Gentlemen:

We are pleased to quote material as listed below required for the above addition for the sum of \$497.00 delivered by truck to the building site at Mt. Airy, N. C.:

- 6 - Channel Plate Girders, each girder composed of 2" channels with a 12 x 1/2 plate both top and bottom and necessary splice plates for tying girders together.
- 3 - Angle Lintels.
- 5 - 8" Pipe Columns with caps and bases and grillage.
- 16 - Galvanized Joist Anchors.

For the owner's portion, we quote the following materials for the sum of \$211.00 delivered to the building:

- 2 - Girders made of 21" ^{1/21"} 59# ^{1/18"} beams with 12 x ^{5/16"} 3/8 plates welded to bottom flange.
- 2 - 6" H. Columns.
- 1 - 6" Pipe Column with necessary caps and bases.
- 12 - Angle Lintels.
- 9 - 1/2" Bolts 16" long for bolting coping plank.

The above prices are bases on furnishing all of this material immediately from our stock if required.

We appreciate this opportunity of quoting and wish you success in securing this work.

Very truly yours,

CAROLINA STEEL & IRON CO.
