Dear Bro R.

Yours received
in reply will say.

Joe and I both think
had better sell the Va.

Land if you can get
the price you want
hope the other heirs
will agree to it.

Was glad to hear from
you all. We are all
well. no news. we have
just got rid of the
biggest snow we have
had for the season. I had
just turned out all
my cattle a few days

Before it came and
was nearly out of fuel
so it took scraping &
fuel thru till it went
off. But they are all OK.
Now plenty of grass &c.

Come over to see
us this summer bring
Jennie and children
Love to all
