23467 June St. County Abst. of Deeds by Neam I found the inclosed page listing Edwardsburg, Mich., 149112. Filled out a call slip and found that it is missing from the box. Should be able to have a copy of the original made from Dear Mrs. Adams, decide that this is your ancestor. (photo copy)

Worked on your William Montgomery this morning without a great deal of success. Also wonder what they might have in Amhurst Co., Va.-- where he apparently owns a plantation.

Read the deeds in deed book 1 and 2 looking for a reference to the home of William. No such luck. Book 3 - 28 the same. Some of them refer to the name of the places he bought. Very strongly that Alexander M. of Orange Co. is the father of 487 gr. N. C. Grant. 500a. W. Rock Creek - 1778

Stopped at this point as he would have been referred to as a resident of Guilford Co. in 1783.

& deeds

Suggest strongly that you look into the Orange estates and if William has land in Guilford Co. Mills that area which becomes Guilford or that he is listed in his father James Montgomery, 1797. Sons John & William are Exors. 6 Dtrs. are to receive 10 pounds each. Jane, Eliz., Lydia, Charlotte, Margaret, Mary. May Court, 1797 census as it sounded as if you had done that.

In an Orange County Abst. of Deeds by Haun I found the inclosed page listing the will of Alexander Montgomery. Filled out a call slip and found that it is missing from the box. Should be able to have a copy of the original made from the microfilm if you decide that this is your ancestor. (photo copy)

Did not have time to ask for estate papers for this man. Can only hope that they have them. Also wonder what they might have in Amhurst Co., Va.-- where he apparently owns a plantation.

Dear Mrs. Camin:

I thank you for your letter telling me you will have time for two hours research for me in May.

Your letter states your hourly fee is ten dollars (~~10.00~~) per hour. My check in the sum of ~~20.00~~^{20.00} is enclosed.

I will have to let you bill me for what ever copy work is done by xerox or photocopy. Since I do not know postage on what you may send I am unable to enclose that fee.

You need not search Quaker records, I can do that for my self.

Enclosed are transcripts of land records. It is my hope to know which of these

April 29, 1981

will be of the most genealogical value to me, and have copies,

on one of these I hope William Sr. declares where he came from.

He (William) must have done some thing of interest to me to have so much land, especially from the state.

Perhaps location will be given and some day I can visit North Carolina, to stand on the land. It means more when one can actually see where grandparents lived.

As you can see, I have no death date for grandmother Rebecca. You may find this on the sale of her estate since she was living when William died.

Members of the family believe William had brothers. They were not in ^{Guilford Co.} N.C. until later or did not own land if they were.

William, is the only Montgomery in Guilford County in 1780.

Sincerely
Please do not exceed \$15.00 in copies and postage. Mrs. Velma Adams

I hope you find a genealogy on the family. I do not need Williams, "Will".

I will be gone until the 1st of May.

I have more on these children. My interest is more on parents.

I have William's will, and do not need that.

I could not afford copies of all these land records.
