Thank you for your letter dated October 21, 1998. We were so happy to receive your pedigree charts and family group records on the Blair/Leeper/Moore/Gage families. And the pictures were an extra bonks. They are so nicely done. This information is a much needed addition to our files.

We have submitted a query to our query editor to be printed in our journal for you. However, all our journals have been done for this year so it will be spring of 1999 before it will be printed. We have also placed surname cards in our file for you on the Blair, Leeper, Moore and McCord families. If you want others, you can let us know.

We did not have much luck with finding information on Robert McCord. Your family group record shows him born in 1770. We found a Robert McCord on the 1790 US Census Index in Mecklenburg County, NC but he had a rather large family (7) in his household. If you want to write the genealogical association, write Mecklenburg, North Carolina Genealogical Society, P. O. Box 32453, Charlotte, NC 28232. John and Robert McCord were in that county. James McCord was in Iredell County, NC on the same census. These are the only ones we found listed in NC during that time. Copies are enclosed.

Are you familier with "Blair Family Magazine"? Editor is Mona J. Mattingly, 486 Larkspur Lane, Chambersburg, PA 17201. It is published quarterly and queries are accepted.

If we can be of further assistance, please let us know.

Dear Ms Hiatt

Thank you for your reply to my recent inquiry and the two abstracts, which were much appreciated and taking some time to search your files for information and records.

I have a request in the mail to the NC Archives as this date and will get something off to Orange County as well. Yes! I did get a copy of his Inv. Of Est (2.17a) and thank you for asking.

I have included some family group and pedigree sheets for your files which I hope will prove useful and I would appreciate your placing a query in your journal and placing a surname card in your files of my behalf.

What can you tell me about the Regulators and their purpose for organizing. I have one Historian I contacted who feels "in his opinion" that many Tories were former Regulators. He basis this on British records of the period which contains "many reference to former Regulators as Tories". He also stated that he as yet to verify any "case of a Regulator from the county who served with General Greene's army". What do you think ?.

Maybe you could help me in one other thing. I have included a group sheet on the Robert McCORD family. Their daughter Fidelia was the daughter-in-law of James and Mary BLAIR Leeper. You will note I have not found much on this North Carolina family but I am convinced that Robert McCord may have participated in our War of Independence in some way. Your assistance would be appreciated.

#### Dear Friend

I am searching for records on the Hugh Blair Family of North Carolina who was residing in Guildford County at the time of the Guildford Courthouse Battle and who died in Surrey County NC, 9 May 1783, will recorded Aug 1783 of which I have a copy. Married Mary DAWSON but do not know date or place. Was listed as a Guildford County Regulator and appears to have been a member of the Guildford County Militia during the Revolutionary War. Date and place of Birth of Hugh Blair unknown by me as of this writing

Blair

Daughter Mary Blair married James Leeper in Rowan County NC on the 4 Nov 1766 and both are buried in Round Hill Cemetery, Bedford County, TN.

Any information you could provide would be appreciated as needed for preparing a SAR Supplemental Application and proper documentation is needed for submittal. Please first advise me of your search and copies fees which may be charged for this service.

Thank you for your letter dated September 21, 1998 regarding the Hugh Blair Family. We have searched our files for information and records at the Surry County courthouse and were unable to find any information.

Since he died in 1783 he is probably buried in an unmarked grave someplace. North Carolina did not keep birth and death records until 1914. You stated you had his Will (2:13) which was in Surry County. Did you also get his Inv. of Est. (2:17a) recorded in Nov. Ct. 1783? We did not find a marriage record for he and Mary Dawson in Surry County. Have you written the NC Archives for information on his marriage? If not, write: Department of Cultural Resources, Archives and records Section, 109 E. Jones Street, Raleigh, NC 27601-2807.

There were plenty of Blairs in the North Carolina Quaker Book in Guilford County but did not find information on a Hugh Blair family. The only place we found a Hugh Blair was in the "Colonial Records" of North Carolina. We are sending information on two abstracts from this book. We do not know if this is your Hugh Blair. The dates were 1771 and 1776. Hillsborough, NC is in Orange County. Have you checked that county?

We found John and Thomas Blair on the Rockingham County, NC historical map. Some residents migrated from there to Surry Co.

We are very sorry that we were not able to find more information for you. We would love to have some Blair information for our files. If you could send family sheets or a pedigree chart for our file, it would be very helpful to other Blair researchers.

We will be happy to print a query in our journal and place surname cards in our file if you wish to do so.

Good luck with your research. If you feel we can help you further, please write again.
