God's Garden

*God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain
He knew you were that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So she closed her weary eyelids
And whispered Peace bethine.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.*

Thank You

*Life brings tears, smiles and memories:
The tears dry, the smile fades,
but the memories live on forever.
Thank you sincerely for sharing our sorrow
Special Thanks to
Greentown Community and Nelson Hill Community
And a lot of Special Friends
Your thoughtfulness is appreciated and
will always be remembered.*
