The Copeland Ruritan and Home Makers Clubs welcome each of you to our 15th Annual Festival. We have a program we think you will enjoy. Let us say thank you for your presence and hope you receive a blessing for being here.

The Ruritan Club was organized in October of 1962. A group of five men in the Copeland Community felt a concern for a better community for himself, his family, his neighbors and friends. With this in mind, they met in the Masonic Building along with the Zone Governors to make plans for a Ruritan Club in the community. At the meeting, with a lot of planning, a date was set to meet again. A lot of cards were mailed out and by word of mouth, another meeting was held in the lunchroom at the school and a Ruritan Club was organized with 24 charter members.

The monthly meetings were held the first and second years in the Copeland lunchroom. There was much enthusiasm these first years and this enthusiasm was not to be denied for, before this second year ended, they borrowed \$35,000.00 to build A COMMUNITY BUILDING THAT HAS SERVED OUR COMMUNITY ALL THESE YEARS FOR VARIOUS ACTIVITIES. The following years Ruritan at Copeland grew in leaps and bounds. The Copeland Ruritan Club is the second largest club in the nation. Some of the members have reached national acclaim. The Ruritan Club is a non-profit organization. It is a community service organization. The money the club receives goes to community service. This is why Ruritan is needed in all communities.

Much of the success of Copeland Ruritan is due to people that are not in Ruritan. For it is these people that support Ruritan in their activities that has in part made Copeland Ruritan what it is today. So now the Copeland Ruritan Club members and the Home Makers Club thank you from the bottom of their hearts. The only aim of the Copeland Ruritan Club is to make the community a better place to live, work, and play, and to be of service to anyone in the community who has a need.

May God bless each of you.

Copeland Ruritan Club
