Poem from the family

It broke our hearts to lose you.
But you didn't go alone.
Apart of us went with you.
The day God took you home.

A million times we missed you.
A million times we cried.
If love could have saved you.
You never would have died.

To the grave we travel.
The flowers are placed with care.
No-one knows the heartache.
As we turn to leave you there.

If tears could build a stairway.
And heartaches could make a lane.
We would walk a path to heaven.
And bring you back again.

"But God needed you more"
