COMPLETE AND PROGRESSIVE

The ABCD type of ConSurvey directory was originated by Robert Morton Baldwin and Heber Page. While many publishers have been content to rest on their laurels, issuing the same type directory used fifty years ago, the Mullin-Kille and Baldwin organizations have led the way to the production of an up-to-date ConSurvey directory to meet modern selling and credit conditions.

Newspapers, chambers of commerce, merchants' associations and individual business concerns are invited to write for particulars concerning this type directory service. In the future, as in the past, Mullin-Kille and Baldwin ConSurvey directories will stand for the highest ideals in public service.

ROBERT MORTON BALDWIN

The information herein contained was taken by trained enumerators in a house-to-house canvass of the city and adjacent territory and checked with material supplied by employers. The publishers offer it as the most reliable information available but do not assume any responsibility for errors.

FIVE DIVISIONS OF THE BOOK

The principal divisions of the Mullin-Kille Directory contain the following information:

1. THE PREFACE contains historical and civic information with photographs of general interest.

2. THE BUYERS' GUIDE and CLASSIFIED BUSINESS DIRECTORY SECTION contains display information concerning the leading business firms of the city, announcements of churches, clubs, lodges, associations and schools, and the names of all business firms, professional men and women and non-profit organizations, properly classified, with the names of distributors of national brands of merchandise.

3. THE NUMERICAL TELEPHONE DIRECTORY contains telephone numbers arranged in numerical sequence.

4. THE HOUSEHOLDERS' DIRECTORY AND STREET TELEPHONE GUIDE contains a complete directory of streets and avenues, properly located, gives the names of all householders arranged as they come upon the streets and avenues, indicates ownership of property, and gives the telephone number of each house.

5. THE RESIDENT DIRECTORY AND COSMOPOLITAN TELEPHONE DIRECTORY contains most of the data concerning the individual. The wife's name is given in parentheses, and the number of dependents under 18 is shown as well as the ownership of homes. This is followed by position, place of employment, home address and accessible telephone numbers.

Explanation

All persons over 18 years of age living in the community are listed.

The wife's name is shown in parentheses after the husband's as follows: Smith Robt R (Mary L).

The number of children under eighteen years of age is shown after the wife's name as follows: Smith Robt R (Mary L) 3.

In the resident directory home ownership is designated by Ⓗ as follows: Smith Robt R (Mary L) 3 Ⓗ. Renters are shown by the omission of the Ⓗ.

In the householders' directory ownership is shown by the same designation as follows: 210 Main Smith R R Ⓗ.

In the case of a natural widow this fact is shown with the name of the deceased husband in parentheses, whenever possible, as follows: Smith Mary L (wid Robt R).

The occupation and place of employment are shown as follows: Smith Robt R (Mary L) 3 Ⓗ clk Hub Clo Co.

The residence of each person is shown by "h" denoting householder or head of a family and by "r" denoting other persons in the home. Only one person in each home is listed with an "h". Therefore, a circular mailed to each householder marked "h" will reach every home in the city.

Married women engaged in some responsible occupation are listed individually in addition to their regular listing with the husband as follows: Smith Mary L (Mrs Robt R) bkpr Hub Clo Co r 210 Main.

The words street and avenue are understood.

Persons living outside the city limits and receiving their mail in the country are marked RD.

Telephone numbers are designated in the resident directory at the end of the line with the designation △ as follows: Smith Robt R (Mary L) 3 Ⓗ clk Hub Clo Co h 210 Main △123-4567.

In the householders' directory the telephone number of each house is given at the end of the line as follows: 210 Main Smith R R Ⓗ—△123-4567. In this division of the book each street is listed alphabetically and each house on the street is listed according to number. All street intersections are shown at the proper places with the names of the cross street. In case there is no telephone shown the nearest telephone on the street may be found.

In the numerical telephone directory the telephone numbers are listed in numerical order.

In the business directory and buyers' guide the various business and professional firms are arranged according to their line of business and merchandise sold. Nationally advertised brands are designated with a ★. For example under the heading automobiles will be found the following classification: ★FORD—Jones Mtr Co 110 Elm. The buyers' guide carries the printed message of the city's leading business and professional firms.

This directory contains all the regular departments of the modern city directory and many features used by no other publisher. It shows the exact population of the city and environs at the present time.

An Eyeful of Beauty

North Carolina

The Goodliest Land

Nearly four centuries ago two English explorers selected what is now the coastal region of North Carolina as the site of the first English settlement in America. They called it " . . . the goodliest land under the cope of heaven." Perhaps the Englishmen overstated their case somewhat, but to natives and to the thousands who have visited North Carolina, this is, indeed, "the goodliest land."

Above all, North Carolina is a land of contrast and adventure. All along the great sweep of beaches, in the massive forests and on the slow-moving rivers and sounds, visitors can find fulfillment in North Carolina's coastal vacationland. In the Piedmont, the rolling, pine-forested foothills which separate the coastal and mountain regions, vast lakes for fishing and boating have been formed by modern dams that tame rushing rivers. Here, too, are some of the nation's outstanding educational institutions. Mountain laurel and rhododendron garland the way of spring travelers to the North Carolina mountains, and in autumn the forests become ablaze with deep hues of crimson and gold. Old-timers say these mountains are so high in places that you have to "lie down and look up to see out."

The English explorers knew what they were doing, alright, and so do the many thousand who come each year to "Variety Vacationland."

MOUNT AIRY, NORTH CAROLINA

"Home of the Autumn Leaves Festival"

Courtesy of

MOUNT AIRY CHAMBER OF COMMERCE

•

Mount Airy, the northern gateway to the beautiful Blue Ridge Mountains, is a city of approximately 7,200 citizens with a metropolitan population of approximately 25,000 people and a retail shopping area of 45,000 persons. The "Friendly City" began as a stage stop in the 1870's, had a population of 519 people in 1880 and was incorporated in 1885.

Just thirteen miles north of Mount Airy is the Blue Ridge Parkway, a National Park Motorway designed for tourists to give everyone a beautiful and impressive view of the grandeur of the best known mountain range in Eastern United States. The parkway can be reached from Mount Airy by U.S. Highway 52 and N.C. Highway 89 with many special attractions to be found along this National Park near Mount Airy.

Mount Airy is in Surry County, nestled at the foothills of mountains to the North and West providing the protection needed for an unusually temperate climate for the area. Winter weather is never real severe and the summers are always cool. Its average temperature is 58.8 degrees, ranging from an average of 41 degrees in January to 77 degrees in July. The annual total rainfall is 46 inches and total snow, seven inches. Altitude is 1,100 feet above sea level.

Mount Airy is noted for some very famous residents. The original Siamese Twins lived, died and were buried near our community; Andy Griffith, stage, radio and TV star, is a native of Mount Airy.

This fine little community has excellent industrial diversification with 57 manufacturing firms employing over 9,000 workers with a payroll of approximately $42 million. There are 19 textile, hosiery or apparel firms, eight furniture or allied industries, four plastics, four metal working or electrical, nine concrete or granite and 13 paper, printing or other types. Industrial growth shows an increase of 1,700 new jobs within the past five years.

Mount Airy is known as the "Granite City" which comes from the best known industry located in Mount Airy, the world's largest open-faced granite quarry covering 80 acres. This granite has been used in many well known structures in the United States including Arlington Memorial Bridge in Washington, D.C., the Wright Brothers Memorial at Kitty Hawk, N.C., and the Gold Bullion Depository in Fort Knox, Kentucky. Most important buildings in Mount Airy have used it as well as Davidson County's Courthouse and many State Office Buildings.

MOUNT AIRY
CHAMBER OF COMMERCE

BOARD OF DIRECTORS

Left to right: Howard Foy, Vice-President; Jerry Nester, Treasurer; Floyd Rees, Vice-President; Mayor Ed Clark; J. Earl Watson; Ray Calaway, President; James C. Grimes, Executive Vice-President; George Kallenbach, Vice-President; Talmadge C. Jones and J. H. Crossingham.

Not pictured: Hugh Sutphin, Vice-President; Caleb Hill; Jack Wilson and Grady Slate.

There is evident diversification in the agriculture of the area with tobacco being the leading money crop and sold at auctions in Mount Airy. This agricultural economy is further enhanced by dairy farms, cattle raising, poultry, small grain, apples and truck farming showing an annual farm income for Surry County of $25,200,000.

Fine stores occupy the downtown retail section of Mount Airy and are stocked with goods of metropolitan quality and variety. Five large free parking lots are made available by Shoppers Parking, Inc., a merchants group, for the convenience of consumers. Retail sales for Mount Airy are over $40 million annually.

ANDY GRIFFITH

"Our Favorite Law Man"

NATIVE OF MOUNT AIRY, NORTH CAROLINA

Well known for star role of Television's "Andy Griffith Show."

Mount Airy is governed by a five man city council and mayor acting through a city manager. The Police Department is manned by 20 officers who use three radio equipped patrol cars. In the Fire Department are six full time employees and 22 volunteers equipped with three fire trucks. A new more strategically located fire station is planned for the near future.

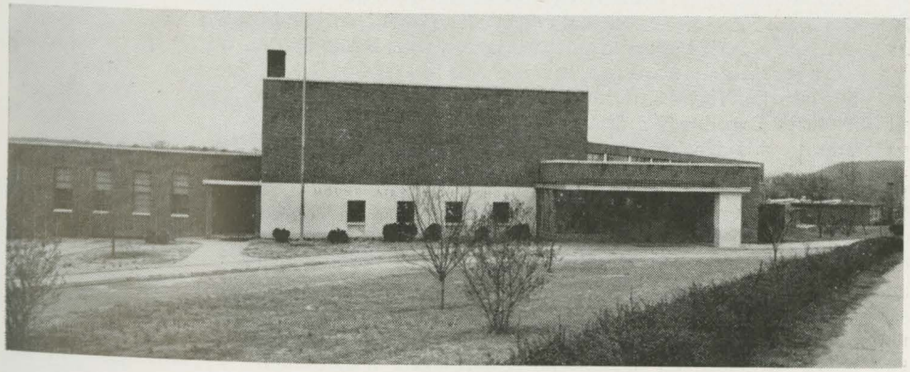

There is a new sewerage treatment plant with a 5½ million gallons per day capacity and a peak demand at present of only 2½ million gallons per day. The water plant has a filtration capacity of three million gallons per day with an average consumption of 2½ million gallons per day. The reservoir capacity is 8½ million gallons per day of raw water and 1½ million gallons per day of finished water. The land fill method of garbage disposal is in use. A new water plant has now been completed.

Duke Power Company furnishes electric power at rates well below the national average and their facilities are continuously being expanded.

Education is adequately supplied to the 3,110 total students enrolled in five elementary schools with 1,620 students and 59 teachers, two junior high schools with 805 students and 32 teachers and two senior high schools with 685 students and 33 teachers. All schools are fully accredited by the North Carolina State Department of Public Instruction and the Mount Airy High School is also accredited by the Southern Association of Colleges and Secondary Schools. The quality of teaching provided is apparent when 79% of the graduates attend an institution of higher learning. A new Surry County Community College and the Mount Airy School of Beauty Culture adds to the vocational and technical education facilities for the area. The cultural and further educational growth is enhanced by having 20 colleges and universities within a 100 mile radius.

Mount Airy has four financial institutions where the citizens of the community find a safe depository for their funds, adequate facilities to aid and assist business, a readiness to extend credit to worthy persons or enterprises, a responsibility to cherish and maintain high ethics in banking and cooperation with other banking institutions and the government. These houses of finance are: The First National Bank, organized in 1893, The Northwestern Bank, organized in 1910, Workmen's Federal Savings and Loan Association, organized in 1910 and United Savings and Loan Association, organized in 1956. Their combined assets total over $80,000,000.

Recreational facilities include two nine hole golf courses at two Country Clubs with an 18 hole course ten miles away at Pilot Mountain and another nine hole course 15 miles away at Siloam. Swimming pools are located at the YMCA and the Mount Airy Country Club; and two park areas provide additional recreation including tennis, miniature golf, golf driving range and softball and baseball field. A 16 lane commercial bowling enterprise and 12 lane duckpin bowling at the YMCA are available facilities.

MOUNT AIRY HIGH SCHOOL

REEVES YMCA COMMUNITY CENTER

The fine Reeves YMCA has a gymnasium, steam room equipment and other facilities together with a well organized recreational program for all ages.

Entertainment is provided by three theatres (two drive-ins) as well as five cultural concerts presented each year by the Civic Music Association.

Excellent hunting, fishing, picnicking and other outdoor recreational facilities are found nearby.

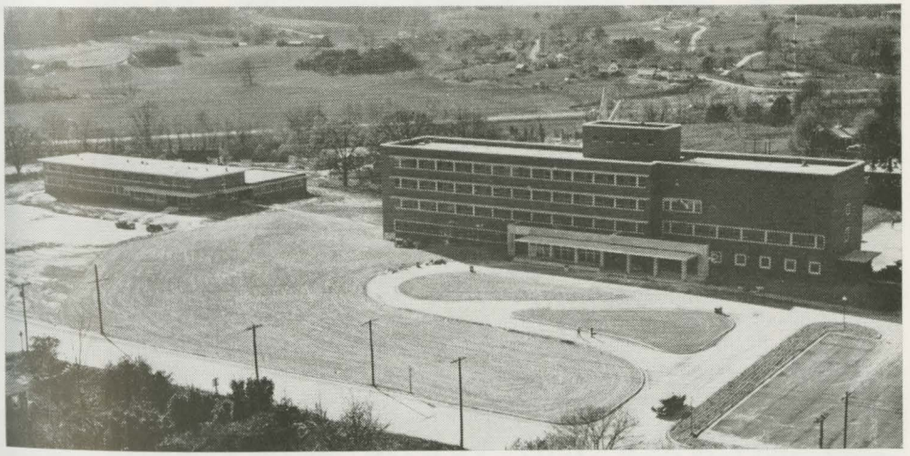

Communications are provided through two newspapers and two radio stations. The Mount Airy News is published twice weekly and the Mount Airy Times once weekly. Radio Station WPAQ has a voice of 10,000 watts and Radio Station WSYD transmits 5,000 watts. TV reception is obtained from stations in Winston-Salem, Greensboro, High Point and Charlotte in North Carolina and Roanoke and Lynchburg in Virginia. The University of North Carolina TV Station, WUNC in Chapel Hill, gives excellent educational programs to this area.

The Northern Hospital of Surry County, a $1,800,000 structure, offers the finest in hospital facilities with every modern convenience, as well as the most up-to-date technical equipment as an aid to our excellent medical staff. This 100 bed hospital is accredited by the American Hospital Association and the American Medical Association, and plans show a 46 bed addition for the near future. A 60 bed fully accredited nursing school is in full operation as well as an approved school of medical laboratory technology. Our community is fortunate to have 20 physicians, 12 general practitioners, two board surgeons, an obstetrician-gynecologist, a radiologist, a pathologist, an internist, a health officer and an eye, ear, nose and throat specialist.

Other health services include four registered nurse anesthetists, a full complement of registered nurses, visiting and consulting physicians available for all specialties, eight dentists with three having operating privileges at the hospital, mental health and industrial medicine programs under way, four optometrists and three chiropractors. The Health Department, in addition to the full time physician, has four nurses, an X-ray technician and two inspectors.

Transportation facilities include three truck lines maintaining terminals in the city and seven other motor freight carriers servicing Mount Airy, rail service by Southern Railway, an airport with a 2,200 feet runway with charter service, 16 daily buses by Atlantic Greyhound Bus Corporation and seven taxicab companies. A local airport authority has FAA funds approved for a 4,000 feet paved, lighted runway for a new airport to be completed soon. The nearest commercial airport is 45 minutes away at Smith Reynolds Airport in Winston-Salem with regularly scheduled flights to all sections of the country. Sixty minutes away at the Greensboro-High Point-Winston-Salem Airport, three airlines schedule 40 flights per day. U.S. Highways 52 and 601 lead into Mount Airy as well as State Highways 103, 104 and 89 providing easy accessibility to the traveling public.

Nine motels with 171 rooms or a 551 pillow count gives Mount Airy excellent accommodations for temporary guests. Delectable food can be found at several fine restaurants with dining room facilities.

GRACE MORAVIAN CHURCH

Our community is enriched by over thirty churches embracing seventeen denominations: Church of Christ, Church of God, Church of Jesus Christ of Latter Day Saints, Church of the Living God, Episcopal, Friends, Holiness, Jehovah's Witnesses, Lutheran, Methodist, Missionary Baptist, Moravian, Presbyterian, Primitive Baptist, Roman Catholic, Salvation Army and Wesleyan Methodist.

Our civic, service, social and fraternal organizations lend their energies to the growth of Mount Airy with each striving for the betterment of the individual as well as the Community's welfare. Included are: American Legion, American Legion Auxiliary, Beta Sigma Phi Sorority, Mount Airy Country Club, White Pines Country Club, Eastern Star, Garden Club Council which includes several neighborhood clubs, Home Demonstration Clubs, Hospital Auxiliary, Jaycees, Junior Woman's Club, Kiwanis Club, Lions Club, Loyal Order of Elks, Loyal Order of Moose, Granite Lodge Masonic Order, Renfro Lodge Masonic Order, Mount Airy Art League, Mount Airy Civic Music Association, Mount Airy Development Corporation, PTA Council which includes all local Parent-Teacher Associations, Rotary Club, Bannertown Ruritan Club, Flat Rock Ruritan Club, Franklin Ruritan Club, Boy Scouts, Girl Scouts, Sertoma Club, Surry Shrine Club, Veterans of Foreign Wars, Veterans of Foreign Wars Auxiliary, Woman's Club, Merchants Association, York Rite Bodies and Chamber of Commerce.

The Chamber of Commerce is supported by dedicated merchants, industrialists, professional men and public spirited citizens who work harmoniously together through committees to achieve predetermined goals which, when accomplished, improve both themselves and Mount Airy.

The growth of Mount Airy has not been spectacular but it has been continuous and we believe the future holds even greater things than the past for this development of our community and the surrounding areas. It is a balanced city with a good economic background, excellent schools, and all the cultural and recreational advantages that go to make the well rounded life. This is truly a city in which everyone would be proud to live, work and play.

Some of the many fine displays

FESTIVAL HIGHLIGHTS

A Downtown Mall features entertainment every hour from two bandstands. Display booths feature: Quilting, Apple Cider, Apple Butter, Churning, Kraut Making, Old and New Cars, Corn Shucking Contest, Liquor Still, Horse Shoeing, Ham Biscuits for 10¢ and many other interesting items.

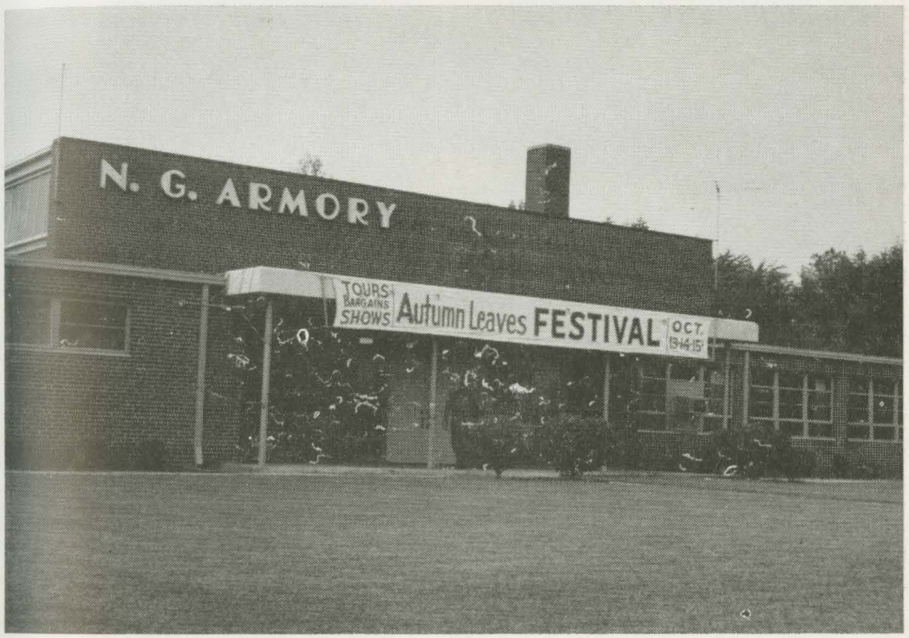

An Arts, Crafts and Hobby Display can be seen at the YMCA, featuring: Paintings of all types, Gun Collections, Crafts of all kinds, and many others.

An industrial Trade Fair showing products manufacturing in this Northwest Area is another interesting part of this Festival. Bargains are offered.

An Air Show is held. Helicopter and plane rides are available as well as rides for the kiddies.

Tours into the mountains, a Church Bazaar, Fashion Shows, Suppers and Balloons for the children will be added attractions.

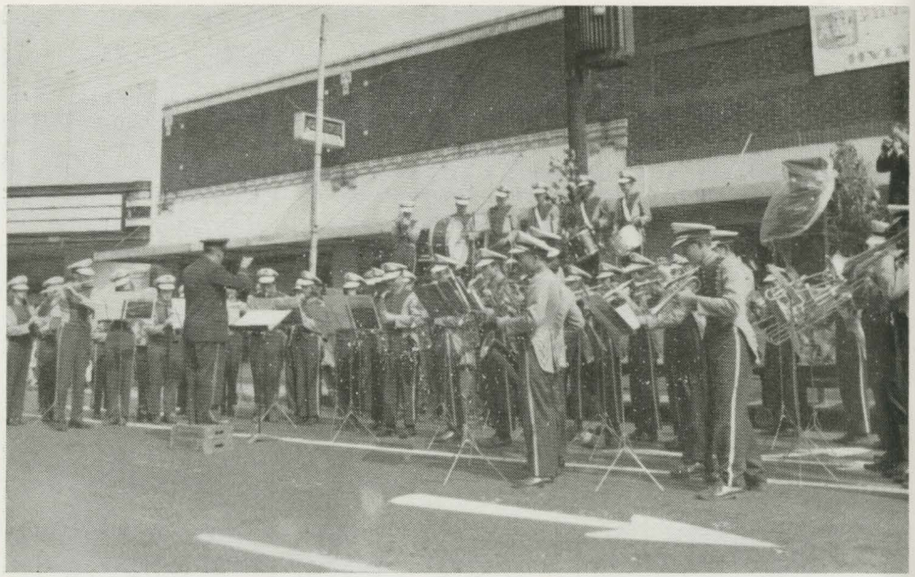

Professional County Music and a Battle of the Bands will be the thing for your evening entertainment. A Drama Musical is another feature offered for entertainment.

What Is A Chamber of Commerce?

Why it's the Jeweler on the Corner,
The Druggist down the street;
The lady with the Gift Shop,
The Banker that you meet;
The man who runs the Plant in town,
The Service Station Man;
The Shoe Man, Baker, Barber,
The guy who mends your fan:
The Doctor on his daily calls,
The Auto Dealer too;
The Florist, Farmer, Pastor, Lawyer . . .
In other words it's YOU!

What this symbol means to you

Accuracy

Publishing production supervised by trained, experienced, professional Directory specialists.

Quality

A tradition of pride in producing the best publication possible, always with a view to improvement.

Standardization

Cooperation of publishers toward a uniformity of contents, features and arrangement of departments, making for a maximum of convenience and service to the user, with a watchful eye kept on the changing times and public needs, and with a continual exchange of ideas.

Dependability

A trade-mark representing a reputation for reliability and responsibility established prior to the turn of the century, and maintained throughout the years.

Numerical Telephone Directory

1969

Containing a list of telephone subscribers arranged in numerical sequence. The information listed below was obtained by a house-to-house canvass and is offered for the convenience of subscribers to the City Directory. The Publishers are very careful in using these numbers but do not assume any responsibility in case of error. Since telephone numbers change rapidly, it is suggested that persons using this list refer to the latest edition of the regular telephone directory issued by the local telephone company in order to verify the information contained herein.

Numerical Telephone Directory

1969

Containing a list of telephone subscribers arranged in numerical sequence. The information listed below was obtained by a house-to-house canvass and is offered for the convenience of subscribers to the City Directory. The Publishers are very careful in using these numbers but do not assume any responsibility in case of error. Since telephone numbers change rapidly, it is suggested that persons using this list refer to the latest edition of the regular telephone directory issued by the local telephone company in order to verify the information contained herein.

Numerical Telephone Directory

1969

Containing a list of telephone subscribers arranged in numerical sequence. The information listed below was obtained by a house-to-house canvass and is offered for the convenience of subscribers to the City Directory. The Publishers are very careful in using these numbers but do not assume any responsibility in case of error. Since telephone numbers change rapidly, it is suggested that persons using this list refer to the latest edition of the regular telephone directory issued by the local telephone company in order to verify the information contained herein.
