ACKNOWLEDGEMENTS

We, the members of the Junior Woman's club, wish to take this opportunity of thanking all of those who, in any way, have helped make this show successful. We are grateful to the members of the Cast and Choruses for their hours of study and rehearsal; the merchants, businessmen and industrialist, who purchasing advertising and donating prizes helped make this show possible.

We deeply appreciate the cooperation of the Lion's Club who spent hours organizing and directing our parade. Without their interest and participation, the parade would not have been possible. To our friends and husbands who have helped on the staging, we say thank you; also, to our husbands, we are grateful for your interest and patience in these last two weeks.

Our thanks to the babies in the contest, and to J. C. Penny for donating window space; to Cockerham Printing for cooperation on our rush "jobs; to the Blue Ridge Hotel for the courtesies shown our directors; to the city officials for their kindly cooperation on the parade. Our thanks for the active participation of DeCleve Studios; our show photographer.

We are deeply grateful to Mr. L. B. Pendergraph for his helpful interest, and to Mt. Airy School System for the loan of the North Main St. School for rehearsals and Rockford School for performances.

As we go to press, we are to express our deep appreciation for all other services donated for the show, we regret that printing deadline prohibits complete individual listings.

And to you in the audience, we sincerely and confidently hope that your hearts are gladdened and you have fun as you go "TRIPPIN' AROUND" with us!
