**Copeland School
Founded in September 1924**

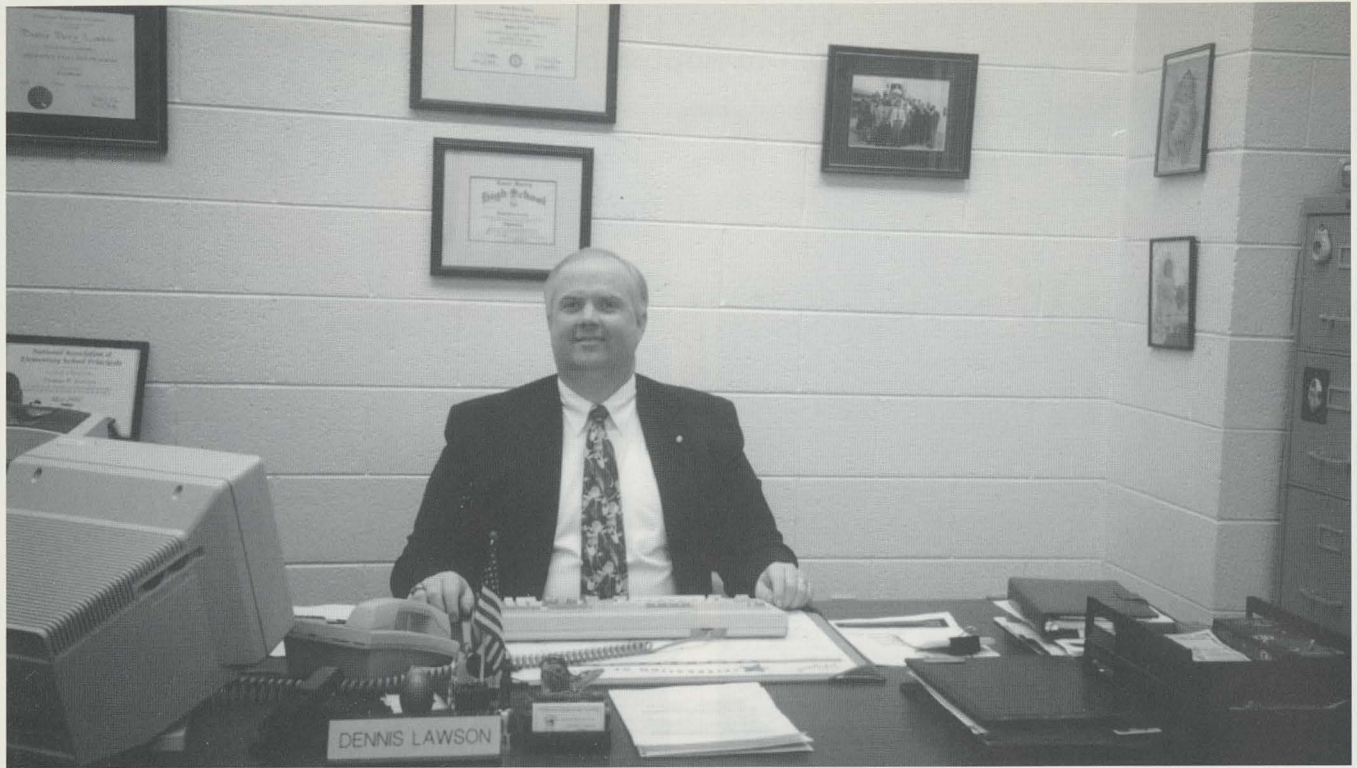

In the 1940's the Kindergarten Building was built. It originally was used as an Agriculture Building for high school.

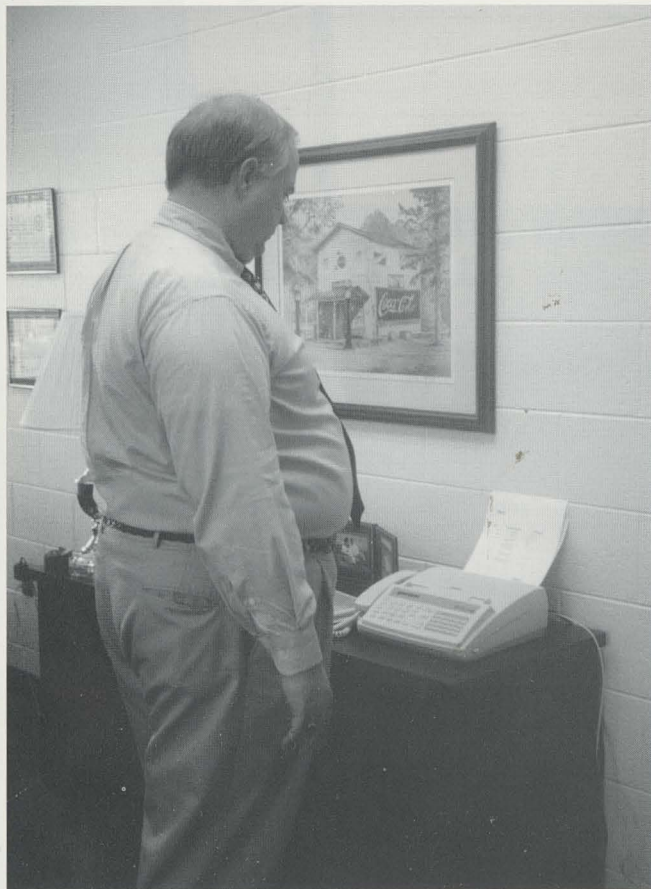

The Graham Building was built in 1979. The main office is in this building along with first through third grades, Extension classes, and Library.

The Red Building was built in the late 1940's. It was used for grades 8-12 when Copeland was a high school. It housed the main office, Typing, Home Economics, Library, and the Cafeteria, which is still currently being used. Also in this building are grades 4 and 5, Art, Computer Lab, Guidance, Music, Hispanic, and Exceptional Children.

Mr. Dennis Lawson, Principal

We have been privileged to have Mr. Lawson as principal of Copeland Elementary for the past three years. Our principal with his untiring efforts has brought many changes that have been a positive influence for our students, faculty, and staff.

In Memory

A dedication of two park benches in honor of Mrs. Atkinson's memory was held. Her family attended the ceremony.

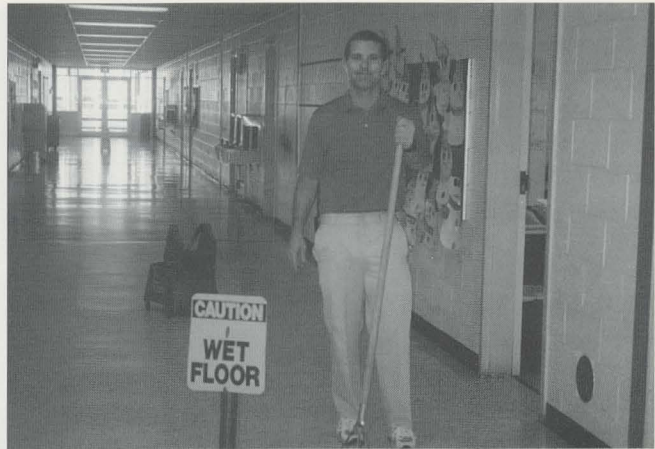

In memory of Ellen Graham Atkinson - Daughter, Mother, and Teacher. She gave much of her life to the Copeland community.

Mrs. Atkinson taught for over twenty years at Copeland School. She taught third grade, fifth grade, fifth-sixth combination class, and Chapter I Reading. As a student she attended and graduated from Copeland High School.

Janice Marion, Secretary, plays a vital role in our school day. She is always willing to answer any questions and be of assistance.

Andy Robinette, Custodian, works very hard to keep our school looking warm and inviting. He does a super job!
