AMERICA THE BEAUTIFUL

O beautiful for spacious skies, For amber waves of grain,
For purple mountain majesties Above the fruited plain!

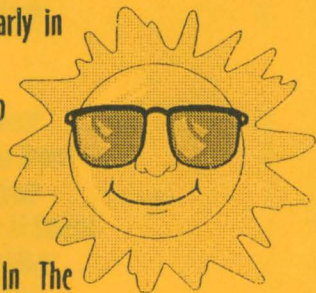

America! America! God shed His grace on thee,
And crown thy good with brotherhood From sea to shining sea.

O beautiful for patriot dream, That sees, beyond the years,
Thine alabaster cities gleam, Undimmed by human tears!

America! America! God shed His grace on thee,
And crown thy good with brotherhood From sea to shining sea.

CAROLINA IN THE MORNING

Nothing could be finer than to be in Carolina In The Morning,
No one could be sweeter than my sweetie when I meet him in the morning.
Where the morning glories Twine around the door,
Whispering pretty stories I long to hear once more.
Strolling with my fellow where the dew is pearly early in
the morning,
Butterflies all flutter up and kiss each little buttercup
at dawning,
If I had Aladdin's lamp for only a day,
I'd make a wish and here's what I'd say:
Nothing could be finer than to be in Carolina In The
Morning.

Surry County Extension Homemakers
October 22, 1996

BEULAH

19 (Active)

Beulah has had another busy year. Members are still involved with a birthday party at a local rest home and made one trip to David's House. Games and activities were also furnished for children whose parents have been involved with the Out For Lunch program. The club distributed (500) CHAD stickers. Payment of \$50.00 monthly is made toward the Ruritan Building electric bill. Thanksgiving baskets were fixed for (25) sick and elderly community residents. Meals, toys and gifts were provided for the club's adopted family.

BUSY BEES

15 (Active)

The Busy Bees Club sponsors a Life-Line each month for a lady who is financially unable to do this. The club also sponsored foster children during the holidays. Members also volunteered their time to the Surry County fair. Many other volunteer projects were carried out during the year by several club members.

COPELAND

17 (Active); 1 (Honorary)

The Copeland Club sponsored (4) projects this year. They include supplying a Vial of Life for a visually impaired class, serving a meal for the Handicamp, CHAD and Warm Up America. The club donated (3) books to Copeland Elementary School for American Education Week, sponsored (1) bloodmobile and sold sonkers at the Berry Festival.

Members continue to help with the upkeep of the community building by paying one-half of the insurance, hiring someone to clean the building and handling any others repairs that become necessary.

DOBSON EARLY BIRDS

13 (Active)

The Dobson Early Birds are participating in the "Warm Up America" program. Each monthly meeting contains an educational program, which is informative for members. Club members toured "Chateau Morissette" this year for their tour month. Members enjoyed this very interesting trip. The food was wonderful!

GOOD NEIGHBOR

12 (Active)

The Good Neighbor Club continues to be concerned about the needs of children in their communities. The club provided clothing and school supplies for (2) children this year, contributed money for (4) special school projects, and saved canned food labels and UPC symbols for (2) school projects. During April, blue ribbons for child abuse awareness were distributed. Members contributed food to the boy scouts "Scouting For Food" drive. Crocheted "Buffy Bookworm" bookmarks were given to a church group and to the Reading is Fundamental project at (1) elementary school, CHAD stickers were distributed throughout the community, several churches and workplaces.

One member---a mother of (2) young children---became concerned over the publicized reports of lead contained in vinyl mini-blinds and the lead's resulting disbursements into the home. She consulted with a regional environmental health technician from Raleigh who spoke with her on the telephone and also visited her home. The member's blinds were tested and found to contain lead. The blinds were removed and pull down shades installed. The member reported on this situation several times to club members and made them aware of this concern.

Throughout the year, members brought new recipes to club meetings which were copied and distributed to the membership.

HOLLY SPRINGS

13 (Active)

The Holly Springs Club members participated in the rest home birthday party and served refreshments to residents.

Members labeled and postaged the newsletter for mailing by the Extension Office. Members also participated in the Berry Festival.

Members toured the Mt. Airy Museum of Regional History. Money was donated to the Ruritan Club in the amount of \$200.00.

LAZY DAISIES

16 (Active)

The Lazy Daisies group volunteers with the Red Cross, Northern Hospital, or as tutors in local schools and several helped at the Surry County fair. Members support a Life Line participant and continue to have informative meetings on pertinent issues in the community.

LONG HILL

12 (Active)

Long Hill Club has an annual Autumn Sale. In November, members look forward to the cookie exchange and delivering fruit baskets to the sick and shut-in. Club members also look forward to the visit to Mountain View Rest Home. Residents enjoy the visit so much. The club participated in the "Give-A-Kid-A-Coat" drive. Two people were sponsored at the Dialysis Center. Magazines were given to residents in the rest home. A special project this year was cooking a meal for the Ruritans and their guests.

NORTH ELKIN

17 (Active)

The North Elkin Club is involved with a local bazaar. Members are instrumental in organizing this event each year. The club uses monies to support other projects and donations to worthy causes.

POPLAR SPRINGS

4 (Active)

Poplar Springs is still the smallest club in the county. With only (4) members, the club is struggling to keep going. Members still have 100% perfect attendance and 100% participation in the county reading program.

Two new projects have been started this year. They are the CHAD program and the Warm Up America program. Members are still part of the hospital auxiliary and are all very active in their respective churches. Members still do canning, freezing, crocheting, quilting, crafts, etc. and share these with neighbors when possible.

ROCKFORD

10 (Active); 1 (Lifetime)

The Rockford Club meets every month. Most members contribute to and attend the Bazaar. The club cleans the roadside several times a year. The members try to get people to in the club. The president, Jill Getgen, sponsored a 4-H club.

SALEM FORK

8 (Active)

Salem Fork has continued supporting literacy by collecting and donating magazines to the library and by collecting stamps for veterans. Club members have also given old Christmas cards to the Extension Office for craft use. A new project this year was distributing the CHAD stickers for child car seats.

SHOALS

11 (Active); 1 (Honorary)

The Shoals club has some on-going projects each year; trash pick-up (4) times; measuring and weighing children at Shoals school; sponsoring a bloodmobile, just to name a few.

Members have become very active in working for Shoals Recreation Park, which is on the site of the old Shoals School. The club has planted a beautiful azalea garden, consisting of (37) bushes and (3) dogwood trees. Members landscaped the garden with timbers, mulch and installed soaker hoses for when water is needed. This makes a lovely sight in spring.

The club also supports the local Ruritan Club by helping at fundraisers and donating money.

The club initiated the CHAD (Child Identification Safety) program and is still working to supply as many stickers as possible.

The club tries to make a difference for the citizens in their community.

SILOAM

17 (Active); 3 (Honorary)

The Siloam Club members participate in many community events, such as the Fourth of July Fun Day celebration and the Adopt-a-Highway program each year. Members continue to support activities in the local elementary schools.

Club members also honored recent high school graduates within the community, provided funds for GED and scholarship programs at Surry Community College, as well as honoring senior citizens in their community with a luncheon.

The club also participated in the Berry Festival by selling sonkers.

WHITE SULPHUR SPRINGS

10 (Active); 2 (Honorary); 1 (Associate)

The White Sulphur Springs Club collected over 15,000 stamps for veterans this year. Members also cut fish shapes out of cards to be used in children's eye testing.

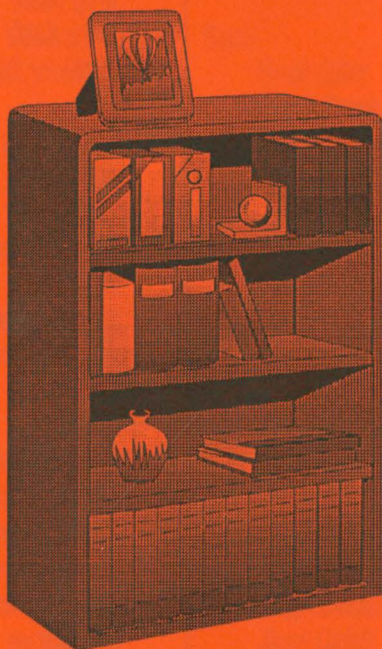

Some members worked two days helping make gingerbread for the 4-H to use at their Christmas workshops.

Members also made squares for the Warm Up America program. Enough squares were made for (1) lap quilt. Clothes were made to dress dolls for the Salvation Army. These were displayed at store windows in Mt. Airy, which gave good recognition to the club.

Six members helped wrap packages for the Salvation Army in December. Canned food was collected for the Foothills Food Pantry.

Members addressed and postaged newsletters (2) times this year. The club participates in a birthday party for a local rest home. In May, Gloria Puckett, Sue Chandler, and Era Anderson went to Dobson Elementary School to demonstrate how to make bookmarks using wildflowers for the 4-H program. Sue Chandler and Era Anderson also helped at Mayberry Mall to distribute literature to promote the Extension Homemakers organization.

Surry County

Take A Stand

The North Carolina Extension Homemakers Association is a volunteer organization designed to improve the quality of life in family, home and community. You can become a member on the local, state, national and/or international level.

The Surry County Extension Homemakers Association focuses on vital issues that citizens face today. Members support and participate in bloodmobiles, handicamps, programs such as Adopt-a-Highway, Adopt-a-Child, GED, CHAD, and literacy just to name a few.

Benefits To You

- ☼ Current research-based information from North Carolina State University and North Carolina A&T State University.
- ☼ Fun & Fellowship with others with similar goals and needs.
- ☼ Public Policy Education
- ☼ Parenting Skills
- ☼ Emerging Issue Involvement

Membership

The Surry County Extension Homemakers Association is (226) members strong, representing (16) clubs county-wide. Clubs meet monthly at places and times designated by their individual membership. Clubs either hold meetings at their local community building or members' homes.

Members-at-Large have the same privileges offered to club members, however, they are not affiliated with one particular club. Information passed on to club members at the four annual county-wide meetings (referred to as County Council's) is also mailed to these members.

WHITE SULPHUR SPRINGS HOME DEMONSTRATION CLUB WOMEN represented on the campus of the University of North Carolina-Greensboro during University Days were, (l to r) Mrs. Joe G. Greenwood, Mrs. Carl Anderson, Mrs. B. B. Martin, Mrs. Jack Brookshire and Mrs. W. E. Jarrell. Several other members of the club were among the 300 homemakers from Northwest North Carolina. —NEWS Photo

Club Women Attend University Days For Homemakers At UNC-G

University Days for Homemakers were held Wednesday and Thursday at the University of North Carolina at Greensboro. Keynote speakers were Dr. Eloise S. Cofer and Dr. Naomi Albanese, two North Carolina home economists.

Dr. Cofer, assistant director of the Agricultural Extension Service of N. C. State, discussed "Superiority of Women." Dr. Albanese is dean of the School of Home Economics at UNC-G.

University Days for Homemakers is particularly planned for homemakers in the counties of northwest North Carolina. Mrs. Christine S. Greene, Home Demonstration Club Agent, and Miss Katy Holden, assistant agent, and approximately 30 members of the club attended the two-day event.

which is sponsored by the N. C. Agricultural Extension Service of N. C. State.

Classes conducted for the members were: The World of Youth taught by Frances Jordan of the N. C. Agricultural Extension Service.

—The Cost of an Adequate Income, by Dr. E. Ealton Jones, of the department of economics of N. C. State.

—Consumer Credit, by Carol Teeter, advisor to the Legal Aid Foundation of Winston-Salem.

—Defense Driving, taught by a state motor vehicle department staff member.

—Home Life in Peru, by Mrs. Ruby Uzzle, of N. C. State.

—Educated Choices in Lighting and Wiring, by Mrs. Jean Trogdon of the School of Home Economics of UNC-G.

mics of UNC-G.

—Landscaping, by Charles Bell of UNC-G.

—Men's Clothing, by Alice Bell Charm School.

—Insurance, by an unannounced person in that field.

—Your pre-school Child, by Dr. John Carter of the Veterans Hospital in Salisbury.
