Are you an active member,
The kind that would be missed?
Or are you just contented
That your name is on the list?
Do you attend the meeting,
and mingle with the flock,
Or do you stay at home
And criticize and knock?
Do you take an active part
To help the work along,
Or are you satisfied
To be the kind that just belongs?

Do you do your job well
And without a kick,
Or do you leave the work to just
a few
And talk about the clique?
There's quite a program scheduled,
That I'm sure you've heard about,
And 'twill be appreciated too,
If you will come and help out.
Think this over, member,
You know right from wrong,
Are you an active member,
Or do you just belong?
