SHORT

Dear Mr. Minick,

I received your letter of March 6th. I haven't received the pamphlet or history yet, however, I'm sure they will arrive soon. I'm very interested in history, especially when it touches so close to home.

You spoke of Myrtle and Kathleen - they live on W. Lebanon Dr. -- they and Jack are 2nd cousins. The Short Grandfathers were brothers! We try to see them whenever we go to Mt. Airy. I really enjoy visiting them. Kathleen is partially responsible for my interest in geneology.

2. As for Jack knowing the history of the church - I'm sorry, he doesn't! He's the youngest in his family, all he knows is what he's overheard from others, which is very little. He became interested when Kathleen told us that A.G. Short helped in construction of the Church. She'd found a receipt or something. A.G. was their Great Grand Father. Who was the Short you spoke of in Virginia in Revolutionary War?

I am sending you \$1.00. You said .75 was enough, however, use the .25 for your trouble, postage, or for Bi Centennial, your choice!

Thank you so very much. I'm anxious to read the history.

Sincerely,
Mrs. Jack Short
