Many thanks again, Wilma, for gathering information on Ellis family fo I am excited about information you have sent regarding James and Lucre Ellis's sons. I did not have as much information regarding Henderson as you have supplied. I need to find more about his first wife, Mary Venable, whom he married in Surry Co, NC. She was the mother of my great-grandfather, Euel (Newel, Ewell) Ellis.

Also, I need to learn more about James and Lucretia Ellis, parents of Henderson Ellis. I do not know Lucretia's last name. And of course, would really like to learn their country of origin, but I don't know w. best to begin.

I am attaching information I have gleaned from search I began from ora family history. I have used familysearch.org, and ancestry.com for mo what I have with exception of what you have compiled. If you have time can find anything further about the Ellis family in Surry Co., NC, or elsewhere in NC records you have, I would be thrilled. I am finding ancestry.com to be quite complicated. However, I am using their introductory free 2-week offer before signing on for a contracted peri with them. If you are familiar with the site, and have suggestions as best to make the most of their records, I welcome suggestions.

Blessings and deepest thanks for your offer to search your home record to lend me a hand should I get back to Mt. Airy for more research at t Community College,

Belva Collins

Belva, I would say Scotch/Irish mostly. There were a lot of people that came through Surry Co., NC in 1771 but some of them didn't stay very long. I noticed that in the 1771 Taxable list of Surry Co. that Thomas Elles was listed with 3 taxables (also a Thomas Ellet(?) with 1 taxable). Thomas Ellet was listed in 1772. No list for 1773. For 1774 and 1775 there was Thomas Ellet. Don't know what happened to Elles. William Elis was listed in Surry in the 1790 Census with 1
