

MERRY CHRISTMAS!!! It is hard to believe but the Christmas season is upon us and so is the month of December. Our Jaycee year is half over and have we accomplished half of our goals for the year? If not, it is time we got A ROUND TUIT.

The month of December will be a fantastic month for the Mt. Airy Jaycees. This month our chapter is going to do some things differently. The chapter activities for December are:

- DECEMBER 1.....General Membership Meeting at WESTERN SIZZLER at 7:00 PM. There will be a speaker ~~so~~ remember to attend. Jerry Wall our Regional Director, Chuck Forester our District Director, and Chris Crawford a District Director from Clemmons will be guests at the meeting. Let's have every Jaycee bring a guest!!!
- DECEMBER 4.....District Volleyball Tournament at North Wilkesboro. Please contact John Joyce if you are interested in playing with our chapter. We have lost in basketball and softball but we are not going to lose this time!
- DECEMBER 6.....Fashion Show at Ellis's at Mayberry Mall. There will be a fashion show for the Jaycees only. The latest fashions will be on display and it should give us some ideas for Christmas gifts.
- DECEMBER 9.....All toys for the Toys for Tots Project should be at our offices. HELP will be needed to put these toys in working order so we can give them to needy children at Christmas.
- DECEMBER 11.....Regional Invitational Volleyball Tournament at North Wilkesboro. I suggest that we win this tournament along with the District. All those trophies would look fantastic in our office.
- DECEMBER 15.....General Membership Meeting---DINNER MEETING. The location will be determined at the meeting Dec. 1. We are planning to have a speaker.

DECEMBER 17....TOYS FOR TOTS at the Reeves Community Center. David Hawkins is the project chairman and he will need your help! The project last year was a huge success with the chapter giving gifts to over 100 needy boys and girls.

ITEMS OF INTEREST

The Jaycee office is shaping up. We have carpeting in the main entry and we now have a refrigerator. Many thanks to Mrs. Greenwood, Sharon Reid's mother.

The Haunted House was a huge success. Jim Roberts and his spooks and goblins did a fantastic job.

The Christmas Parade was the largest ever and the Jaycees did a good job in lining up the floats.

Midyear was the weekend of Nov. 19th and 20th in Greensboro. David Hawkins, John Brim, and Dennis Jaynes did attend. There was a great deal of talk about Dennis's Cancer project. Keep up the good work Dennis!

JAYCETTE JABBER

Hope everyone enjoyed the month off and is ready to get back together. We will meet Monday night, November 28th at 7:00 at Ann Roberts' for a cosmetic party. We'll learn all the latest tricks, see the new fall and winter colors, and generally learn how to be the most beautiful Jaycettes around. Feel free to bring a friend. Please call me (789-9422) Sunday night if you plan to attend.

Hope to see everyone there.

Cindy
