Dear Sir/Madam:

Baptist

My ancestor, James Burchette (b. abt. 1835) is buried in Pleasant Hill Cemetery near Elkin. He died in 1917, but I don't know the exact date. Does your society have a cemetery book that might give further details? I would also be interested to know if a newspaper was running in the area in 1917 for the possibility of an obit.

I am happy to pay your fee for finding this information.

Thank you for your attention.

Patricia,

We're very sorry it has taken us so long to answer your letter regarding James Burchette that was buried in Pleasant Hill Baptist Church Cemetery near Elkin. We are still trying to find an obit but haven't found it yet. We're sending you a listing of the ones buried in the cemetery that was found in Wilkes County. The church is actually in Wilkes County but the mailing address is Elkin, NC. We did not find James Burchette on this list.

We have enclosed the death certificate of his son James Burchette for your information. Perhaps it will be of some use to you. I understand this funeral home in Elkin is no longer there so we do not know where the records might be or even if they may have a record of your older James Burchette. The Elkin Tribune did not start publications until 1918 which was a year later from the time he died.

We are sorry that we were not able to find out more by this time. However, if we still do not find an obit we will put a query in our summer journal. Hopefully, you will not have to wait so long to hear from us the next time. Good luck with your research.
