BOBBY BEAMER

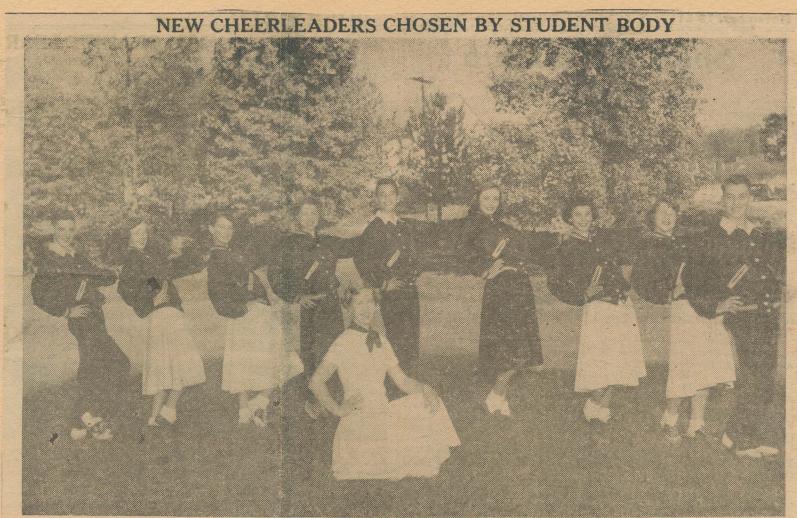

Bob Beamer, alternate captain of the Granite Bears, recently received a bid to play in the annual Shrine Bowl Classic at Charlotte, N. C. Each year a select team from North Carolina meets a team from South Carolina in an attempt to establish a State winner. Because of Bobby's ability to run and block he was selected as a candidate to participate in the game.

Although Beamer was not in his best shape, he reported for practice at the Shrine Bowl on Sunday, November 25. While scrimmaging Monday, Bobby injured his shoulder.

Ben Brannock was recently named the most popular football player on the M. A. H. S. team in in a contest sponsored by Bowman Electric Company and Sylvania Television Corporation.

As a result of the contest Ben attended the Carolina - Notre Dame football game at Chapel Hill. He ate dinner at the Morehead Planetarium, had supper at the Monogram Club, and spent the night at the Carolina Hotel.

Flag Draped Casket Of Former Student

The flag that now flies over Mount Airy High School once draped the casket of a former student. The student was Jessie Gray McMillan, of the class of 1938.

The flag was given to the school by Mrs. Lela Alspaugh McMillan, Jessie's mother, on on December 11, 1951. The very impressive ceremony was held in the auditorium of the school. In behalf of Mrs. Lela McMillan Coach Wallace A. Shelton presented the flag to Principal H. M. Finch. The flag was displayed to the audience by football team's captain and co-captain, Bobby Beamer and Bill Coble.

Jessie Gray McMillan was better known as Red. He acquired his nickname from red hair, red face, and freckles.

When Red was in school, his favorite sport was football; he played center on the undefeated team his senior year. During his junior year he was business manager for the High Spots. Other than sports for a hobby he liked to do anything that was different.

Red entered the Air Force at the beginning of World War II. He was a flight instructor at Cocran Field, Macon Georgia. One day while instructing a student he put his plane into a power dive; something happened and he was killed. At the time of his death he was a second lieutenant.

Principal H. M. Finch and Mrs. Mackie, who were inembers of the faculty when he was in school here, report him to have been good-natured, easy-going, and likeable.

Sports Personality

JIMMY MILLER

One of Mount Airy High's most outstanding athletes is Jimmy Miller. Although Jimmy does not play football, he has earned quite a reputation for his basketball and baseball playing. He has been on the varsity teams for several seasons.

Jimmy was voted captain of the basketball team this year, and is playing better ball than ever. Last year he played guard, but

this year Coach Moir moved him to forward.

Jimmy plays any position in baseball. One day he may pitch; the next day, play third base or outfield. He has competed on the track teams also.

Jimmy is a very popular student. He was voted best-looking boy in the senior class this year.

Riches

"Dad, are you rich? Have you much more

Than that old man who lives next door?"

I nearly answered, "Why, Sonny, no!

I haven't near as much to show." And then, alas, I looked at him-Recalled happy hours with my own son Jim!

I heard his mother call and laugh

As she turned in our homeward path.

I thought of work, of which I'm part-

Old tasks to finish, new ones to start.

I thought of joy with hosts of friends

In which the story of all work blends.

"Ah, dear child, there is no wealth Precious as happiness and good health;

No treasure store in all the land Compares with friendly heart and hand.

When you and Mother laugh and sing,

Then I'm richer than any king! I'm rich, so rich, though the next door

Possesses the world, yet I have more!"

"Y" Management In Hands Of Native Of Virginia

The Reeves YMCA Community Center officials were happy, indeed, to obtain the services of C. W. (Bunny) Cockrell as general secretary and director of the "Y" in the Granite City.

Mr. Cockrell, known for many years by his friends as "Bunny", wants the people of Mount Airy to call him that name. He came here to assume his duties on December 1, 1951.

In the past few months he has been busy making arrangements for various YMCA projects in the local community center and his time on these projects is already beginning to pay off.

Mr. Cockrell told The NEWS that he felt the YMCA building in Mount Airy was the finest in North Carolina and one of the best in the South. He came here from Charlotte where he was with the YMCA there. However, he says the building in Mount Airy is far superior to the one in Charlotte in every respect and that the people in the Granite City really have something to brag about when it comes to the YMCA.
