the several years after he came to Granville Co. Joseph extended his acquaintance and influence beyond his own community. In the late 1760's he was engaged in Court proceedings in adjoining Orange Co.,NC Excerpts:

The US Census of 1800 reported Joseph with a household of 6 other persons. The age groups of these inhabitants indicate that some of Joseph's children, in addition to James and Joseph, were living elsewhere and that some of his grandchildren were living with him. Joseph's wife was deceased by that time.

Joseph wrote his will in May 1800 and died at the end of the year 1804.. The will was proved in January Court 1805. Joseph willed all of his land to the two sons remaining in Caswell Co and divided the remainder of the estate among his 9 named children.
[Caswell Co., NC, Will Book "E", p229] Excerpt:

> Joseph Chandler of Caswelll County WILL: "all my land to be divided in such manner that the Spring I now make use of shall be one part, and the Spring George Stovall formerly made use of on the other..." These sons to pay estate 40 pounds each for the land. Remaining estate to be equally divided amongst my nine children, to wit, James, Betty, Suckey, Joseph, Lucy, Edmund, Sally, William and Stephen..
> Executors: David Gooch, William Gooch, Barzillai Graves
> Witness: William Gooch (jurat), James Gooch

Later that year Joseph Chandler's older sons and sons-in-law, all now resident in Franklin Co., Ga. authorized their brother James Chandler to return to North Carolina to help settle their father's estate. Excerpt:

> 1805, 15 October, Franklin Co., GA
> Power of Attorney: Joseph Chandler Jr., Edmund Chandler, William Pinson, William Mitchell to James Chandler. To settle estate of Joseph Chandler.
> Witness: Stephen Chandler
> [Caswell Co., NC, Will Book "E", p231]

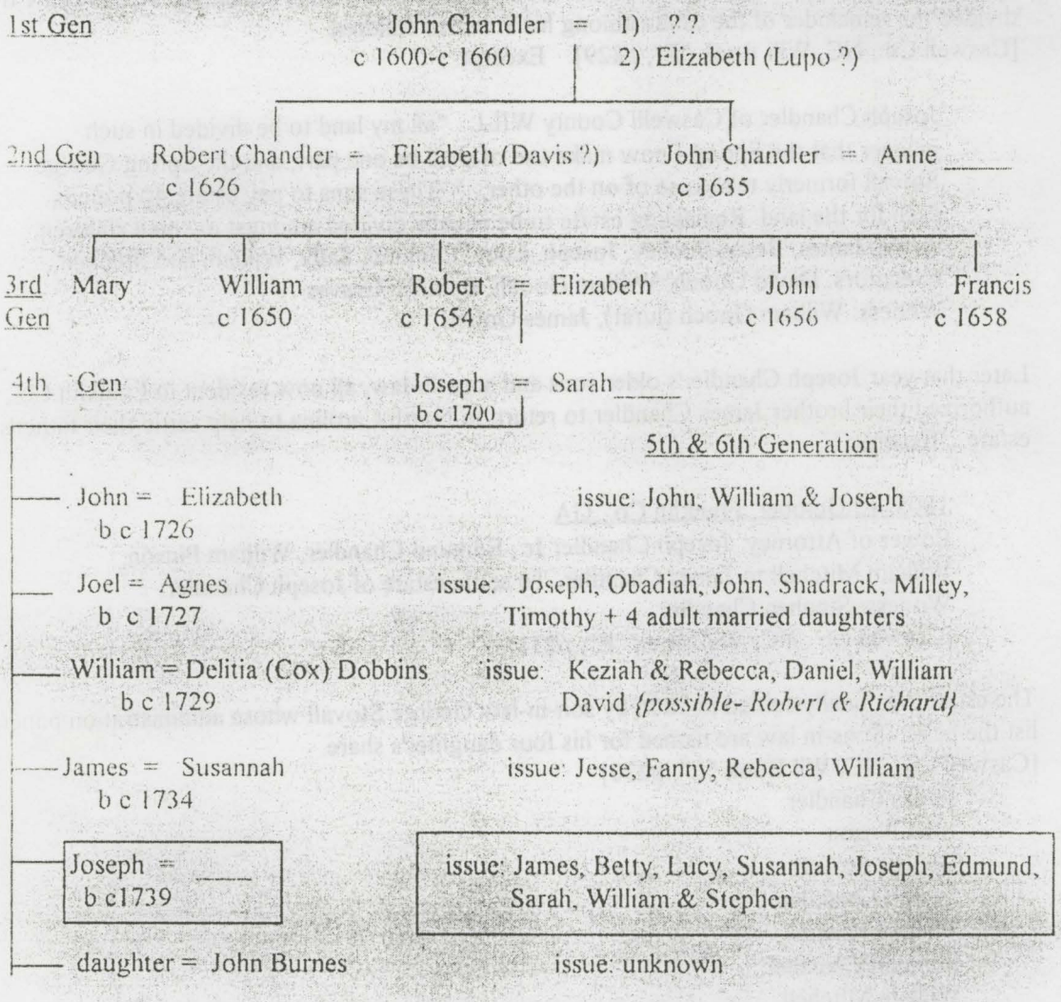

The estate was finally settled in 1806 by son-in-law George Stovall whose administration papers list the heirs. Sons-in law are named for his four daughter's share.

The Children of Joseph[5] Chandler

[The life and tenure of Joseph[5] Chandler are detailed in the June 1997 Newsletter]

JAMES[6] [Joseph[5], Joseph[4] , Robert[3], Robert[2], John[1]]

James Chandler was born 1762 in Granville Co, NC and died 1809 in Franklin Co,GA. He was the oldest son of Joseph Chandler and wife whose name is not recorded. James was born soon after the family move from Lunenburg Co,VA to Granville Co, NC in 1761. He lived most of his life in Granville Co including the entire span of the American Revolution. Even though he was of age by 1780, there are no records to indicate that he ever served on active duty.

James was reported in the census of 1786 and 1790 as living in the Goshen District of Granville Co,NC and close to his father Joseph. In Granville Co,NC he married Elizabeth Ann Stovall born 1769 and was deeded land by his father which he sold in preparation for his move to Franklin Co, GA. James was in Franklin Co, GA by 1800 and duly shown in the tax list of that time. His father Joseph died in 1805 in Caswell Co, NC and James was named in the will to "share in the remaining estate". The NC land was devised to younger brothers William and Stephen. James died intestate in Franklin Co, GA in 1809. The details of the settlement of the estate, which was not complete until 1818, are well recorded in "County Records, Franklin Co, Ordinary's Minutes". Until 1818 payments were made to the adult children and to wife Elizabeth for boarding and educating the minor children James, Lucy (aka Elizabeth) and Stephen. Widow Elizabeth Chandler was married on 29 Dec 1816 to David Anthony who became administrator of the estate and guardian to the minor children.

JOSEPH[6] [Joseph[5], Joseph[4], Robert[3], Robert[2], John[1]]

Joseph Chandler was born May 19, 1769 in Granville Co,NC, the 2nd son of Joseph[5]. His wife, Sarah Farmer, the daughter of Josiah and Sarah Newton Farmer of VA, was born 22 Dec 1770 in NC. Joseph and Sarah were married in the Grassy Creek Church in Granville Co in 1794. Joseph was living with his parents at age 17 in the NC census of 1784-7. In 1788 he and his sister Susannah witnessed a deed in which his father sold land to his oldest son James and in 1794 Joseph[6] bought land from his father. In 1797 Joseph[5] and son Joseph[6] jointly sold land on Aaron's Creek in Granville after both moved from Granville Co,NC

Joseph Sr. left Granville Co in 1796 and moved to Caswell Co,NC. Joseph Jr. moved to Franklin Co, GA in 1796. His first child, Martha, was born Jan 1795 in Granville Co,NC and next, Nancy, was born Jan 1797 in Franklin Co,GA.

Joseph Jr was following the frontier when he moved to Franklin Co, GA which was formed from territory acquired by treaty from the Cherokee and Creek Indians because of their hostility during the Revolution.. When Joseph Jr arrived in Franklin Co there was another Joseph Chandler - a cousin who also relocated from Granville Co about 1790. Cousin Joseph was a Justice of the Peace about 1794 and later a Judge of the Inferior Court until 1813 and identified as being of "Broad River". He died about 1822. Both of these Joseph Chandlers served as judges during the period 1800-1813 with Joseph Jr. continuing to serve until 1829.

Joseph Chandler Jr was cited as a legatee for his wife Sarah and as attorney for three of the heirs of his father-in-law Josiah Farmer . Joseph Chandler Jr. was also involved in the estate settlement of his older brother James in 1809 (see "James[6]" , p2- this issue) Excerpt:

1806, Nov 15, Franklin Co,Ga
Excerpt:..."know all men by these presents that we Lucy Farmer,, John Farmer...Dorothy Farmer and Thomas Farmer, all of the County and State aforesaid, Heirs and legatees of the estate of Josiah Farmer, dec'd late of NC, Granville Co, ...do make ordain, constitute and appoint our trusty fried Joseph Chandler Esq. of the County and State aforesaid (and one of the legatees of said estate) our true and lawful attorney..."
[Franklin Co, GA, Deed Book 1805-06, p__]

Joseph Chandler Jr was among the 9 children who were heirs to his father's estate [see power of atty. excerpt p2-this issue- (Cas, WB E,p2312)]. A number of court records and association with the Stovall and Pinson brother-in-laws confirm this Joseph as the son of Joseph Chandler of Caswell Co,NC. [Abstracts of Deeds, Franklin Co, pp93-4] [History of Franklin Co,Ga, p127]

Joseph Chandler Jr's first property of record was a residence and separately located farm land of 220 acres shown in the 1798 tax list. He also owned three slaves at that time. He bought land in the Gumlog area of Franklin Co and by 1806 owned 504 acres. In the 1824 tax list he is shown with 777 acres and 11 slaves. His property was close to the Poplar Springs Baptist Church where he was a founder in 1805. He was one of the first Deacons and a Church official along with his son Henry Farmer Chandler for many years. He was in the Presbytery when the Poplar Springs Church constituted the Clark Creek Baptist Church in 1824. His son Asa A. Chandler was the Pastor of the Crossroads Baptist Church in 1838.

Joseph[6] Chandler and Sarah worked together for many years in that frontier environment to have a secure and comfortable life and to raise their children well. The level of Joseph's scant education is unknown but his legal/judical background and his contribution to the community and church are of record.. They were a disiplined and healthy family enabling survival to an advanced age. Their physical description is found in an autobiography by a grandson, William W. Merrell, son of Martha Chandler and Benjamin Merrell. "Grandfather Chandler was a full Anglo Saxon, large, fair complected with redish or auburn hair and beard, and blue eyes. Grandmother Chandler was English and Irish, dark complected, black hair and eyes."

And so, by 1830, Joseph and Sarah had reached an advanced age of 61 and 60. They had 8 children ranging from 19 to 35 years of age. The census of 1850 listed Joseph 81 and Sarah 80 with their widowed daughter Mary Williams and her 4 daughters in the household. Sarah died 28 April 1851 at home in Franklin Co,GA and Joseph died 6 October 1853 at the home of his son Henry F. Chandler in the Reed Creek community. Joseph's 1851 will was recorded 10 November 1853 and named his eight children (or grandchildren) and deducting very precisely any debts owed by them to the estate. Sons Henry F. and Thomas were named executors of the will as recorded in Franklin Co,Ga Will Book 1848-65, pp43-45.

Edmund purchased 310 acres from his brother James for $108.00. Following James' death the estate deeded said land to Edmund on 18 May 1810 for $1.00. Edmund was eligible for two draws in the 1805 GA Lottery (married, with wife, over 21 , resident of GA for over 1 year). The name of Edmund's wife is unknown and there is no present documentation that names his children. However, there is considerable circumstantial evidence of time, place and family association that strongly suggest probable sons James Allen, Sidney Smith and George Washington Chandler. Moses Chandler and Pleasant M Chandler are possible sons and research continues to prove the children of Edmund and wife.

Thank you for your letter dated January 23, 1995 regarding Martin B. Chandler of Randolph County and related Chandlers. We will place your Family Group Sheet in our file.

In the 1790 Surry Census we found Daniel Chandler. We found a William Chandlor (Chandler) in the 1790 census in Stokes County and in 1785 he was in Surry County. A will for Isaac Chandler was proved in Surry County in 1797. Edward Chandler in Surry 1794. David Chandler wit. deed in Surry in 1795. Note: Original will is at the NC State Archives for Isaac Chandler (date given is circa 1797).

In the book, "Surry County Soldiers in the Civil War," there are write-ups on Andrew J. Chandler, John Chandler, and Phirson G. Chandler.

We did not find any information or histories in our files on the Chandlers or any Bible records. You may wish to contact Carol Holt, 9713 Johnson Point Loop NE, Olympia, WA 98516-9530 who is researching the Chandler family. Currently, we do not any members in our association listed as researching the Chandler family but not all members have turned in surname cards indicating the families they are researching.

We suggest you send a query for our journal (free of charge) and submit surname cards for our file. Information is enclosed.

We are sorry that we have not been able to help you more at this time. If we can be of further assistance in the future please do not hesitate to write us.

Dear Sir or Madam:

I am researching the Martin B. Chandler family of Randolph Co., N.C. (FGS enclosed). I am trying to find out who Martin's parents were. I noticed that several Chandler families were listed in the 1784-1787 census records for Surrey Co. Martin was born c. 1790 and his brother Robert was born c. 1776-1780. The early Chandler men in Randolph Co. were Timothy, William & Samuel. These may or may not be related to the Chandlers of Surrey Co., but I'm hoping to find a connection.

Do you have anyone in your society currently researching Chandlers? I would be interested in any Bible records or county histories on Chandlers. How much do you charge for a non-member to place a query in your newsletter?

Any help would be appreciated. I have enclosed an SASE. Thank you for your time!

Sincerely,
Tracy Culp Ellis
