DEDICATION

It is with deep affection
and highest esteem that we
dedicate this, the 1961 edition
of THE STRIPES, to Mrs. Bertha
Ashby. Having served as Director of
Nurses for the former and present Martin
Memorial Schools of Nursing, she has been a
beacon of light, endeavoring to aid each student in
the achievement of her highest goal. As time plays her
hand, the graduates of this Alma Mater will look back, for-
ever casting a sincere thank you to one who has given her time
and abilities to make this a school of which we can be proud.
AGAIN WE SAY, "THANK YOU, MRS. ASHBY."

HISTORY

In 1918, the Martin Memorial Hospital School of Nursing was established, the first class of students graduating in 1921. The original school was affiliated with the Martin Memorial Hospital where Dr. Moir S. Martin, the founder, was Medical Director and Chief of Staff. The school operated continuously until 1953 when extensive fire damage to the hospital forced the discontinuation of operation. During this period of operation more than two-hundred and fifty students were graduated.

The Northern Hospital of Surry County was opened to patients in April, 1957. At that time plans were being made for a school of nursing to operate in connection with the hospital. The hospital's Board of Trustees named the new school "The Martin Memorial School of Nursing" in tribute to Dr. Martin.

On September 28, 1958, the first class of students was admitted to the new school. The students received clinical instruction at the hospital in all services except pediatrics and psychiatry. These special services are provided through affiliation with other hospitals.

This year of 1961, that first class is graduating from the school. It is with great pride that we watch these new graduates join their predecessors, as we who remain endeavor to one day become members of the dignified ranks who have graduated before us.

MARTIN MEMORIAL ALMA MATER

Dear Martin Memorial we pledge our trust,
To uphold you, defend you and do what we must
To make you the school of whom everyone's proud --
To make you the One who stands out in a crowd.
Your walls stand so high, so sturdy, so sound.
In our hearts there's nothing that can tear you down.
When asked where we're from, we say very loud,
"We're from Martin Memorial and we're very proud!"
We'll stand beside you, no matter what.
Martin Memorial, we pledge you our heart!
