Dear Walter,

We are returning the original copy of the Surry County seal which won first place in a competition in the 1970s. The seal belongs to the Surry County Historical Society and was on display in the Museum with our 100 County Quilt. I believe that people enjoyed viewing the seal as they came through.

We are grateful to the Surry County Historical Society for allowing us to share an important piece of Surry County's history.

Sincerely,

Linda Blue Stanfield, Dir.
