Wake County - Myott

Mrs. Martha Myatt

Box 664, Rt. 1 Marriage Bonds I note that John Myatt married Sarah Burns, Tenn. 9/3/17929 M., Jr., to Sarah Hall in 1794. Alvan M. to Sarah Moore in 1800 and that Sally (Sarah) M. wed James Tiger in 1812 and Dean Mrs. Myatt Daniel Warren in 1827. Many Sarahs.

I can understand your having trouble finding the father of Kendrick Myott (Miot etc.). Spent the morning trying to get a lead as to who his parents might be and at this point, I only have small ideas about how to continue. Are there any wills or probate records in Town. For this group, You Mark Myotts will lists sons: Acrile, Aldridge (Exr with A.B. Turner and Alvan (dec'd). The daughters named are Candis Tartin?, China Fish, Cyrena Whittaker and Charina Shaw. There is a grandson, Gabriel Myott and Alvan's children, Mark Alvas, John Henry and Mary Jane. Alvan married a Sarah Moore in 1800. Marks will is dated 1921, his father. There has been no finding of the same located showing the same names and bounds it will show us the parent. In 1831 Marks wife, Mary is declared unfit in court by her son (?) Gabriel Myott. From the original wills and wonder if there might be something on the microfilm wills that I may have missed. There usually isn't, but, The 1800 census shows Matthew and John Myott having sons in their household the age of Kendrick M. Of course, there could be errors in the other listings.

Alfred Myott is guardian of Alvan M. orphans. Then further in the estate all papers, I see listed Alfred Moore so apparently the Myott was a clerks error.

There is also an estate for Britain Myott, y1804, wife Nancy and children duty Sabra (dtr.) and son Bennett. Medis under age in 2809 and she is of age.

Wake Co. Grantor Deed Index, 1785-1958 *****
To These start with a 1787 listing for Matthew Myatt and there are listings for John, Brittain, Wille, Alexander, Mark, Alex et al 1809, Bennet, Aldridge and Anna and on 14 April 1819 Kendrick Myott sells to S. Smith. Time 4:30 to Book 3, page 184. 25 Nov. 1818 Kendrick Myott of Wake Co., N.C. and S. Smith of Chatham Co., N.C. for \$1700 paid to Kendrick Myott ----- land on south side of Clabber Branch ---- Walters line --- George Crowders line --- 424 acres. wit. G. Crowder and Jn Crowder.

Wake Co. Grantee Deed Index, 1785-1958

This listing starts with John Myott in 1786 and lists Mark, Britain, Acrile, Alexander, Aldridge, Nancy (1814), Acrill, Alvin, Reddick. Nothing for Kendrick Myott. He must have inherited the 404a. that he sold.

The only Clabber Branch listed in the Gazateer is in Clay Co. Nothing like that for Wake Co.

More Grantor Deeds

Book 3, page 111. 19 April 1819 Reddick Myott sells to James Williams 400 acres on Little Creek for \$500.

Book 3, page 173 22 June, 1819 Alexander Myott to Augustus Turner, 200a for \$400 southside of Middle Creek, Tacklin Branch ----.

(These are deeds which seem to be related because of the dates listed.)

Mrs. Martha Myott

Looking at the marriage bonds I note that John Myatt married Sarah Wright in 1794, John M., Jr., to Sarah Nall in 1784, Alvon M to Sarah Moore in 1808 and that Sally (Sarah) M. wed James Tiner in 1812 and Sarah M. to Nathaniel Warren in 1822. Many Sarahs.

If Kendrick is the son of Mark, the Sarah Moore Myott could be with them in Tenn. Also, Sarah could be the mother of Elizabeth Harmon.

Are there any wills or probate records in Tenn. for this group? You said Tenn., but didn't tell me which county.

I think what you (or I or) will have to do is to find out where this land came from and who---Kendrick could have been missed in the index, but, I really feel that the land was from his father. ~~There are no listings~~ ~~there be~~ located showing the same metes and bounds it will show us the parent.

I worked from the original wills and wonder if there might be something on the microfilm wills that I may have missed. There usually isn't, but, every once in a while a will will show up missing and our only copy will be the film. Of course, there could be errors in the other listings.

Please excuse. My correcting tape has run out and I have used it all until I order more from IBM.

Went through the court minutes abstracts by Haun and found the usual jury duty type entries. Nothing about Kendrick Myott.

Sorry I could add nothing more to what you have at this time. There was a folder in the vertical file which showed someone being born in 1853 which is of no use to you.

Time 8:00 to 12:00 \$ - \$30. 25 Nov. 1810 Kendrick Myatt of Wake Co., N.C. Paid in advance.

land on south side of Clabber Branch---Walters line---George Crowders line Sincerely, S. Crowder and Jn Crowder.

Wake Co. Grantham Bond Index 1793-1950

Betty J. Camin to John and Ann Myott in 1756 and Mrs Mark, Britton, Acrico, Alexander, Bessie, Nancy 1814, Scull, Alvin, Reddick. Nothing for Kendrick Myott. He would have inherited the land that he sold.

The only Clabber Branch listed in the abstract is in Clay Co. Nothing like that for Wake Co.

25 Nov 1810 Kendrick Myott sells to Joseph Williams 400 acres on Little Creek for \$300.

25 Nov 1810 Kendrick Myott to Augustus Turner, 280a for 2500 purchase of Augustus Creek, Jacklin branch---

(These are both entries seem to be related because of the dates listed.)

Served in the Revolutionary War under Capt Edom Wood
in the Calvary, under Colonel Marquis de Mornay, a
Frenchman. volunteer. His Will (wills) dated Oct 15, 1821
he died in Wake Co. N. Car

I also have a copy of marriage bonds Mark Myatt
