Dear Henry,

After many hours of tryingto sort out the Early famililies I talked to Bill Early last night and he tells me that there is an Early family association. Bill doesn't have the information on who is heading it, but, if you write to his brother::

Dr. J. V. Early
338 Curtis Drive
Rockingham, N.C., 28379

He is sure the brother will be glad to tell you all aboutit. Bill and his family are decended from Luther Early b. 1851ca.

On your census record of 1860 James Mooney is a stage driver, not a barge driver. Did a quick check to see if I could locate Edward and Margaret or Margaret.

On the 1860 census 2nd Broad Dist. #1419 is John Early age 25

Rutha	32
Lafayette	13 M (think you have)

From the age of this John, I would say that he is the son of Andrew, leaving Edwards John as your line.

Land Entries 1826-1834

Edward Earley Ent. 100 acres on waters of Mountain Ck. Joining Rbt. Hall. 12-16-1831. pg. 119. #1130

George Early Ent. 1-12-1830. Robinsons Crk. 100A-joining McFalls & Norrell. pg. 67. # 605

Andrew Early is mentioned in several Entries for other people whose lines join his.

1860 Mortality Schedule

Sarah Early Age 3/12 (sudden)-Died in May.

James Early Age 80 M, W, b/N.C. Died in Jan. Occupation, Pauper, dropsy, ill two months.

Albert Early Age 2 M, W, b/N.C. Died in July of Scar. Fever, Ill 9 days. (checked the Mort. Sch. before starting the P&QS as it is in the back of the co. census and easy. Really hoped to find Edward.)

1860 Agriculture Schedule

D.B. Earley - Broad River - 10A improved, 90A unimproved.

In the P&QS it looks like I skipped around. Minutes cover 1779-1868. I started with the last volume (1862-1868) and read thru pg. 335 out of 486 pages. The next day decided to work back in the next to last book as the entry about Maagaret tells me that if this is Edwards Margaret, then he is dead and there might be an estate entry for him. Started at pg. 809 (1861) and worked back to pg. 625, 1859.

On the 1810 entry I wanted to see if there might be an estate record or entry and only read a few pages, found the deed entry and had to quit.

Have spent several hours on P&QS and have only touched the surface. I made note of all Early entries. As you can guess, it would take a good many more hours to read all the way back to 1850, unless Edward should show sooner. Perhaps you should work with the family assn. & if they have not had the P&QS read, then the cost of same could be divided among many. Will do whatever you wish.

Ran quick copies of the census index in case you don't have. The 1840 book had gone for a walk so if you don't have let me know. They only cost .10.

Looking at the deed index I note that Jeremiah and/or Thomas have the first entries. Note your 1790 shows Jerry in Surry Co. See that there is one listed in Surry in 1810 so guess that the deed Jerry is a different person. -perhaps. From Surry down to Rutherford is a proper migration pattern.

Would like to pull the Hill family Wills and check for gene. information. Might have something there. Did not get to the Rev. War records or to the Granville Grants to check for Earlys.

Bill Early says that his father dropped the second "E" to make the name shorter. Earley. Of course, the early spellings were at the mercy of the court.

The only entry that I found which you might wish a copy of would be the P&QS one on Margaret. The cost is something around $2.25 and didn't feel it was worth it. Can order copy anytime-will have to wait a week or so for same.

Sorry about not finding any really good proof of Johns parentage. From what Bill said, the family doesn't have much luck prior to 1850 either.

Sincerely,

Betty J. Camin

FROM THE DESK OF
Henry M. Early

Dear Mrs. Carmen

Enclosed is my check for 30.00 for 3 hrs research. Think I have copy'd every thing of value.

I first found John W. Early on 1880 Census Jefferson Co. Tenn. showing he was born around 1840. So I took 1850 N.C. Census Index and went through all the Earlys looking for a boy named John who was 10 yrs old.

Only Edward & Andrew who live next door to each other had a John

who would work. I
settled on Edward but
now I wonder if it
could be Andrew his
John was 13 yrs old and
their are errors on ages
on censes.
John. death record shows
11 Dec. 1839. I sent off
~~for~~ for CF1 file on Drury
Early son of Andrew hoping
it may be of help.

yours
Henry Early

P.S. Have 2 books on
Early family but cant
tie in yet.

HISTORY SHEET

Surname: Early

Given name: John Wesley

Date of record: 1861-1865

Source: A History of Several Regiments, of the State of North Carolina, (UTA).

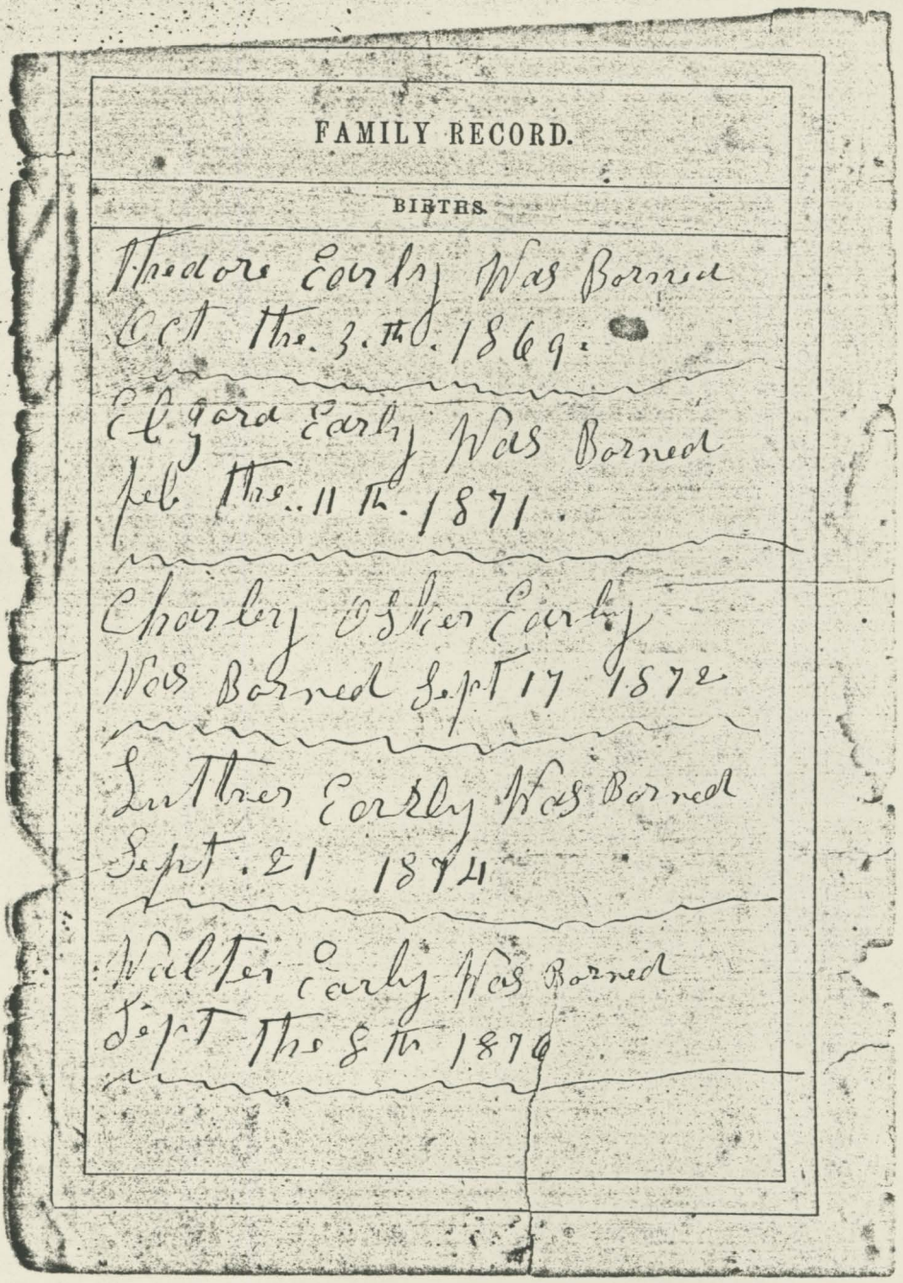

Fiftieth Regiment, North Carolina, 1861-1865, John C. Vanhook, Colonel.
Company I-Rutherford County, John B. Eaves, Captain.

Organized on April 15, 1862, at Camp Mangum, near Raleigh. The company was poorly equipped at first, they had no muskets for months, and had to train with "confederate spikes", which were wooden hoe handles with spear points strapped to each end.
They were finally organized into a brigade with the 32, 43, 45, 53 companies, and the Second Battalion, all under Gen. Junius Daniel.
On June 30, 1862, they saw their first action. After a hard march near the James river of Richmond, Va., they encountered a force led by McClellan. The fighting went on till July 7, McClellan was repelled, but many died. It was termed the Battle of Malvern's Hill.
They returned to Petersburg, Va., on July 31, sunk ships at Harrison's Landing, then on August 14, McClellan was repelled at Drewry's Bluff, and abandoned his Harrison's Landing position. They stayed there till February 3, 1863, on February 7, they arrived at Kingston, then on March 12, began a march on New Bern, but were unable to hold it, and retired to Kingston, on March 14. March 25 through June 21, they engaged in fortifying the Kingston area, and making raids in the Washington vicinity. On July 19, they were sent to intercept Gen. Potter, they caught him by surprise in some woods, and in chasing him, made a one day, 48 mile march to pursue the mounted regiment. July 22, Potter had regrouped, and faked them into believeing reinforcements had arrived by unloading cattle from a ship at night, leading them to think they were calvary horses. They fell back, and on August 9, were ordered to Wilmington to recieve supplies. They were given some poisoned flour which had been sent through a Union blockade. None died as a direct result, but the ensuing sickness forced them to winter there. On April 28, 1864, they moved to Tarboro, N. C., then Plymouth, which was under seige. They secured it, and raided nearby counties for supplies till October 3, when they were relieved, and sent back to Tarboro. A Leiut. Cushing, and a gunboat recaptured Plymouth for the North on October 31. On November 24, they were ordered to Augusta, Georgia, then to Savannah on the 29, then Grahamville to engage Foster, who was destroying railroads. They stopped him, then on December 2, they were sent to Savannah again to fight the advancing army of Gen. Sherman. Savannah was surrounded by Sherman on the 19, they retreated across the river. Company I was moving down the Salkahatchie river when they met what they thought was an enemy brigade, both were wading in the water, and opened fire on each other, and called for reinforcements. When the reinforcements arrived, they realized they were fighting another Confederate regiment, and ceased fire, greatly saddened by the whole affair. On January 30, 1865, they resume marching to Buford's Bridge, retreated, struck railroads at Bomburg, and fortify a position on the Edisto river, but were forced to retreat by way of Ridgeville, occupied Florence, and on March 3, crossed back into North Carolina at Cheraw, to Rockingham, then Fayetteville, where they were beaten, on March 15 they occupied a position on Aversboro Road, leading to Smithfield. They were driven back on the 18, won a few

skirmishes, then were driven across Mill Creek at Bentonville, then to Smithfield, Selma, and on April 11 to Raleigh, via Garner. There they heard of Lee's surrender on the 12, Johnston's surrender to Sherman, and came to final terms after a march through Chapel Hill to Greensboro on the 26. They were parolled on May 2 & 3, 1865, and returned on their last march crossing Alormance Creek.

Dear Henry,

As you can see I stay behind answering letters. I cannot help you on the parents of John Wesley. Does the age fit? However if John Wesley was son of Edward Early + Margaret Hill, I can tell you Margaret Hill's parents were Robert Hill who died 1833 + Mary Polly Robinson. Roberts' will was probated 1833 + names 2nd wife Mary + her children: Roberson Hill, Sarah Halford, Margaret Early, Ara Hill, Delilah Hill, Sizza Hill.

I do not know parents of Robert Hill and if you ever get a lead let me know. He seems to, Maybe be a brother to my Priscilla Hill b. by 1765.

Edward Early was probably a brother to Andrew next door in 1850 census

Hope this helps a bit.

If you get Edward's descendents together please send me a copy

Sincerely,
Lena Koon

Dear Mr. Early,

Thomas Early came into Rutherford in the last part of the 1700s and bought several tracts of land on Roberson Creek - due east of Rutherfordton about 10 miles in the vicinity of the village of Sunshine. He died in 1809 and left a will naming wife Elizabeth and "10children" . Everybody would like to know their names. Edward could have been the youngest. We at least think that all the Earlys that come out later in the census records born around 1800 were his children (Thomas').

Unfortunately there are no records which mention the relationships between the Earlys in official documents. We can only go by circumstantial evidence until someone finds somewhere an old Bible or some old letters. There were so many children that it would seem that somewhere in the family there would be a story floating around.

John Wesley could well be the John age 10 in the household of Edward in 1850. The loaation would certainly say so. James Mooney age 19 was at the household of Wm. Rucker in 1850. That is very near the house of Edward Early. The 1860 eensus may indicate that Edward was dead.

There was a John Early in the ~~xxx~~ Co. I, ~~xxx~~ 50 th Reg and this regiment was composed of men in the area from Sunshine to Chimney Rock. That is exactly where Edward Early lived in 1850. Chimney Rock is due west of Rutherfordton on U. S. 74. The Earlys - Edward and Andrew - were living on Bills Creek about 5 miles northeast of there. (Chimney Rock).

There would be one VERY slim chance that Mrs. Bill Kooi R-3, Box 486, Rutherfordton, N. C. 28139 may know something about the Earlys. She was a Hill . A brother of one of her ancestors married James Early in 1874. Most of her ancestors were buried at Bills Creek Church so you see she was from the right area. She will help you if she can.

Let me know how you come out.

Sincerely,
Kenyon Aathrow

Dear Mr. Earley:

Thank you for your letter and for the copy of the "Origin of the Earley Families" which I found most interesting.

My husband thinks that his family came from Ireland to Virginia and then into North Carolina. He has no proof. He believes that his immigrant ancestor was the John Early first recorded in Virginia in 1661.

An Early has 1710 Earlys were living near the North Carolina border in Virginia. His family came from Rutherford County, North Carolina. He thinks the first Early in North Carolina (Rutherford County) was his ancestor.

Thomas Early b. 1753 in Va.; d. 1810 in Rutherford County, N.C.; m. Elizabeth; had 10 children; was Pvt. in Rev. War in Co.7 from N.C. 1790 census lists his having wife and 10 children under 16.

George Early (one of his sons?) m. Nancy Liles 2/20/1814 in Rutherford Co., N.C. Had 4 children.

Lawson (Lauson) Early b. 1/17/1817 in Mumford Cove, N.C.; d. in Golden Valley, Rutherford County, N.C.; m. Minerva Melton 11/22/1841 in Rutherford Co. 10 children.

James Lloyd Early b. 6/23/1850 in Rutherford Co., N.C.; d. 1893 in Golden Valley; m. Julia Emily Melton 9/1/1880 in Rutherford Co. Had 3 children.

Roland Pratt Early, Sr. b. 2/13/1882 at Golden Valley Township, Rutherford Co., N.C.; d. Raleigh, N.C. 1/28/1960; m. Julia A. Putman 9/9/1905 in Mellis, Rutherford Co.

Joyce Virgil Early, Sr. (my husband) b. 6/23/1910 Lattimore, N.C.; m. Cristine M. Stansbury 12/28/1934 in Asheville, N.C. He is pastor of First Methodist Church here.

If you should learn anything about the Virginia and North Carolina Earlys, we would appreciate sharing your information.

Again let me thank you for your letter and the family history.

Sincerely,
Cristine S. Early

Dear Mr. Early,

First I must apologize for taking such a long time in doing your 5 hrs. research, just a week after the Card I sent you back in Feb, I fell off the curb and broke my foot, had my leg in a cast for 6 weeks, but I know you are interested in results not excuses. Because it took me so long to answer I gave you 10 hrs. of research for the 5. Not much success. First - since we found an Edward Early with a son John right age to be ours, in Rutherford Co. N.C. I checked the following records of this County. 975.6915 2d - Wills - from 1779-1822 - Nil, Index to Wills. 1782-1964. Film 5 6232 pt 1 - Nil, 975.6915 n Vol 1 - mrgs - found a John Early married a Margaret Block 31 oct 1838. 929.273 Ea 76 er - "Early Family - settled Eastern shore of Va" (couldn't connect with your line. Film 1,005,003 - "Early Fam-Collection" - couldn't connect. 975.691 H2g - Rutherford Co. Bog - Nil. The 1800 census Index of Rutherford Co. shows a John and a Thomas there, 1820 shows a Andrew, James, John + William. From the "Early Fam Collec" I made a copy of a letter written in 1964 by a Mrs. Joyce V. Early, you might write to her (if she's still there) looks like her husband's line is from the same place as yours. I'm also sending you a copy of the Early Fam. which maybe yields if we could ever connect. I was hoping to find a Will for Edward Early where he would name his son John Wesley - but no luck.

Not having any luck with your Early Line I tried to find your Henry family. attached is copy of the 1850 census of Jefferson Co. Tenn showing your James Henry and family. By the census Read James was born 1807 in Tenn, his wife Cynthia 1817 in Tenn. I checked the Land Deeds for Jefferson Co. Tenn - no Henry Name appeared, did Will couldn't find any to be ours. Enclosed is a copy of a Will made 1911 by a J. S. Henry who mentions a James B. Henry but 1911 is too late for our James. your Lellard name sounded interesting, I took a look at the Tenn. Censuses, copies of 1820 thru 1850 if your Cynthia was born 1817, I'd think (her father you have as John) would show in the 1820 census, this only shows 2 Lellard names a James & a Mordacai. There's 3 Johns in the 1830 census. I also did an 1880 Soundex of Miss. for your Henry Vaughn, found a Henry age 31 living with a Harrington Vaughn Family in Ponola Co. this family was Black. I have a suggestion on your John Wesley Early write to the County Clerk, Paris, Texas 75460 send $2.^{00}$ and ask for the death cert for John Wesley Early who died at Paris 13 Jan 1914, this may give some clues, his parents names. If I can be of any more help, let me know and I'll try, and I won't take so long next time.

Thank you for your patience.

Sincerely

(Mrs) Fonella Lewey

RUTHERFORD COUNTY, NORTH CAROLINA

MARRIAGE BONDS

Typed by
The Genealogical Society of Utah
80 North Main Street, Salt Lake
City, Utah, 1943.

PREFACE

The original marriage bonds of Rutherford County, North Carolina, are in the archives of the North Carolina Historical Commission, Raleigh, North Carolina. They are filed alphabetically by the groom and may be consulted by the public.

These bonds were abstracted by a group of youth of Wake County, working on a National Youth Administration project, alphabetized by workers on the Historical Records Survey project of the Works Progress Administration and checked by Miss Mary Jones Jeffreys employed by the Genealogical Society of Utah in cooperation with the Historical Commission.

The abbreviation "col." following the names of the bride and groom means they are Negroes.

The small -x- following a name means that the person did not sign the bond but made his mark.

The above compilation was typed and the index of brides was made under the supervision of the Genealogical Society of Utah, 80 North Main Street, Salt Lake City, Utah.

Typist; Ada Dial.

Rutherford County was formed in 1779 from Tryon County.

The act authorizing marriage bonds was passed in 1741 and continued until 1868 when marriage licenses were authorized.

10) "Destiny's Diary", Vol. 5, by Harold Hite
11) National Archive excerpt from M853, Roll 16
12) Misc. accounts

JEREMIAH EARLY, III, was being educated for a lawyer when he left college to join Washington's army in Virginia. It was stated by Rachel, his wife, when applying for a pension (No. R3191) May 9, 1840 that Jeremiah had enlisted in the Virginia 2nd Regiment for 5 years or duration (until peace was signed) and that he marched north and was a collector in Pennsylvania for 3 years. She stated that she had heard him say that he served part of his time under Col. Campbell. Also, that she had heard him speak of Green, Armstrong and Maxwell, and others, and that he was at Sullivan's Island. Rachel was 85½ yrs. old at the time of her application. She was very elderly and infirm and was unable to appear again in court to furnish necessary proof of Jeremiah's service in order to have the application for pension approved. She died Nov. 11, 1840.

PROOF OF PART OF JEREMIAH EARLY, III's, service is as follows:

1. National Archives M853, Roll 16, Vol. 9, p. 88, shows Jeremiah Earley, Sergeant, 2nd South Carolina Regiment, commanded by Lt. Col. Marion. Date of Enlishment: Nov. 4, 1775. On Feb 5, 1777, he became a private.

   (National Archives M853, Roll 16, lists North Carolina and South Carolina troops and men of Continental Organizations raised from more than one state, 1775-1783.)

2. The South Carolina Historical & Genealogical Magazine, Vol. XVI, No. 1, p. 30 contains a list of noncommissioned officers and private men of the Second South Carolina Continental Regiment of Foot and lists Jeremiah Early.

3. A witness, Micajah Reeves, husband of Jeremiah's daughter, Elizabeth, declared he frequently heard Jeremiah Early speak of being in the war at Sullivan's Island.

   Jeremiah Early,III, was in the Battle of Charleston--Ft. Sullivan on Sullivan's Island (a major British defeat). (June 1776 - Marion at the time was a Major, later becoming famous as the "Swamp Fox".)

4. Inscription from family gravestone in old Siloam Churchyard, NC:

"Sacred to the Memory of
Sallie
Daughter of Jeremiah Early
Who Served With Credit Through
The Revolution, and
Elizabeth Freeman Early
1790-1754"

"Ft. Sullivan was hurriedly built of palmetto logs (an accidental brilliance), used because nothing else was so handy or so quick. They did not shatter upon impact as many had feared. Rather that spongy superstructure absorbed cannon balls with a satisfying "glub." Nearly 7,000 so swallowed were counted later."
