Dear Dr. Carpenter:

At your convience, will you please insert the following letter of commendation and appreciation in the Biblical Recorder.

The Pastor's Conference of the Wilmington Baptist Association, through the medium of the Biblical Recorder wishes to commend to the Haymore Memorial Baptist Church, Mount Airy, N.C., the Surry Association, and the Surry Association Pastor's Conference, Rev. Luther H. Morphis, who recently resigned as Pastor of the Burgaw Baptist Church in our Association and will take up his new work as Pastor of the Haymore Memorial Church on March 15th.

Brother Morphis is a dedicated man. He leaves behind him this evidence. His ministry in the Burgaw Church and our entire association has been one of marked growth. He was very active in our association holding several places of leadership; namely Vice-Moderator, the Missions Committee and numerous other places of service. He served as President of our Pastor's Conference, and other places of leadership.

We whole-heartedly recommend Brother and Mrs. Morphis and their two fine children to your fellowship. We know that you too will find a place in your hearts for them. May the Lord's richest blessing rest upon all of you as you labor together.

Thank you.

MINUTES
of
MONTHLY CONFERENCE OF HAYMORE MEMORIAL CHURCH, MOUNT AIRY, NORTH CAROLINA
at
Haymore Memorial Baptist Church
August 16, 1961

The Pastor of Haymore Memorial Baptist Church of Mount Airy, North Carolina called the church membership into conference on Wednesday evening, August 16, 1961 for the regular monthly church conference.

The Pastor, Reverend Luther Morphis, presided and upon noting that the Church Clerk was absent, dispensed with the reading of the minutes of the last meeting.

Mr. Morphis announced that he had a request for transfer of church letter for Mrs. Ruth Furquerean from the Millstone Baptist Church of Nathalie, Virginia. A motion was made and seconded that the letter be granted and the motion carried.

The Pastor then called for reports from the Treasurer, delaying this report until later in the meeting pending attendance of the Treasurer, and other committees. No committee reports were rendered.

Reports from the organizations were then called for. Yates Stockton, Sunday School Superintendant, gave his report of Sunday School work for the month of July, stating that the average attendance was off one from the June report and the total offering through the Sunday School for the month of July was $1,094.75.
No reports rendered from the Traning Union, W.M.U. or Brotherhood.

Mr. Morphis called for recommendations from the Board of Deacons and Richard Pardue, Secretary to the Board of Deacons, read the following recommendation to the church membership from the Board of Deacons:

Recommendation: That we invite Jerry Potter, Secretary to the Deaf, to Haymore Church to explain to us the possibilities of organizing a Sunday School class for the deaf.

Before a motion on this recommendation was called for, the Pastor explained that he had talked with Mr. Potter concerning this and that the nearest class for the deaf on Sunday is at Winston-Salem, Mr. Potter stating to the Pastor that there is a

definite need for this in this section at this time. Mr. Potter's plan for this work would be as follows: Jerry Potter would come to our church, or any church where this work is being organized, once a week for approximately six months, and hold sessions teaching the people of the church who would participate the language of the deaf, the sign language; a class would be organized for Sunday morning Sunday School and Mr. Potter would continue working with the class until such time as someone in the church is capable of teaching the class. The present recommendation from the Deacons is that we invite Mr. Potter to come to our church for a Sunday morning service to explan his organizational plan for this work to the membership and in this way the church might consider more fully its wishes in this direction.

The motion to accept the recommendation of the Deacons was made by Lucille Samuels, seconded by Oliver Patterson and the motion carried.

The pastor then announced that another project for a Sunday School class on Sunday mornings to be held at the hospital for patients and workers had been discussed in the local Ministerial Association. It has been suggested in that organization that possibly the nearer churches in location to the hospital, to-wit: Haymore Memorial and Rockford Street Methodist, could probably better carry out this project. The hospital Administrator, Mr. John Lockhart, has been consulted and he in turn has discussed this with the Board of Trustees for the Hospital and all heartily endorse the plan. Briefly, it would entail a Sunday School teacher from our church going to the hospital on Sunday morning and teaching the Sunday School lesson to those who could attend the class at the hospital from 9:15 to 9:45 a.m.

Richard Pardue moved that we endorse and undertake the teaching of this class at the hospital. Rastus Poore seconded the motion. The motion carried.

Mr. Morphis then called on Miss Jessie Angel, member of the Nominating Committee, for a report from that committee. A list of nominations from the Nominating Committee for various offices and committees of the church was read . Further nominations from the floor were called for and there being no further nominations, Morris Patterson

moved that the report of the nominations from the Nominating Committee be adopted, the motion was seconded and the motion carried. A copy of the nominations voted by the church is hereto attached and made a part of the minutes of this meeting.

The pastor called for any matters of new business.

The Pastor then stated that since the Treasurer was not present, there had been prepared a financial statement of church funds for the month of July, mimeographed copies of which were passed to members present. Mr. Morphis stated to the church that he personally appreciated the financial support the membership was giving the church at this time, stating that there is still a great challenge in this connection for all members.

There being no further business to come before the meeting, the meeting was adjourned , Oliver Patterson giving the benediction.

Respectfully submitted,

Mrs. C. E. Chupp
