

# Mount Airy Country Club

P. O. Box 892

MOUNT AIRY, NORTH CAROLINA

March 5, 1964

Dear Club Member:

Effective April 1, 1964, your Board of Directors has made a change in handling past due dues. You will receive your monthly dues statement on or about April 1. If your dues have not been paid in thirty days you will receive a second notice stating that your name has been posted in the Pro Shop and Lounge. This is the system that has been in effect and will continue in effect. However, if your name is posted you will be automatically suspended from using any of the Club facilities and will not be eligible to be reinstated until five days after your dues have been paid. In other words, after your name is posted as a past due account you will have to wait five days before using the Club facilities even though you pay your dues.

Also on April 1, all golfers who keep their clubs in the Pro Shop will have to obtain club service from the pro at the rate of \$15.00 per year. A man and wife can get club service for \$25.00 for two golf bags. Club service includes cleaning and drying of golf clubs each and every time you play golf and storage of your golf clubs in one of the spaces provided. If you do not get club service you will have to store your golf clubs in the locker in the basement or somewhere other than the Pro Shop. Also shoes and miscellaneous equipment must be kept in the locker room and not in the club storage area.

For those who have already paid for club service from June, 1963 to June, 1964, two months credit will be allowed and your club service bill will begin April 1, 1964.

BOARD OF DIRECTORS  
MOUNT AIRY COUNTRY CLUB  
JAMES A. HADLEY, PRESIDENT
