LITTLE RIVER BAPTIST ASSOCIATION.

11

In November, 1852, he was licensed to preach by the Baptist Church at Greensboro, N. C., and was ordained at the Liberty Association on August 21, 1855, Elders Benjamin Lanier, Azariah Williams, William Lamberth and Alfred Kinney constituting the presbytery.

Of his earlier life, and in fact most of his life in detail, the writer knows but little. His education and opportunities for development were limited; but, by hard study, diligent application and the blessings of God on his labors, he became well informed on general subjects and had a knowledge of the Bible that would have done credit to those having better advantages.

The first preacher I remember ever to have seen was Bro. Churchill. I remember how I felt as he entered my father's home. It was while he and my father were holding a meeting at a little school house that I was converted and converted. It is not strange, therefore, that I have always felt a strong attachment to him. He was a humble, unassuming man. His work was largely in destitute sections, building up the cause in many weak places. As a revivalist, he had few equals. He possessed an almost unlimited number of anecdotes, which he could use with telling effect. He was a forcible speaker. His power of description and ability to draw pictures made his sermons at times powerful.

He denied himself and family many of the luxuries of life that he might save souls and serve his Master. He always seemed to hesitate about preaching, trembling under the responsibility, yet, warming up, he never seemed so happy as when telling of Jesus.

It is sad to think that he is dead. Though 74 years old, he labored in several meetings last fall and did some of the best preaching of his life. During his life, the number professing faith in Christ under his preaching reached up in the thousands.

His labors now are ended and he is at rest. But heaven will be the richer for his life. He has set in motion influences that will roll on and on, blessing humanity and brightening the world, until the work of the world is finished.

J. A. CAMPBELL.

On motion, the Clerk is allowed \$10.00 for his services and is instructed to have 600 copies of Minutes printed.

On motion, Elder J. A. Campbell is elected Historian for the Association and the Clerks of all the Churches are requested to furnish the Historian at once a sketch of their respective churches, showing the date of organization; presbytery; pastors, showing when they began service and how long they served; members in organization, and present membership; number baptized last year and during the history of the Church; how many ordained Ministers at present or during its history; and any other facts and dates in connection with the Church that might be of interest to future generations; such as the earliest known preaching in the community, when and by whom; kind of house of worship, &c., &c.

All the Ministers are also requested to furnish a short sketch of their lives: such as date of birth, conversion and ordination; churches served, with dates; number baptized; and any other facts that should be preserved.

MINUTES OF THE

REPORT ON PRAYER MEETINGS.

The Bible teaches us to "Ask and ye shall receive; seek and ye shall find." Hence, the importance of prayer meetings in all our churches. All our churches should have prayer meeting at least semi-monthly, and oftener, if possible. It gives strength to the brethren, helps to bind them together and develops their talent for good. We recommend all manner of prayer that would tend to develop us for good.

G. W. NAYLOR,
W. D. PATTERSON,
G. W. SPENCE,
Committee.

Bro. A. D. Jones reads the
REPORT ON TEMPERANCE.

The Scripture says, "He that striveth for the Mastery is temperate in all things," and "Abstain from the appearance of evil." How can we better do this than to do all we can to encourage temperance by our words and our lives?

We do earnestly urge upon all church members to abstain totally from all intoxicating drinks as a beverage. May God bless those who are working for temperance in its right form. Any church that allows its members to make, sell or drink as a beverage are considered by us as being out of order.

A. D. JONES,
E. D. SMITH,
E. T. SPENCE,
Committee.

After remarks by Brethren A. D. Jones and Allen Betts, on motion, the report is adopted.
Bro. Holleman reads the

REPORT ON HOME MISSIONS.

The object of the Home Mission Board is to supply the destitution in the Southern States, Indian Territory and the island of Cuba. The importance of occupying this vast field can be appreciated only by those who have given the matter careful study.

Immigration is flowing in from all parts of the world, and with it comes idolatry, infidelity, skepticism and Romanism. These should be met with the gospel, and, we believe, by the Baptists of this fair land. To occupy this vast field requires a large amount of money, and the Board is dependent upon the churches for the means to carry on this great work.

J. M. HOLLEMAN,
T. H. SMITH,
Committee.

After remarks by Brethren King and Holleman, on motion, the report is adopted.

On motion, the Moderator and Clerk are appointed to write a short article on the death of Bro. O. Churchill.
