Regular bills will be rendered on the first day of each month, and are payable at Elkin National Bank on or before the 10th of the month. Removal bills, special bills, bills rendered on vacation of premises, or to persons discontinuing the light, must be paid on presentation. The city reserves to itself the right at any time, to cut off the light if it shall deem it necessary to protect itself from fraud or abuse. In default of payment of bills within 15 days the service may be stopped until the bill is paid. The superintendent of the plant shall have free access into the premises of a consumer for the purpose of examining the wires and lamps, or for the removal thereof. No meter will be installed for commercial or residence lighting for less than a minimum rate of \$1.00 per month. Bills will be rendered to meter registration in all cases where consumption is in excess of minimum rate. All complaints should be made to the superintendent. If current is cut off on account of non-payment there will be a charge of one dollar made for connecting up line again.
