THE OBITUARY

Mrs. Mary Louella Hatcher Davis, 55 of 122 West Crosswinds Court, Mount Airy, NC. On Monday morning February 21, 2011 she left her earthly home and enters into her Heavenly Home, where she will have no more pain and no more worries. She was born in Patrick County November 18, 1955 to Nellie Ceasar of Mount Airy, NC and to the late Tom Smith.

Mary was the "Go To" of the family, no matter what the situation or celebration, Mary was there. I can remember the cookouts, the breakfasts that we shared. As long as Mary had her chicken and her water she was happy. Mary loved her family. If you were sad, she would tell you to give it to God, he could fix it. For some of us she was like a mother, no matter how bad you were doing she didn't judge she just loved you anyway. To know we cannot pick the phone up and hear her say, "she could make it better." Mary was a person who stood for what she believed in. To hear stories of her as a child was funny. Mary was just Mary. When she met Carl, she met the love of her life and they were both blessed with many years together. To see them together was a vision in itself. Mary loved Carl. To see them riding together was like they had won the lottery. Her kids were her life, whether she had them or they were born to someone else. Just before she got sick, she called Precious Rabbit because she would just jump and do what her mama wanted. Her relationships with her sisters were stories in itself. She always said, "I love them regardless." Her brothers, she loved them. For the church family they became her family. When her bishop traveled, she traveled. You could call her and she would tell you that she was going to church. Somehow no matter how she felt, if she could, she was in church. Mary was one of a kind and she is at peace. Her work is done for everything. She believed in her faith, was strong, everlasting and she has gone home to be with her Father. She and her sister are watching over us and relaxing in her mansion.

She is survived by her loving and devoted husband Carl Davis of the home; one daughter Precious (Timmy) Frazier of Mount Airy, NC; one son Charles Hatcher of Coco Beach, FL; children that she reared as her own was Marcus Hatcher, Iraq Jaquan Hatcher and James Evans of Columbus, GA, Taja Manns, of Winston-Salem, NC; three grandchildren Eliaj Hatcher of Florida, Devonte Frazier of Mount Airy, NC, Juliana Mickles of Tampa, FL; four sisters Evangelist Wavie Payne of Mount Airy, NC, Flora (Rev. Gary) Clark of Ararat, VA, Beulah (Sam) Watkins of Bassett, VA, and Bucilla (Larry) Penn of Mount

Airy, NC; three brothers Jimmy Ray (Kim) Smith, Joe (Mary Jo) Hatcher and JC (Karen) Hatcher all of Mount Airy, NC; four aunts Stacy Lou (Grady) France, Myrtle Simmons, Emily Duncan all of Westfield, NC, and Tilda Ziglar of Danbury, NC; step-father Thomas Ceasar of Mount Airy, NC; mother-in-law Evelyn Bradley of Danville, VA; one sister-in-law Jacqueline Davis of Danville, VA; three brothers-in-law Franklin Davis, Louis Davis and Walter (Josephine) Davis all of Danville, VA; with a host of nieces, nephews and other relatives and friends. She was preceded in death my one sister Rosa Lee Hatcher, one brother Jimmy Gray Ceasar and grandmother Alice Pack.

*Mary you are an Angel,
Even though your time on earth was short. You lived and loved a lifetime. When God saw you were tired, He came and took you home. The stars are gonna shine brighter because you were the star of the family. The sun is gonna be warmer because your heart was warm and loving. The colors we see are gonna take on new meanings because you always wanted to see the best in people, even being sick will be different because you fought till God came and got you. Mary life will never be the same without you but the memories and words you gave us will be with us till we meet again. Times will be hard, the road will be rough but like you always said, "Don't complain, give it to God and let go." I love you and will always need you. So when I see a bird flying I know you are close by.*

*Your niece,
LaTonya Hatcher (Tonzee)*

An Angel with a broken wing loses all her hopes and dreams. Her tears flow like a river with no end through the valley that she is in, until God comes along, picks her up, dusts her off, and mends her wings. God wipes the tears from her eyes and says, "Angel of mine, no need to cry, you've walked the walk and you've talked the talk you lived. The world that you were taught, you let your light shine through and through so here is what I promised you:

*Your glorified body where sickness can't live;
Sing with heavenly angels for thousands of years;
Two shouting shoes to jump up and down on the gold, paved roads from miles around;
And don't forget your starry crown, now here's the key to your new home, your beautiful mansion near my throne.*

This is dedicated to my Auntie who was a kind wonderful and beautiful lady who would do without so someone else would have. The one person I could talk to without being judged. Even when she didn't feel well, she gave you her all. You will truly be missed, we will meet again someday.

*Love you always and forever
Your niece Annette (Sue Sue)
Rest In Peace!*
